Dear Loni,

8/86

What a pleasure to be with you! Ever since the Hawaii Film Festival I had been hoping that time would place us in the same spot simultaneously.

I am gratified that my wish materialized sooner, not later.

You are a woman of unlimited power and immense kindness. The clarity and rationality and humaneness of your perspective propels the world forward towards universal peace and fulfillment for each individual.

We were all moved by your words on the luncheon panel for filmmakers. I look forward with a smile to when we meet again.

With affection

April

P.S. Thanks for the recorded message - I was calling as I wanted to take you to the airport.
