Fresno California

Dear sir:

Thanks very much for a nice grapes.
I really don't know how I appreciate them.
I divide it to everybody in my barrack and
friends. When I take a taste of this grapes
it feel as I went back home and eat a
grapes which I raised. I say over and
over many thanks.

All wide spread rumors prevalent in The Camp
we finally will relocate to Jerome, Arkansas,

T, Umeda
Rt. 2. Box
Sacramento, Cal.

was time home for the duration. It is
very far away, is 2000 miles or better from
this center, so I will miss ^{sweet} California.

This is just duration of war, so I try, and
will be back to my "Home Sweet Home".

We will start bedding on October 14, and we
will leave on 18th at 3.30 P. M.

Best regard to all the family and best
wishes and good luck.

Good bye
Minnie Umeda
