

Reports from committees

1. The maintenance committee saw Mr. Embree on the matter of securing brooms for the residents; however, they were informed that under the WRA ruling, only one broom is furnished. Brooms were carried at the Community Enterprise previously, but since they were unable to sell the brooms they were taken back to the warehouse. Shig Sakaguchi was appointed on the maintenance committee and they will see Mr. Todd on this matter.

Howard Otamura stated that the C.E. brooms are in the store for sale.

- Housing*
2. Relocation committee saw Mr. Anderson about the housing situation. As Mr. Embree was out of town Mr. Anderson informed the committee members that he will see Mr. Embree and will contact Tom Oki or Eiichi Sakayue on the outcome of this matter

Old business

1. The matter of streamlining the leave procedure was discussed. Additions and suggestions to the memorandum was asked by the chairman.

Block 23 Manager asked if there were a clause on the leave form swearing that the relocatees will not sue the United States government. The matter will be checked by the chairman.

Eiichi Sakayue asked if there were transportation provided for the relocatee to the gate. He was informed that Yosh Kodama is working on it.

The chairman stated that government request for transportation of property (form 156) will be inserted in the memorandum.

New business

1. Postal committee will see Mr. Inouye on the following matter:
 - a. who is responsible for packages in case of fire
 - b. , system

Block Managers and secretaries were requested to keep the office open until 5 p.m.
