KNIFE-WIELDER THREATENS D.H. 16 COOKS

Charged with brandishing a butcher knife and threatening the cooks at D.H. 16 during the special dinner on Thanksgiving Day, Noboru Hashimoto, 21-year-old kibel, was taken Monday, in the custody of Capt. Clarence Lee, to the Jerome County Jail at Jerome to stand trial.

Hashimoto, who lives at 16-10-B, was said to have been under the influence of liquor when he created the disturbances in D.H. 16, according to the complaint filed with the Internal Security division by a resident of the block.

The young kibel first had his dinner at D.H. 14 from where he was ejected when he persisted, despite warnings, in heckling and booing a Mr. Mori who was making an announcement.

539 STILL UNPAID, TO GET SEPT. PAY

Five hundred thirty-nine workers, still unpaid, will receive their September pay soon after December first, Clarence H. Hurst, fiscal accountant, disclosed this week.

Of this amount, 226 are mining hall workers, 200 are housing and campment workers, 173 are motor pool workers and 46 are block managers.

Sewerage Will Be Completed By Mid-December

Long delayed by the lack of material, Hunt's sewerage disposal plant will be completed by December 15, according to an announcement by the United States Engineers. The disposal plant, located west of Blk. 21, will be of the purifying type with a chlorine solution changing solid matter into liquid form so that pipe lines can dispose it outside the center.

Payments to these people have not been made "due to a delay in receiving the necessary checks and check copies" by the Disburse-

ment Office in Portland, according to a letter received by Project Director Harry L. Stafford from A. O. Wahlers of the Treasury Disbursement Office. The letter further said: "However, it now appears reasonably certain that we will have the necessary additional stock to enable us to make payment soon after December first."

NEW LEAVE SECTION FORMED: 30-DAY FURLOUGHS ABOLISHED

All permits to leave the relocation area, whether of temporary or indefinite duration, must hereafter be secured through the new leave section established this week as a sub-division of the Employment Division, according to announcement Monday by Placement Officer Harold James.

Simultaneously, James announced that short term leaves, or 30-day furloughs, will not be granted hereafter in compliance with latest instructions from WRA regional headquarters in San Francisco. This will not apply to harvest work, it was explained.

The new leave section, which will have its quarters in the recreation hall across from the administration building, will be headed by Ray Yamamoto who will assume the title of Supervisor of Furloughs. Heretofore, he was administrative assistant to Philip Schafer in

charge of the furlough section.

The same procedures as have been used so far must still be followed by those wishing to secure permits to leave the relocation area, James said.

Regarding the short term leave, James pointed out that Administrative Instructions No. 22, revised, reads as follows:

"A short term leave is not intended to permit an evacuee to accept employment outside the relocation area, and shall not

3 More Couples Swell Newlywed Population Here

Three more couples joined Hunt's growing newlywed population as two couples were married in Twin Falls and one couple was wed in the project last week.

Miyoko Kanomitsu, 17-6-B, was wed to Yoshio Yamura, who left for Spokane, in Twin Falls Nov. 22, Hana Kikoshima was married to Hank Mano in Twin Falls Nov. 24. Both left for Quincy, Wash. The third marriage was that of Sachiko Ochi and the Rev. Kodaira who exchanged nuptial vows in the project Nov. 26.

XMAS TREE DECORATION CONTEST SET

With George L. Townsend, chief of community services, assuring colonists of Christmas trees for each dining hall, school-room, church hall and hospital ward, the decoration committee for the community-wide Christmas program will sponsor a contest to see which block will turn out the best decorated tree.

The tree decorations will be left up entirely to the ingenuity of the block residents, Mrs. S. G. Kashiwagi, chairman of the decoration committee, said. She stressed decorations must be made by colonists themselves.

Prizes and judges for the contest will be announced later.

Mrs. Kashiwagi also announced that crepe paper and tinsel will be distributed soon to each block for decorating their dining halls.

Plans for a Christmas banquet are now being formulated by Leon Krumonacker, chief steward.

SHORT TERM LEAVE DEFINED

(cont'd. from Pg. 1)

be issued in anticipation of the granting by the Director of an indefinite leave. A short term leave may be issued to permit evacuee merely to look for employment."

ADULT CLASSES READY TO START

Schedule Based On Survey Returns

Hunt's Adult Education program took a forward step early this week as the returns of the survey were compiled and class schedules made out.

Incomplete results of the survey showed that 75 students registered for needlecraft, 59 for bookkeeping, 144 for Americanization, 87 for flower arrangement, 101 for shorthand, and 83 for typing.

New Forms For Clearance Thru Wash. Available

New forms for leave clearance through Washington, D.C. are now available at the Placement Office in Blk. 22 for anyone, citizen, alien or paroled alien, who desires to leave the project for relocation, George Yamauchi, head of the outside employment division, said Tuesday.

Those who have applied for clearance on the old WRA Form 71 will not be required to make a new application. As a job is not a prerequisite for application anyone may sign up.

In addition, persons who have plans for working as farm laborers next spring or summer must apply for clearance on WRA Form 126.

To prevent confusion and delay at the time of departure, workers are advised to apply now.

Goto Is Chairman Of Talent Revue

Chairman for Hunt's pre-Christmas talent revue will be Tatsumi Goto.

With the needlecraft class already under way, bookkeeping and Americanization classes are scheduled to begin during this week. The advanced Americanization class, with Orby D. Cole as instructor, is slated to meet Tuesdays and Thursdays from 6:30 to 7:30 p.m. in 25-5-E & F.

Other classes such as sewing, drafting and designing, and cooking are included in the curriculum but will not begin as yet due to lack of equipment and other difficulties.

Yoricki Nakagawa will conduct the American History and Government class every Wednesday and Friday night in Blk. 23-9-E & F. U. S. History will be taught from 7:30 to 8 p.m. and American Government and Constitution will be taught from 8:30 to 9:30 p.m. Starting Dec. 7, a class will be held in Blk. 32 on Tuesday and Thursday nights.

J. Fogarty, Adult Education head, said all classes will be held in Blk. 10 and 32 elementary school rooms and in the high school in the afternoons and evenings.

Knife-Wielder Lodged In County Jail

(cont'd. from Pg. 1)

Then he proceeded to D.H. 16 where he was told that residents of that block had to show tickets, issued the preceding day, in order to be admitted. He was further told that his share of the turkey dinner had been taken to his home by a member of his family.

Nevertheless, Hashimoto, now angry, went in the dining hall, picked up a dish and threw it at the dishwashers. He then sauntered out but came right back

in with a ready-to-fight-anybody pose.

He made his way into the kitchen when he slipped and fell, his hand going into the soup pot. He then picked up two butcher knives which were laying on the kitchen table and hurled one wildly toward the cooks but it hit the ladles and spoons hanging over the table and caused no damage.

Three residents of the block, two of them nisei, forcibly ejected him from

the dining hall.

Internal Security wardens who had been notified arrived soon thereafter and took the Iribi youth in custody.

Records of the Internal Security division show that Hashimoto, last July in Area D in Camp Harmony, had been lodged in the Pierce County jail for a similar offense. At that time he had also taken a knife and threatened a cook who had told Hashimoto not to take too many matches from the kitchen.

Schedule Of Free Movies For Remainder Of Week Announced

The schedule for the free movies being provided by the Community Enterprise and Community Recreation Divisions for the balance of the week will be the following:

Public Invited To General JACL Discussion At D.K. 24

Aid Given On Tax, Insurance Matters

Colonists having insurance problems should contact Elmer Y. Nishimoto in the Legal Aid Office and those with any tax problems should get in touch with Frank Kinomoto in 574-G, the Legal Aid Office advised Monday.

Nishimoto was connected with the Sun Life Assurance Co. of Canada for 17 years while Kinomoto was with the Washington State Tax Commission for several years.

Kinomoto will handle all tax problems including personal, real, social, security, income, and corporation taxes.

SIREN READY SOON TO INDICATE TIME FOR RESIDENTS

The proposed time signal which is to be located in the hospital boiler room will be installed as soon as the boiler is completed by the contractors.

When established, a series of steam whistles will denote the time for the entire camp.

GRID GAMES DELAYED

Due to inclement weather, all six-man football games scheduled for last Saturday were postponed till December 5. Time and place remain unchanged.

The mid-week spotlight generally enjoyed by the Forum will be taken over by the JACL meeting in D.H. 24 at 7 p.m. Wednesday.

James Sakamoto and Milton Macada, Hunt's representatives to the special JACL conference in Salt Lake City which ended last week, will give an unofficial report of the meeting.

Following the reports the meeting will be opened up for general discussion in which non-JACL members as well as members may participate.

All interested were urged to attend.

NEW APPEAL MADE FOR COAL WORKERS

Since the present coal crews are still inadequate for the unloading of the incoming coal each day, further appeals are being made for volunteer workers from each block to assist the regular swamper so that the boxcars may be released back to the mines as quickly as possible.

The average arrival daily is between 10 to 15 carloads of coal.

Students Vote This Week On Names For Blocks 10, 32 Elementary Schools

Hunt's elementary schools in Blks. 10 and 32 will be named early next week as students will vote on the seven remaining names during this week, Mildred E. Bennett, elementary school principal, announced Tuesday.

COUPLE FOUND AFTER BEING LOST 20 HOURS

After being lost for 20 hours, 2 greasewood seekers, K. Kurahara and C. Sakonashi of Block 3, were found by a searching party of 20 men, 17 miles from Hunt in the surrounding sagebrush country.

When they failed to return for supper on Tuesday November 24, anxious relatives notified the Internal Security wardens who immediately organized the searching party. After eight hours of searching, they were finally found Wednesday morning huddled close to a fire in a rock shelter.

Colonists Offered Higher Math Course

An advanced mathematics course for the Adult Education curriculum will be established if enough interested persons apply for the subject, J. Fogarty, adult education head, announced this week.

Advanced algebra, trigonometry, differential and integral calculus and differential equations will be taught. Robert Yamasaki, University of Washington aeronautical engineering student, will teach the course, Light said.

Application forms and additional information may be had from Fogarty whose offices are in Rec. 23.

Co-op Meets Fri.

The Co-op's 70 block representatives will meet at 7:30 p.m. Friday in Rec. 22 at which time the Articles of Incorporation of Consumers' Enterprises will be submitted for their approval by the Temporary Board of Directors.

In Blk. 10, the names "Mountain View", "Sage Side", and Bennett's Grammar" will be up for voting. "Sun Valley", "Minidoka Grammar", "Victory School", "Snake Valley" and "Stafford School" will be voted on in the Blk. 32 school.

HERE and THERE

• with max morinaga

We read with great interest a brief AP dispatch the other day, reporting the arrival from Honolulu of a contingent of Hawaiian-Japanese evacuees at the Jerome relocation center in Arkansas. Included in the group, composed largely of women and elderly people, were aliens as well as island-born Japanese, numbering 107 in all. This, as we understand it, is but the first of a series of contingents to be evacuated from sunny tropical Hawaii to the cold vast mainland.

Tears flow copiously when a vessel departs the port of Honolulu. Even so cynical a novelist as Somerset Maugham, after a brief visit, was visibly moved as his ship started to pull out of the harbor.

We remember the face of President Roosevelt on the day he left Honolulu aboard a warship after a few days' visit in the summer of 1934. Thousands were gathered at the pier. The band was playing lively nautical tunes, and FDR was smiling and waving his hat from the deck of the warship. Pretty soon, as the cruiser began to steam out of the harbor and the band began playing Aloha Oe, FDR's smile vanished and a thoughtful expression took its place and it was plain to be seen that he was feeling the sadness of taking leave of blue Hawaii.

At a friend's apartment the other evening, we heard the complete phonograph recording of Beethoven's Symphony No. 7. So long as we can listen to Beethoven and Brahms and Franck and Puccini, we don't mind at all if a dust bowl turns into a duck pond! Such is the influence of great music on our simple souls.

One night, more from curiosity than anything else, we attended a meeting of the drama club. Anybody who wants to cultivate a fine speaking voice should attend the drama club weekly sessions.

MALNUTRITION COMMON IN JAPAN, DR. McSPARRAN NOTES

"A great deal of malnutrition, especially among the low economic class, exists in Japan--infantile rickets and beri-beri being very common ailments."

"Since the Pacific war, food has been rationed in Japan but some of the pressure has been relieved by the importation of food from the occupied territories."

These and other observations were made by Dr. Joseph L. McSparran, who practiced medicine in Japan for the past quarter of a century, at an informal discussion held Sunday evening at the project hospital.

Dr. McSparran is presently connected with the WRA Health Division.

He reported that the status of women has improved in Japan, with women very active in the industries and various professions--more so than in the United States.

Dr. McSparran declared that 24 of the 25 years he spent in Japan were pleasant and ideal, but the last year of his stay was far from pleasant.

Because he was also medical advisor to the Ameri-

can and British consulates and suspected of possessing some knowledge of military value, he was held in solitary confinement for six months and nine days at Yokohama.

He said that the treatment he received during that period was "neither comfortable nor easy to endure."

He left Tokio last June 25 and after stopping for a few days at Hongkong, Saigon and Singapore, he boarded the exchange ship Gripsholm at Mozambique, East Africa, and arrived in New York August 22.

Dr. McSparran left for the Central Utah Relocation center at Delta, Tuesday.

Legal Aid Handles 3 HUNT GIRLS Property Problems LEAVE TO WED MEN IN ARMY

Colonists having property problems should take advantage of the services offered by the WRA Evacuee Property Supervisor's Office through the Legal Aid Office, Clarence Arai, legal aid officer, advised residents this week.

Any unsettled property disposal matters or settlement of pending negotiations will be undertaken by the Property Supervisor's office should the evacuee desire its services, Arai said.

Two government employees who have had experiences in this field are in charge of the Property Supervisor's office located in the Stuart Bldg. in Seattle.

Indefinite leaves have been granted to Frances Namba who went to Ft. Harrison, Indiana to marry her fiancé; Ham Matsushita who left for Ft. Harrison to wed Pvt. Joseph H. Katagiri, Sumi Matsushita, sister to Ham, left to marry Pvt. John Murakami at Ft. Warren, Wyo., Ronald Shiozaki, head of the Leave Section, reported this week.

In addition five persons; Rosemary Koga, Mary Miyachi, Mr. and Mrs. Arthur Sasaki, and Eva Toshiyo Tsukamoto, formerly granted 30-day furloughs, have been allowed indefinite leaves.

BEAUTY SHOP WILL STAY OPEN

Disclaiming any intention of closing the newly opened beauty shop, the Cop's Board of Directors issued official denial at its meeting last Wednesday.

The charge, made in the

November 14 issue of the Irrigator, was refuted by the Board which requested John Essene, associate Supt. of Community Enterprises, to ask the Irrigator to present their stand.

2 Pre-Christmas Songfests To Be Offered Friday

Two Pre-Christmas community singing affairs, sponsored by Community Activities, have been set for Friday.

Waka Hoshizuki, accompanied by Hoshio Yamada, will be chairman for the songfest in Rec. 13, and the song leader for the program in Rec. 29 will be Mike Hagivara, accompanied by Miye Hata.

Two Public Dances Announced For Sat.

Two public dances were announced for Saturday by the Community Activities this week. The shindigs will be held in D.H. 7 and 40, with both beginning at 7:30 p.m.

George Okada, entertainment supervisor, requested all terpsichoreans to be prompt in getting on the floor.

IMPOUND PRIVATE CARS, LEE ORDERS

Privately-owned automobiles kept and operated on the project will be "temporarily impounded" immediately, Capt. Clarence D. Lee, Internal Security Officer, said Tuesday. Lee gave as a reason that the administration did not deem the possession of autos "fair and equitable as it has the effect of penalizing those who made early disposition of their cars" at the suggestion of the WRA.

GR Inter-Club Will Hold Meetings Last Saturday Each Month

The Girl Reserves Inter-Club, at their meeting Saturday, decided to hold their monthly sessions on the last Saturday of each month.

Weekly sectional Girl Reserves meeting will be held on the following days, Tuesday - Sec. I-II, IV, V, VI; Friday - Sec. VII.

Section III G.R.'s will meet first and third Thursday of each month.

Song Books Donated To Minidoka Choir

Fifty copies of "Handel's Messiah" have been donated to the Minidoka mass choir by the Inter-Mount. in Congregational Church, through their superintendent, the Rev. Harry T. Johnson.

The song books will be used by the choir for their Christmas Concert.

A meeting of the Business and Industrial Girls of Sec. IV. will be held in Rec. 26 from 6:30 p.m. Friday.

Administration sources stressed the need for gasoline and tire conservation and the "necessity for control of this additional traffic" and urged that such cars be placed in storage off the project or sold immediately.

"The government needs your car and is prepared to pay you the current price," the administration said. "Why not make this disposal of your car as a patriotic duty and a contribution to the war-effort?"

Captain Lee said his wardens had been instructed to impound "immediately" all such cars.
