Dear Mrs. Waegell.

I have received a letter week ago; but I thought I would like to write an answered till I get my permission; so finally I received permission but I am sorry to say half of them are spoil; but what ever we could get we appreciate very much.

It was very kind of you to get all my things which I have asked you. Being you have a room I would like to store at your place rather than sell right ~~now~~ now. We, the people in the camp think all this trouble will be over in year or so. (I hope this is true) This will be all the trouble for you but I would like if you could do for me.

My brother has a tenant in his place. It is man staying at Mr. Barnby's place. They pay \$50 a night just for him to look after his house.

It is very hard to find a man to take the place.

It is same with our places too, so if you know anybody if or try to look around for me to take my place, I know it is very hard because of men shortage. Well, this is all, Thanking you very much.

Best regards to all. Wishing you Merry Christmas and Happy New Year.

Your truly
Minnie Umeda

P.S. My sister has letter in here with my letter. so you could do this let me know.

Try to talk nicely to Mrs Bormby because she asked her first.
