

Xmas Gift to us

W. L. A. Center
December 14, 1942

Dear Mr. and Mrs. Perry

Hello everyone!!... Hoping
that you are all well as usual
and in the best of good health
at Sebastopol.

Although it is little early,
Grandma and I are sending
you our Christmas present
and hope that you will receive
it within a short time.

We wanted to get you folks
something good but due to
the limited privileges of getting
out we didn't have much
choice and hope that you
will forgive us for this
humble gift. However, Grandma
and I are enclosing \$30.00
and she says for you folks
to buy something for
Tommy and Bobby and

2
yourselves this coming
Christmas, please accept
this as our small
Christmas gift to you,

with kindest of regards
from Grandma and
everyone here,

Very sincerely yours,
Lillian D.
