Dear Mrs. Perry,

Hello Mrs. Perry!! How are you? Fine as usual I hope and trusting that this letter will find you all well and busier than ever at Sebastopol. Grandma and I and all the rest of the family are just the same as usual and they send their best regards.

I don't have anything particular to write about but just a short note to let you know that everything is O.K. out here with us in Amache. How is everything out your way Mrs. Perry? I imagine you are all very busy and more busier than ever..... Have you started on the late stuffs yet?.....Recently we ate some Sebastopol Gravensteins here in Camp and they sure tasted good.....Certainly was a treat though!!

Well, life here at camp is the same as ever....Recently there was quite a bit of excitement going on around because 1000 people came in from Tule Lake, California.....The reason was, ~~and~~ ~~XXXXXX~~ ~~XXXXXX~~ that Tule Lake Center has been turned into a Segregation camp for the disloyal and thats the place where all those believed to be diäloyal will be put. Other than that, everything has been the same as usual.

Recently the Project Director issued an order to stop all public gatherings such as movies, churches, ball games etc. because there is, at the present time, a couple of cases of infantile ~~parxi~~ paralysis and they don't want to many people to get together.

The weather lately has been somewhat like winter and sure getting

cold....and there is that usual duststorms.....^{Yes} sir, ole man winter will be rolling around pretty soon and they ~~are~~ predict that we will have quite a bit of snow this year because we didn't have much last year.....How is the weather out your way? I imagine it is getting much cooler isn't it?

Well, Mrs. Perry, can't think of much more to write so will be closing. Hoping to hear from ^{you} whenever time permits you and till then, best of regards to all from all of us here.

Very sincerely,

Kaz Ito
