Chinese soldiers advance through bush, take battle positions as Japanese planes attack.

Gen. Merrill and Chinese staff man, talk with Col. Hunter and Col. J.E. McCannon, executive officer for Galahad Project; they discuss map on ground.

Medics transport and care for wounded Japanese who is questioned by officers; dead Japanese soldiers on ground; unidentifiable planes overhead.

Gen. Joseph W. Stilwell greets Colonels Hunter and McCannon; engineers repair landing strip with rollers; nose of C-47 "Uncle Joe's Chariot."

Generals Stilwell and Merrill meet and then join others.

Burning C-47; jeep tows another badly damaged C-47; PAN camp; dead bodies covered on ground; camp activities; tethered horses; PAN damaged Japanese bomber; men examine wreckage; P-40 lands, taxis and pilot gets out; PAN field hospital, Burmese nurses and wounded soldiers; doctor treats and operates on men; British antiaircraft crew prepares ground for installation of gun; crew sweeps sky with gun.

Doctors and Burmese nurses scrub up in field hospital; nurses prepare surgical equipment; PAN hospital activity.

Men unload C-47, supplies in BG; PAN area; P-40 takes off; AIR-TO-AIR: P-51's of 311th Fighter-Bomber Group strafe and bomb in distance.

Antiaircraft gunner demonstrates and discusses gun.

(continued on next card)

Chinese deplane from C-47; C-47 drops sacks of rice as another passes overhead; another taxis; PAN field activity; C-47 paratroops supplies.

AIR-TO-AIR: planes strafe and bomb smoking target.

Soldier eats rations beside pack mule; soldiers (Merrill's Marauders) in front of C-47, loading mules; P-51 taxis; C-47 parked nearby; P-40's taxi.

Fighter plane flies over; American women and son who escaped the attack on Myitkyina sit in camp; officers question them; fighter planes make passes at edge of field.

Liaison pilot and air control radio officer discuss map and photo-reconnaissance strip of Myitkyina area; officer talks on radio.

Burmese temple, Japanese hideout; camera plane fires; Myitkyina; fighter planes attack Japanese positions along Irrawaddy River; (scenes shaky); bombs explode on air base.

Smoking target, plane making low pass beyond airfield; Americans drive captured Japanese truck on field; troops deplane from C-47; C-47's land and fly over field; medics carry wounded soldier on stretcher to C-47.

Tingkawh, Sakan, Burma: Brig. Gen. John F. Egan, commanding 5320th American Defense Wing (P), and Gen. Old converse under wing of plane; PAN P-40's warm up, "Anne" in FG; C-47 flies overhead; parked P-40's, PAN to end of runway as two P-40's circle field during alert.

AIR-TO-AIR: Liaison plane, seen from inside another L-plane.

Explosions near Irrawaddy River; surrounding area, Liaison plane lands on strip; MOVING SHOT: airstrip as camera plane lands and taxis; airstrip, surrounding area, troops, parked L-5.

We consider this from President

64th Unit #3

GEN FRANK D MERRILL'S US MARAUDERS, BURMA;
30 April 1944

In a jungle village a soldier removes parachute which is snagged on the roof of a supply hut. The soldier carries a damaged chute to clearing, drops it near other chutes. Soldiers stand in bg.

Soldiers lead pack mules across stream.

Carrying a wounded man on litter.

At Ritpond underneath a hospital tent, plasma is administered to the wounded.

A soldier sets up an 81mm mortar near Tingkrukawang.

A 60mm mortar is fired from clearing.

In a trench 30 yds from the enemy, a few troops fire a BAR, a rifle grenade.

Soldier fires carbine, then snaps his fingers and points.

Soldiers look at Jap saber, ammo and other articles.

In the dense jungle Chinese litter bearers evacuate man hit by MG fire. A grave is dug for one of the two men killed.

SKIP

~~REPORT FROM THE ALEUTIANS.~~ Signal Corps. Made by Twentieth Century-Fox Film Corp. 1943.

45 min., sd., col., 16mm (MISC. FILM NO. 1006)

Working title: ALASKA - 1942; also identified as Army Air Forces Training Film AF-114; production case file available; Technicolor.

DOCUMENTARY: On the strategic significance of the Aleutians in crippling the Japanese offensive and the daily activities of Army and Army Air Forces personnel on isolated Adak Island. Recounts victories at Midway and Dutch Harbor and shows strong air, ground and naval defenses on Adak. Explains role of the island as a base for air attacks on Japanese installations on nearby Kiska Island. Depicts logistical support, troop arrivals and informal military life. An airfield is constructed in eleven days on a drained lagoon. Casualties are

removed from a plane downed by enemy antiaircraft fire and outdoor memorial services are held for the victims. The island prepares for a returning mission, greets squadron and takes time to relax and sing. Photographers, meteorologists and others plan for the next mission. Illustrates a typical Sunday of morning religious services and an afternoon bombing run; each step of the mission is shown in detail: preparations, B-25's taking off and flying towards Kiska, the actual bombing and the return to Adak after successful hits are made.
