Benediction	Postlude
	Greetings

Due to a clerical error in making the stencil for the Baccalaureate program, the hour reads 2:00p.m. and the program being presented to the Citizen paper this hour appeared in print twice in this weeks issue. The time of beginning, as understood by the High School Faculty and graduates is 2:30 and so it will be. All are welcome. It is hoped that this annual event will be well supported by the church people of the community.

The Vacation Bible School convenes at 9 a.m. one week from tomorrow:

The date for Children's Day is July 14. This is a fine time for baptism of little children and infants.

The Ecclesia Circle will meet with Mrs. Verda Lewis Van-Vleck in her new home Tuesday in a desert tea at 11:30 - May 26.

The W.C.T.U. will meet at the home of Mrs. Jessie Baker on Wednesday at 1 p.m.

The Tahoe date for Jr. High is June 24-27.

The Tahoe date for High School ages is June 29-July 4.

The Talent Dollar Round Up is Monday evening June 8.

The Methodist Conference at Stockton starts June 17.

THE EVENING SERVICES

6:30 Christian Endeavor

7:30 The Pastor's review and message

Is It Nothing to You?

Is it nothing to you, all ye that pass by? Lam.1:12

1. That America's greatest menace to success is within the gates, King Alcohol?

2. That holy writ and history record that men, armies, and nations fall through drink?

3. That streets and highways are lined with cocktail bars, taverns, and other liquor joints?

4. That boys wearing their country's uniform on the streets are drunk on states licensed liquor?

5. That defense workers are befuddled by drink?

6. That drunk driving has increased 86 per cent in one year? (State report Motor Vehicle Dept. for Jan. '41 and Jan. '42)

7. That closed red lights have moved to liquor joints?

8. That Pearl Harbor's lesson was only temporarily heeded? (Compare drinking conditions in Honolulu before Dec. 7 and after Feb. 24 with the period of 78 days' prohibition between those dates.)

9. That many local liquor control petitions are not being circulated or are improperly or inadequately signed?

10. That S-860 is needing your backing in Washington? (Letters and petitions to Senators and Congressmen.)

11. That many Christians do not know what alcohol is and what it does? (Being deceived by radio, billboards, and press.)

12. That children are not safeguarded from liquor by education and legislation?

This is to certify that the following
