

Ma + Pa Weyell:

Please do me this one
favor. I learned that I am to
be evacuated by the 1st of
May. So, will you go to
my friends' place near French
Camp, where my parents are staying, and
pick up 3 or four boxes for me?
one box is a large metal box
full of all sorts of stuff.

~~two~~
2 boxes contain a large set of
encyclopedias. You may open
& use them if you want.

They are in wooden boxes.

I will write a letter to my parents
telling them to set these boxes
aside for you.

But one caution, ~~the~~ my family
must leave the farm they're on
by the end of this month, so that
you must hurry & get these
before the month is up.

Please

Tommy
