KAZ IN HOSPITAL
in S.R. 1952

Dear Mrs. Perry

I thank you very kindly for
sending me the "Certificate" of
which I just received this
morning.

I'm sure glad to hear that
Bob was able to be home in
L. one and do hope that you
all had a very nice Holiday.

I presume that Bob will
have to be on his way back
before long. Please remember
me to him and my best.

How is Joe's ear? Do you
think it's feeling much better
these days since you visited
me as well as yourself?
Also thank you for the
Book and I'm sorry you brought
one too and I enjoyed
them very much.

I am enclosing again the
figures for the Income Tax -
We bought a spray blower
for \$400.00 and to guess that
will have to be depreciated.
I didn't know how many
years to depreciate it in. Do
you think 10 years is about
right?

This year I have no big
Hospital Bill, so it helped a
lot to have a my Tax to pay -
Could you please send it
Back to me here and I could
send it there here but
otherwise if not - could you
send it from there as you
always do -

I havint gotten hold of those Vaca state papers but when I do I'll send them to you and will have to trouble you with them also.

Sometimes I get so lara disgusted but I know it doesn't help any so am keeping the ole spirit up to know I'm going to have surgery in the near future a way for which I'm glad. I'm glad in this way for it means getting out eventually - I hope.

Well - enough of my woes. Better be signing off and trying to get this off in for. to mail.

I thank you so much for every thing - I do owe you for so many things I impose on you!!

My many thanks again, Mrs. Reedy, and do take good care of yourself - My kindest regards to you and Tommy please. I hope I can get out of here one of these days and then I can come and visit you in your New Home.

P.S. Is it cold. As ever,
Faz
