

6/12/42
Merced Assembly Center.

Dear Mrs. Perry,

I'm just dropping you a card today to say "hello" for myself and everybody here and am trusting that this will find you all well and enjoying good health at Sebastopol.

Another reason for writing is to let you know my grandpa's newly moved address.

He has now moved to:

Internment Camp K-1-1915
Camp Livingston
Louisiana

I'd like to take this time to say thank a lot for sending us the cherries. They really were good and we all enjoyed eating them. Something going on all the time here. Twilight ball games every evening, talent show, or dance every sat night, about 10 different church services every Sunday - all day long - certain hours for every kind - space is limited so I'll close now - please give our best regards to Mr. Perry and everybody there -

Sincerely
Kaz. Ito
