

SPECIAL NOTICE

Community Enterprises is preparing to make a first refund to residents of part of the accumulated earnings of the enterprises.

No refund can be made except on the basis of cash register receipts, which must be turned into one of the Enterprises receiving desks.

For the convenience of the residents, special receiving desks will be set up in the stores in blocks 8 and 20, at Block 24-25, and at the cashier's desk in the main office. It is requested that people bring all their accumulated receipts to one of these places during the period from Monday, March 7th to Saturday, March 20th. All the receipts held by members of a single family may be turned in by the head of the family or any other member designated by them. A single receipt will be issued for such receipts turned in, and the amount to be paid the owner will be computed as rapidly as possible thereafter.

Only with the fullest cooperation on the part of all the residents holding cash register receipts will it be possible to make a completely fair distribution of such profits. It is to your interest, therefore, that you begin now getting your cash register receipts ready and that you do not fail to bring them in during the two weeks' period indicated.

Scott Taggart, Sup't.
