Dear Mrs. Perry

Trusting that this letter will find you in the best of health as usual at Sebastopol.

What I wanted to ask you, Mrs. Perry, is whether Sammy has moved in at the ranch camp or whether he is going to work there in the first place. I have written to Sammy but he has never wrote back and I, as a matter of fact all of us out here are wondering if he is going to work in our place or not. Could you please let me know if he is going to work in our place or not. Thank you!

I also received your letter explaining about the extra war risk policies that is necessary and we are leaving it all to your better judgement. Please let us know how everything comes out.

Gee, I have to go back to work in the Mess Hall right this moment. So I'll be closing and please give our best regards to Mr. Perry and everybody there!

Very Sincerely
Ray St.
