1. Fire Depts:

Mr. T. Yahiro, Fire Chief, complained of too many audiences at Block 27 $\frac{1}{2}$ 27, Sat., January 9, when "shibai" entertainment was performed. Rules and regulations pertaining to fire prevention as set forth by the Fire Dept. are as follows:

1. Capacity: 500
2. Entrance bolted if attended by Fire Prevention guards or wardens.
3. Isles kept clear.
4. Simplified decorations.
5. No smoking
6. Instruction by Master of Ceremonies of proper measures in case of emergency.
7. Police Dept. take charge of crowd's behavior outside of building in case of fire.
8. All persons cooperate.

Mr. Yahiro also requested to inform respective block fire fighters to notify Fire Dept. in case of drill so as to instruct such auxiliary fire crew proper assistance and measures.

2. Unemployment Compensation of Block Chairmen:

Mr. Mineta proposed to effect eligibility of Block Chairmen to unemployment compensation as of September 1, 1942. Passed. Also punctuality of meeting was stressed by Mr. Mineta.

3. Coops:

Mr. Fujimoto reported that rent wages and clothing allowances will be charged as of August 1942 against the Community Enterprises. Rate of rent is 45¢ per square foot, \$2700 for space occupied by stores.

4. Reply to Petition on Fence:

According to the letter of Dillon Myer, on the subject of abolishing fencing on the center ground, he replied, WRA left it to military to determine what tools were necessary to carry out their responsibilities. Mr. Myer hoped that the resident will accept the fact that there's a responsibility within and without the center ground and the matter of fencing and watch towers will not become a major issue.

5. Hospital Problems:

Dr. Irwin submitted a statement to Mr. Barber regarding the matter of parents attending infant children at any time, saying that it is the objective of the hospital to eliminate confusion caused by incessant droning of visitors by setting forth rules and regulations pertaining to visitor's hours. He requested that any person dissatisfied with the present ruling present his complaints to the Medical staff meeting for alteration of such rules.

6. State Licenses:

Mr. Barber informed the Council that Mr. Housel is preparing statement regarding state licenses of the evacuees for profession, craft, or trade.

7. Press Programs:

Mr. Koide pointed out the necessity of joint meetings to be held by Block Chairman, BAO, and the representative of the Sentinel to discuss the center programs.

8. Erection of Waiting Room for Stages:

Mr. Nagamori proposed to erect a waiting room for stages at the entrance of the center. The proposal passed for agenda.

9. Shoe Repairing:

The Council decided and concluded that the advisory board of the Community Enterprises take up the matter of reduction of the charges of shoe repairing.

10. Proposal of Establishment of Preliminary Hearing Court:

Mr. Barber recommended the proposal submitted by the Judicial Commission for the Council's consideration on the establishment of a preliminary hearing court: One judicial commissioner serves as a chairman, Miss Payne representing the welfare division, one block Chairman alternating weekly, one BAO alternating weekly, and the Chief of Police to determine the charges on the defendant presented by the Police Dept., the division will be recommended to the Project Attorney for final charges.

11. Dilution of Milk
