PETITION

We, the undersigned residents of Seattle, living in close proximity to Dr. Donald E. Stafford, [redacted] Seattle, having learned from responsible sources that he has sold or is about to sell his said residence to some one other than a member of the Caucasian race, do earnestly petition and request said Dr. Stafford to refrain from selling his said residence to any one, except to a member of the Caucasian race; and in the event a sale to someone else has been irrevocably consummated, that the seller and buyer agree to cancel and annul same.

This petition is made in the firm belief that any sale of Laurelhurst real estate to any one other than a member of the Caucasian race will greatly depreciate the value of property in and around the Laurelhurst district, also that such buyer cannot be absorbed by the residents of Laurelhurst, and if such sale is permitted to stand, it will be an injustice, not only to Laurelhurst, but to the buyer as well.
