MIS Veterans and Friends:

Great interest is being shown in the response to our February 28, 1991, 50th Anniversary Reunion registration packets. As the committee continues refinement of the program and with further coordination of jointly sponsored MIS/DLI 50th Anniversary necessitates providing updated information and added events, particularly in Monterey, where it will be an emotional and memorable experience for all attendees.

In order for the committee to make definite plans, it is imperative that early commitments (headcount) be made by all of you, planning to attend this reunion. In this regards, in order to obtain sufficient lead time, the deadline for registration, is being advanced to August 1, 1991. Please, indicate your commitment to attend by filling out the attached "REGISTRATION FORM" and return, with remittance, at your earliest convenient. Your immediate attention and cooperation in this matter will be greatly appreciated.

Today's Defense Language Institute is the living legacy of the men who established the Army's first large-scale language training program in the early days of World War II.

These men includes among others Colonel John Weckerling, Colonel Kai Rasmussen, Colonel Joseph Dickey, John Aiso and his Nisei faculty and the Yankee Samurai graduates of MISLS. By the authority of Department of Army, these founders of MIS/DLI will be honored on November 1, 1991, with full Troop formation, 7th Infantry Band, Color Guard, wreath laying for the MIS fallen with taps and commemorating speakers at Soldiers Field, Presidio of Monterey.

The Commandant of DLI is approaching General Norman Schwarzkopf, as a former student in German at DLI, as the principal speaker for the DLI Dinner on Friday, November 1, 1991. All registrants to this reunion will receive personal invitation from DLI, tickets and reservation information. It will be a coat and tie affair.

The MIS/DLI 50th Anniversary on November 1, 1991, in Monterey, will be a major event in the history of Japanese Americans and the "Nisei Soldiers".

As incentive, the extra ticket is for the seller. Please help sell them. If you need more, let us know. The income from this source will enhance our reunion and, in turn, be returned to you, in kind, by helping defray many overhead expenses. Be sure the money for the raffle ticket accompanies the stubs.

We have contracted with "REUNION INC" to photograph and record the events of our reunion in a form of MEMORY BOOK. Their photographer will cover the events and will ask every reunion members and their guests to stop by, at their booth set-up in the Hotel lobby, to have their photograph taken. There is no charge or obligation. If you wish to purchase the MEMORY BOOK the price is only \$12.00. Necessary information will be furnished to you by the company through individual mail.

Make a point to attend. The celebration is about you who served in the Pacific nearly fifty years ago. After all these years, to many, it may mean the last major get-together. November 1, 1991 is a significant date, and we all should make every effort to attend.

Sincerely,

Tom Sakamoto
