

Attended: Mr. Ryo Fujii of the Relocation Guidance Committee.

Absentees: Messrs. Horikoshi, Umezoto, and Ritchie. Mr. Yoneura was tardy. Minutes of September 7 were read and approved with a correction.

COMMUNICATIONS:

Contents of radio broadcast on remarks of Representative Herman P. Eberharter were referred to councilmen who were interested.

Mr. Anderson's memo on nurse's aides was reviewed.

A list of entrapment for segregation was submitted to the Council for reference. A matter of representative from Heart Mountain to the Draft Advisory Board of Park County was referred to the Council by Mr. Anderson.

DISCUSSION:

Posting welcome signs at proper places was proposed and passed for recommendation to the Administration.

It was pointed out that special deliveries are delayed, thus, causing unexpected set-backs in business transactions. The Executive Committee to negotiate with Mr. Anderson.

Complaints have been raised by residents charging 3¢ by Community Enterprises in cashing Government checks. Mr. Sashihara clarified that every check that goes through the Cody bank clearance is charged 3¢ and that it is impossible to carry \$5,000 in each store in order to accommodate residents, hence, cashing checks is limited to those who purchase merchandise over one dollar.

Mr. Ritchie proposed to supply fresh tuna for sashimi to every mess hall. Since the Community Enterprises can handle a small quantity of fresh fish, the Procurement office should be able to purchase fresh fish in a small quantity at a time, thus, supplying all mess halls by rotation. Mr. Yoneura informed that Mr. Main, Head Procurement Officer, has sent wire to the Denver Quartermaster authorizing it on the purchase of tuna without restriction to the price.

Coal problem was discussed. It was decided that the Executive Committee and the Labor Committee contact Mr. Robertson to negotiate the supply of 5 car loads of coal per day until the center has accumulated stock piles to last for 3 weeks. Mr. Masunaga reported that the Block Managers have taken up on construction of coal bunkers in every block. Mess hall bunkers are condemned by the Fire Dept. One bunker would be built between the laundry building and mess hall and another at the end of latrine wing for each end of a block. Mr. Miyasaki, Block B7 Manager, informed the Council that wage classification of \$19 per month is applicable to the crew according to Mr. Arsen of the Finance Division.

The Council secretary was assigned to communicate the Manzanar Community Council to verify the issuance of clothing allowances which are said to be supplied to workers in a form of various types of work clothing over and above what are given out to workers at this center.

The Welfare Committee was instructed to have Mr. Burnett, Evacuee Property Officer, to announce that property which were sent here without request will be guaranteed to be shipped gratis to the point of relocation.
