Dear Mrs. Perry,

Hello Mrs. Perry!!.....How are you? Fine as ever we hope and trusting that this letter will find you all in the best of good health at Sebastopol. Grandma, myself and the rest of the family are just the same as usual in spite of this cold weather we are having lately. Gee, but we haven't had a sunny day for weeks and always seems to be snowing one day or the other and never a chance for the snow to melt. Even today its snowing pretty heavy again. How is everything out your way? Looks like we are going to have a white Christmas out here.....The trucks that we drive all have to put on skid chains or its just to bad because when that snow freezes it sure is slick.....

Well, Mrs. Perry, I really didn't have anything important ~~xxx~~ ~~anything~~ to write to you about except that you will find enclosed a check for \$100.00 which Grandad, Grandma and I would like you folks to have and use for Christmas. We really should try and buy you folks something but you know how ~~xxx~~ hard things are to get and besides you'd know much better than us what you need so we are sending a check. Hoping that you will be able to buy a lot of good things for everyone. I will be closing now and Grandad, & Grandma joins me in wishing you folks the very Merriest of Christmas and a very H appy and Prosperous coming New Year.

Very sincerely,

XMAS
