In re: Fruit washer and other equipment

Dear Mrs. Perry:

I wish to acknowledge receipt of your letter of March 21, 1944, and thank you for your suggestions contained therein.

As to selling or renting the above-mentioned equipment, I would like to do so to help war production. However, since my brother and I are both intending to return to California, whenever this is made possible, and resume farming, we would like to retain our equipment for our own use.

I would like to inform you, too, that my brother Teruo Ito passed his Army physical on the 15th day of March and he is a member of the United States Armed Forces. As for myself, I have not taken my physical as yet, but I am expecting a call at any moment.

Kindly notify committee that it is our wish to retain possession of the equipment and that we do not wish to sell or rent.

With our regards to the other members of your family,

Sincerely yours,
