Project Director
Heart Mountain War Relocation Project
Heart Mountain, Wyoming

Through: Captain Mark H. Astrup, Liaison Officer
War Relocation Authority

Dear Sir:

Reference is made to a petition received from the Temporary Council of Block Chairmen, your project, requesting assistance in expediting settlement of Wartime Civil Control Administration clothing allowances and addressed to Mr. E. Sandquist, Chief, Assembly Center Branch, Wartime Civil Control Administration.

Request you advise such council that the clothing policy of the Wartime Civil Control Administration when made effective provided for issuance of clothing upon application by individuals requiring same. Issue was not a vested right nor did credit for clothing unapplied for carry over upon transfer from an assembly center to a war relocation project.

The delivery of clothing to former residents of Santa Anita Assembly Center represents that clothing which was applied for by those evacuees and which the supplying agency could not furnish prior to evacuation of that assembly center. Such delivery does not represent fulfillment of any applications other than those made in accordance with the provisions of the regulations for operation of assembly centers. The Wartime Civil Control Administration has no further responsibility in the matter.

Very truly yours,

(Signed)
