

My buds' group  
was the second  
group of 20 and  
I, as a group left and  
the night happened  
I don't know why they  
do this but I heard that  
they are doing this until more  
men are ready with make  
forming easier with a bigger group  
So far the fellows have been pretty  
into the worst dust storm ever this year  
of the year!! it blew so thick we could  
hardly see the radiator of the truck. The  
stor. had a rain Easter Sunday? Over  
was terrific. I had cats & dogs, will be  
here if it rained and lightning, will be  
closing with Perry Guss, please  
giving my best regards to Mr. Perry.  
Do take care of yourself  
and talk them,

Very sincerely,  
Kats  
P.S. Sam has never written  
a letter yet!! -  
guess his conscience  
bothers him!!
