Honorable Franklan D Roosevelt and Mrs Eleanor
Roosevelt, White House, Washington DC.

Dear Mr President and Our First Lady,

We send our prayers this Christmas
to you in the White House from our
strange new life in Jerome Arkansas.

We earnestly pray for your health and
strength to lead our nation in our darkest
hour. May the blessings of hope and
joy of Christmas sustain you and
peace and serenity come soon to all the
homes of every American in our great
Country.

We miss our home in California but hope
we too can serve our Country as proud citizens
