ORDER TO REPORT FOR INDUCTION

The President of the United States,

To Hajime Jim Akutsu
(First name) (Middle name) (Last name)

Order No. S 2875

GREETING:

Having submitted yourself to a local board composed of your neighbors for the purpose of determining your availability for training and service in the land or naval forces of the United States, you are hereby notified that you have now been selected for training and service therein.

You will, therefore, report to the local board named above at Provincial Hospital, Hunt
(Place of reporting)

at 1 P m., on the 21 day of May, 1944
(Hour of reporting)

This local board will furnish transportation to an induction station. You will there be examined, and, if accepted for training and service, you will then be inducted into the land or naval forces.

Persons reporting to the induction station in some instances may be rejected for physical or other reasons. It is well to keep this in mind in arranging your affairs, to prevent any undue hardship if you are rejected at the induction station. If you are employed, you should advise your employer of this notice and of the possibility that you may not be accepted at the induction station. Your employer can then be prepared to replace you if you are accepted, or to continue your employment if you are rejected.

Willful failure to report promptly to this local board at the hour and on the day named in this notice is a violation of the Selective Training and Service Act of 1940, as amended, and subjects the violator to fine and imprisonment.

If you are so far removed from your own local board that reporting in compliance with this order will be a serious hardship and you desire to report to a local board in the area of which you are now located, go immediately to that local board and make written request for transfer of your delivery for induction, taking this order with you.

J. Alexander
Member or clerk of the local board.

Notice of right to appeal

Appeal from classification by local board must be made within 10 days after the mailing of this notice. You may file a written notice of appeal with the local board, or you may go to the office of the local board and sign appeal form on back of Selective Service Questionnaire (Form 40).

Within the same 10-day period you may file a written request for personal appearance before the local board. If this is done, the time in which you may appeal is extended to 10 days from the date of mailing of a new Notice of Classification (Form 57) after such personal appearance.

If you are the first person to take an appeal and such appeal is based on occupational grounds, you may, in accordance with Selective Service regulations, request transfer of the case to the board of appeal having jurisdiction over the area where you work.

If an appeal has been taken and you are classified by the board of appeal in either Class I-A, I-A-O, or IV-F and one or more members of the board of appeal dissent from such classification, you may file appeal to the President with your local board within 10 days after the mailing of notice of such classification.

For advice, see your Government appeal agent.

The law requires you: (1) To keep in touch with your local board; (2) to notify it of any change of address; (3) to notify it of any fact which might change your classification; (4) to comply with the instructions on the notice of classification part of this form.
