Scholarship Fund Vote Tomorrow

With residents to vote on the \$2400 scholarship fund ballot between 12 m.-7 p.m. tomorrow at booths to be established at each mess hall, the community council made the following announcement this morning concerning the measure:

"We at first decided to get the scholarship fund from the community enterprises unclaimed fund but later we learned that there was a doubt as to the legality of using the unclaimed fund for the purpose. Therefore, we have changed the wording on the ballot to read, 'Do you favor a donation by the trustees of Heart Mountain Community Enterprises to the Heart Mountain Scholarship Fund of \$2400,' not stating exactly from which fund the money was to be taken.

"This morning our project attorney, Byron Ver Ploeg, gave his opinion on this matter as follows: 'The ballot papers will be used to determine the sentiment of the people toward the scholarship fund. The final decision whether the fund is to be given rests with the trustees of the community enterprises. Although there is some doubt as to the legality of using the unclaimed fund for the purpose, there is practically no difficulty for diverting it for the purpose.'

"We ask the voters to consider all the circumstances and use their ballot in the wisest possible manner in this first referendum we are going to have since the granting of the city charter."
