NOTE:

The above classes meet on Wednesday, and Wednesday and Thursday nights. Mrs. Bugbee will be glad to help out on presenting information about the scholarship fund. She mentioned that Miss Sugiyama's classes are both beginning classes and you will need to speak Japanese to those two groups.

Mrs. Hittinger, Mr. Satorius, Miss Sudderth, and Miss Valley are all helping with the Adult English program this summer. They will be in the classrooms too on Wednesday and Thursday evenings. I have talked about the scholarship fund to each of them.

Mrs. Bugbee suggested that nearly all of the people in the adult classes would be contacted by presenting the material on Wednesday and Thursday evenings. Different groups meet on those evenings and most of the folks who attend a day class come either evening too.
