

MEMORANDUM.

Feb. 19, 1943.

To Mr. Guy Robertson;

From Council of Block Chairmen;

Subject; Requests,

1. Practise of an announcement made previously, "The residents will be permitted to go out into larger area when the weather permit".
2. Free shot against the Rocky Mountain Spotted Fever before one goes out if he desires so.
3. A special announcement on Sentine or bulletin about the emergency treatment for snake and tick bites.
4. Immediate establishment of a diet kitchen in each messhall and placement of a dietitian in each.

No needy food materials can be bought at the stores for sick and infants after the ration.
