Dear Mr. & Mrs. Perry,

Thank you ever so much for that delicious looking fruit cake that you sent us for Christmas. Each of us has eaten a piece of it and it certainly tasted good.

It snowed here last Monday so we missed having a "White Christmas" by two days. The little children were quite happy because they had a Christmas party put on for them.

We hope that you had a pleasant and enjoyable Christmas and that you will have a more prosperous and happier New Year than you ever had before.

Very sincerely yours,  
The Frank J. Ito family
