Draft Charge Of 26 Tuleans Dismissed

Judge Rules Internees Not Accorded Due Process of Law

EUREKA, Calif.—An indictment charging 26 Japanese Americans of the Tule Lake segregation center with Selective Service Act violations was dismissed today by U. S. District Judge Louis E. Goodman, who ruled that an internee was not accorded due process of law, according to an Associated Press report in the July 23 edition of the Los Angeles Times.

Ruling in one case, Goodman said that the internee was in custody under a Presidential citation and "is under the circumstance not a free agent nor is any plea he may make free of voluntary, and hence he is not accorded due process in this very proceeding."

"It is shocking to the conscience that an American citizen be confined on the ground of disloyalty and then, while so under duress and restraint, be compelled to serve in the armed forces or prosecuted for not yielding to such compulsion," Goodman ruled.

The judge said that "whether an internee's confinement under the Presidential order is lawful or not is beside the question."

"The issue raised by this action is without precedent," the decision pointed out. "It must be resolved in the light of the traditional and historic Anglo-American approach to the time-honored doctrine of due process. It must not give way to overzealousness in any attempt to reach via the criminal process those whom we may regard as undesirable citizens."

Assistant U. S. District Attorney Emmett Seawell, entered an objection to the decision, keeping open the way for an appeal.

The outgoing number of Board members to be replaced are as follows:

On Thursday, July 27, the delegate members of each section are requested to meet at the dining halls in their section to elect the section chairman and the secretary who are to serve as the election committee. It was learned that the names of section chairmen and secretaries must be submitted to the office of the executive secretary not later than July 29.

Eliminate Run-Off Election

Monday, August 7 is the date for the election of Community Council for the coming six-month term. Judging from the past election, it seems advisable to eliminate the run-off election and seat the councilmen according to the votes received by the seven highest candidates in the general election.

Article IV, Section 6 of the Code of Organization stipulates that the run-off election shall be held in the event that all seven positions of the council were not filled in the general election. The candidates, as it stands now, are not elected unless he receives over one-half of the total number of votes cast by the qualified electors of the community in the general election.

When the last election of councilmen was held in February, only two candidates received majority votes and were elected. A run-off election was held a week later to fill the remaining five positions.

It must be pointed out that the result of the run-off election was practically the same as the general election. However, interest

of the residents in the election died down as indicated by the drop in the number of votes cast in the second election.

The Charter should be amended to do away with the run-off election and determine the election on the basis of seven highest votes received by the candidates in the general election.

The Charter can be amended by a joint resolution of the Community Council and the Block Commissioners. Although the election is only a week away, there is still time to amend the Charter to eliminate the necessity of a run-off election.

Rumors Again

Two current laundry room stories have it (1) that this center will be closed next month, and (2) that the announcement of war casualties is being held up for obvious reasons.

The topic which receives much comment at any time is this story about the closing of the centers. Since the establishment of the W.R.A., only one center has been closed, that being the Jerome center in Arkansas. Dillon S. Myer, national director, has reiterated time and again that the centers will not be closed as long as there is necessity for their operation.

The up-to-date version of the old topic is that Rohwer and Minidoka centers will be closed. In his teletype to Rohwer residents, Mr. Myer has assured them that "there is no decision at this time to close Rohwer or any other center in September or at any other definite date."

The other rumor concerns a very serious charge that the War department telegrams are being held up "on the hill" to avoid releasing heavy casualty lists at one time.

Here again, the story is like a sieve and holds no water. The War department notifications are delivered to the addressee as soon as they are received at the local telegraph office. And the War department notifies only the next of kin as designated by the servicemen when he enters the service.

Rumor is a game which at least two persons must play to keep the game alive—next to tell the story and the other to listen. Next time when someone starts to say "I heard that..." just ask him for the source of the story.

Across the fields of yesterday
His footsteps come to me,
A little lad just back from play—
The lad I used to be.

And yet he smiles so wistfully
Once he has crept within,
I wonder if he hopes to see
The man I might have been.
Thomas S. Jones, Jr.

We "lifted" that little rhyme from a magazine quite a while ago... always have carried it around in the corner of our mind, though... sort of holders the walls of our resistance when Satan beckons... always, well, most always prompts us to say, "Get thee behind us, Satan!", although it doesn't work all the time. We sometimes wonder, though, what it would be like to take stock of ourselves, say ten... twenty years from now? Would we find that successful person on "easy street" that we hope to find... or would we find a person whose lofty aims in life have been tossed casually to the four winds... a person entangled in the throes of failure? It wouldn't be any great surprise, we think, if the latter were true in many cases for it's a simple matter to let things slide by... especially in camp. And yet, what excuse could any of us offer for failing? We were all born to be equals... two arms, two legs, ears to hear with, eyes to see with, a healthy body, and certainly an equal amount of "noodles." No success is merely a matter of the extent to which each individual applies his natural abilities...

We wonder... bet it's lots of fun to hold a reunion of our closest pals some day in the distant future to determine exactly how far we've progressed since center days... reminisce about jolly old bygone days... days spent in loafing, working.

Reunion... say, how about a get-together here, in camp? Naturally, it'd be closed down and everything, but I wonder what it would be like to make the rounds of our old-time haunts... go in to the office... recalling those "deadlines" that existed in name only (namely the "Minidoka Interlude" and the "Memoirs")... go in to the softball fields and recalling the days when we rooted our lungs out for the home team... the numerous petty things that "griped" us... walking to the dining halls and reliving the evenings when moon-struck couples swayed to the smooth music of Miller, Dorsey and others... groping through the cobwebs to the apartment of that extra-special heart-throb that turned out to be a "dud"... and of course, we can't forget the swell fun all the "fellas" had "wolfing" around, and vice versa, methinks...

Overheard a crack about one of the wounded volunteers the other day: "Oh well, he was a 'no-good' anyway—no loss." To persons harboring such an opinion, we can only reply that those soldiers, whether they were banker's sons or drunken loafers are all the same, now... when Uncle Sam opened up the armed forces to us these fellows pushed away their swivel-chairs or loaded dice, as the case may be, and donned the uniform of the United States Army to give their very lives, if need be, for us. Let's make ourselves worthy of their sacrifice...

Speaking of the volunteers, they certainly are receiving a lot of swell publicity! Did you ever see those pictures and collections of news items plastered in the hall at the "ad" building? Say... that brings to mind a little incident that occurred up there a while back.

We were covering our "beat" in the ad building one day when who should "collar" us but an old man in his fifties with fire in his eye, hate on his face and... and... well, anyway, he was plenty sore!

"Hey, looka here! What is say up there? Read!" He was pointing to one of those news items on the wall. It was captioned: "Japs fight Germans in Italy." Oh, we thought, this guy probably can't read, so we pulled out an American Japanese dictionary and tried to explain in our humble fashion, when he stopped us.

"Japs! That funny, huh? They are not Japs... they are American! Somethin' funny huh?" We did our best to convince him that the editors had probably written that headline to catch the eye of potential customers, but we couldn't quite make him see the point. Gosh, what a race-conscious guy, we thought to ourselves... and yet a word of caution to newspapers desiring to capitalize at the expense of the American Japanese battalion would be advisable... j. m.

A report that Pvt. Kozo Hiromura, volunteer son of Mr. and Mrs. K. Hiromura, 23-3-E, was injured on the Italian front on July 5, was received by his parents on Tuesday.

He was hit on the elbow from the sniper bullet, it was said.

Pvt. Hiromura, a 1942 graduate of Washington High School of Portland, Ore., went overseas with the 442nd Combat Team in June this year. He has another brother, Yoji, who is attached to Camp Savage, and brothers Kazuko, who is leaving for active duty on Aug. 4, Minoru and Paul.

Sgt. Mike Hagiwara

Hit through the leg by what he himself terms as a sniper's "lucky shot," was Sgt. Michael Hagiwara, youngest son of Mr. and Mrs. F. C. Hagiwara, 7-12-G. Though the telegram received from the War Department stated that he was seriously wounded on the Fourth of July, in a later letter received from the injured himself, he wrote that the injuries were not as serious as first believed. Sgt. Hagiwara is one of the famed 207 volunteers from Hunt who took training with the 442nd Combat Unit at Camp Shelby, Miss.

A former resident of Alaska, he is a graduate of Ketchikan high school in 1938. Following graduation, he attended the University of Alaska at Fairbanks for three years.

Although the exact date that he left for overseas duty could not be determined, it was believed by his parents that it was early in May. Sgt. Hagiwara is 23 years old and has two older brothers, one of whom, Sgt. Patrick Hagiwara, is with him overseas in Italy.

1st Sgt. Kaz Ohka

A former Portland volunteer, 1st Sgt. Kazuo Ohka, 25, was reported slightly injured in Italy, according to a telegram received here by his mother, Mrs. Y. Ohka of 35-4-F, last Friday.

Volunteering for the Army right after Pearl Harbor, Sgt. Ohka, a '35 graduate of Lincoln High School in Portland was injured on July 3. Prior to his enlistment, he was working in a sawmill in Portland.

Sgt. Ohka has two brothers in the Army; Pvt. Henry, who volunteered for the Combat Team and who is now in Italy, and Pvt. Katsumi, who is in the Enlisted Reserve Corps. Besides the two brothers, he has a sister, Motoko, now relocated in Spokane.

Sgt. William Oda

Untouched during his two week's stay in Africa, 1st Sgt. William Oda, son of Mr. and Mrs. S. Oda, 29-7-F, was slightly injured during the Italian campaign, on July 7, according to a telegram received here.

A Multnomah College, Portland, 1940 grad, the 23-year-old first sergeant was a volunteer in the Air Corps where he finished his basic training. Up to take his finishing course, he was released from the Air Corps when the Pacific war started, after which he was drafted.

He left for overseas duty in May, 1944, from Camp Shelby.

Pfc. Y. Tochiwara

Pfc. Yukio Tochiwara, 21-year-old son of Mr. Kaguro Tochiwara, 15-3-E, was seriously wounded in action on the Italian front on July 4, 1944, according to a telegram received here July 18, 1944.

A '41 graduate of Broadway High School, Seattle, Washington, he volunteered for service in June, 1943, and was stationed at Camp Shelby before being sent overseas in May, 1944.

Pfc. Hideo Yasui

"Regret to inform you that your son, Pfc. Hideo Yasui, was wounded in action on June 26," read the telegram received by his parents, Mr. and Mrs. M. Yasui of Bix, 18-4-A.

Further interviewing revealed that the 24-year-old Pfc. had been a commercial engineering major at the University of Washington, after which he secured a job in Olympia.

His next of kin are his older brother Tatsumi, and his sister, Motoko.

Pvt. Fred Okita

Pvt. Fred Okita, a volunteer from Hunt, received the Purple Heart from injuries received in the Italian campaign, it was learned here. He has already sent the medal to his mother in Cincinnati, Ohio.

In his last letter to a resident here, he mentions that he thinks he will go back to the front as soon as his wounds heal.

Pvt. George Ishida

Mrs. N. Ishida of 37-11-G was informed last Friday by the War Department that her son, Pvt. George J. Ishida, was slightly wounded in the Mediterranean combat area on July 4.

A native of Salem, Oregon, he was working on the family farm before being drafted on March 23, 1942, at Monterey, California.

Pvt. Ishida, 26, was sent overseas in April with the other Camp Shelby Infantrymen.

Besides his mother, he has a brother, Sam, in Weiser, and sister, Matsuye.

Pfc. Saburo Tsuboi

Experiencing overseas action approximately one year after his induction into the armed forces in July of 1943, Pfc. Saburo Tsuboi was wounded in action on the Italian front, according to a wire from the war department. His parents, Mr. and Mrs. Y. Tsuboi, were informed of his injury just twelve days after receiving his latest V-mail letter.

The twenty-one year old Private First Class was sent overseas in March or April of this year after receiving his training at Camp Shelby, Mississippi.

In Fairness to Fellow Americans: Nisei Fight Two Wars: Ours And Private, Writes Soldier

Writing in fairness to fellow Americans, Pfc. Dudley C. Ruish USA, explained the two wars that the nisei has to fight in a letter to the Honolulu Star-Bulletin. He wrote:

"Editor, The Star-Bulletin: Never before have I taken a pen in hand and written to a newspaper editor but 'there comes a time in every man's life,' I suppose. I have been watching with growing disgust the efforts of some misguided politicians in California to create an issue out of the Japanese American problem. I see, now, where the same poisonous thinking is spreading to Colorado, where the Denver Post has always tried to mold public opinion to its way of thinking on any subject, right or wrong.

"Do the newspapers of California print the casualty lists of the Japanese Americans killed or wounded from the city of Honolulu, alone? I think some people would be dumbfounded, if they saw those lists every day, as we do, here. I don't know how the population of Honolulu compares with Denver or Los Angeles, but I would bet that Honolulu suffers more casualties among the Japanese than those two mainland cities do in their whole populations.

"I see what the Japanese Americans in our armed forces are fighting and dying for. They are not only fighting for America but they are fighting for the right of their families to live side by side with the more fortunate ones that have made our nation the great nation it is today. They are fighting for tomorrow. They are fighting to prove they and their families had nothing to do with December 7, 1941.

"They had no axe to grind and a lot of them are giving their lives to prove it. Probably their last thought, as they fall, mortally wounded, far from their homes in Hawaii, are, 'Well, perhaps this will prove we are Americans.'"

"I wonder what the more fortunate ones think as they read the newspapers in some hospital in Africa or Italy."

"I speak only for myself as I write this letter. I don't know what my fellow soldiers think on the subject, as I have never brought the subject into open discussion, but knowing my fellow soldiers as I do, I think they would certainly be against those half-breed schemes of radicals who

have nothing better to do during this war than to sit around thinking of ways and means of persecuting a minority.

I know that immediately after this letter is published, if it should be, loyal sons and daughters of California and Colorado will want to jump on me with both feet. I know what their argument will be. "Why judge the whole state by what a few nitwits do and say?"

I understand that argument perfectly, because it is my argument, too. Why judge a whole race the right and refuse them the right to return to their homes in the western states after the war just because of what a disloyal, small minority of their race has done? No one in this war is persecuting the German Americans and Italian Americans, and there is no reason in the world why they should, so why impose a penalty, after the war, upon the Japanese Americans?

When I meet a Japanese American on the street in the same uniform as my own, I know he is fighting two wars, our war and his own private war for his people against public opinion and racial discrimination. I am sorely tempted to salute him and say, "Thou art a better man than I am, Gunga Din."

I am not of Japanese blood, but I would be proud to have a transfusion from one of those boys on the Italian front.

The War Dept. Regrets To Inform You That...

We still can't quite believe it. Only a couple of weeks ago, we looked at each other and said, "Well, the 442nd is over there. Casualty lists will be coming in any day now..."

up with us... Surely that ought to make a difference. We can talk English... We could fight for ourselves... For every recruit, there's ten battling for us...

But with time, the tight web of emotion inside slowly loosens, and we start to think clearly. However, in spite of ourselves, we find ourselves arguing with ourselves. Senseless, useless, we know. But because it helps a little.

This isn't complete Democracy, not by a long shot... but we're learning... There are one thousand and one things we discussed with our friends in here and hell sessions, things about faith and hope...

At nighttime with the silence heavy in our hands clear thinking suddenly gives way to the other. Okay, so he died. Died for what? Remember that article on minorities? Look what happened to Jim Crow in the last war...

Getting deep, aren't you? Asking yourself a lot of questions nobody can answer... Why don't you get some sleep... You'll find the answers some day, somewhere.

NEW BOOKS At the Library

CLAUDIA and DAVID By Rose Frankan. By this time, a goodly number of book and magazine readers are well aware that Mr. and Mrs. David Naughton are about the most captivating couple to be loving and fighting and worrying its blissful and bouncing way across the literary scene.

In this welcome sequel to Claudia, which was so deservedly successful, Miss Frankan has lost none of her freshness or charm in picturing the many-sided married life of the young architect and his impressionable wife, their surface airiness and their inner strength and conflicts.

This time the two are having a second honeymoon in California, and a heap of trouble finding a Mother's Helper—yes, Bertha has to leave. Claudia's having an 'affair' with Philip Dexter, a fling at spiritualism, and an appendicitis operation; David's having an 'affair' with Mrs. Van Doren; and Bobby's getting skates. They're the sort of incidents that might happen to any couple in the upper stratum of middle class life—there are some inconsistencies in the financial affairs—and you can chuckle and sympathize and have a good time.

the BENCH-WARMER says ... by kell

Being versatile in ball-playing certainly helps in these war-days when it's so hard to find players who can fill the bill adequately. Taking a look at the box score of the recent all-star game, one can easily find proof that being versatile helps. Now just for fun, let's pick out some of the all-stars who competed in the Sunday game and see just how varied their talents are.

Catching for the locals on the Sabbath game was Hank Ito, who is filling in at the catching spot because of the lack of receivers this season. Ito, who is at heart a shortstop, played an admirable game and one can say that his short-stopping is par-excellent too. Another all-star who showed his all-around ability was Suki Hachiya, the big first-sacker. He started the game in the outfield, but when the regular first-sacker retired from the game in the first inning, he slid over and played the rest of the contest at first, and incidentally, he did a fine job. Not only does Hachiya play well in the field, he really swings a potent bat as well.

George "Joker" Shimizu, who played the Sunday game in the outer garden, was the mainstay of the high school pitching staff earlier this year. Pancho Nakashima, the fancy first-sacker, is another all-around player who can pitch as well as cover the initial sack. Over in the legion nine, Hank Matsuba stands out for his all-around playing—he pitches, catches, plays infield and outfield—all equally well. Also, his ability to hit should not be overlooked.

Involving the sultry atmosphere of the local theatres last week was a movie short showing ball-playing in the majors a few years back. Among the many ball-playing celebrities mentioned in the movie on the American league, was Johnny Babich, one-time ace right-hander for the Athletics. Time was when Babich won national fame by beating the famed Bronx Bombers with unerring regularity. Also in the movie was Jimmy Ripple, star of the Cincinnati-Detroit world series in 1940. Ripple, playing for the Reds in that crucial series, was outstanding and literally won the world championship for his club. However, it seems odd to note that just four years later, both of these stars, Babich and Ripple, are now with the Seattle Rainiers in the P.C.L. Baseball is much like any other "play-for-money" game—once you get some bad breaks and hit the down-grade, you're on your way out.

With "King Football" just around the corner, the customary scramble for playing dates is going on in the Pacific Coast collegiate circles. Though other members of its loop are still sitting on the sidelines, the Univ. of Washington is going right ahead with its game scheduling. An eight-game bill is slated for the northwesterners, which includes games against Whitman, Wilamette, U.S.C., California, Fourth Air Force and Second Air Force. The U.S.C.-Washington game ought to be a dandy with the southerners having so many of their Rose Bowl players back for another year of competition. Especially outstanding on its roster of luminaries is Jim Hardy, the lad that passed the evergreen boys dizzy in that classic game. Just what caliber of team the Washington university will have is not yet revealed. Another game which promises to be a "top-notch" battle is that one with the Second Air Force. The game is to be played in Spokane on November 18, and the boys from Colorado Springs, Colorado, will bring up with them Glenn Dobbs, All-American back from Tulsa University, Billy Sewell, Nick Suoeff, and many others.

Hunt Takes Double Bill From Rupert

The draft-depleted ranks of the local all-stars had enough material left in its fold to field a winning team last Sunday at Center field, when they took a 7-5 thriller from the visiting Rupert semi-pros. Hunt baseball fans who have had ample opportunity to see top-sidewind this year, were treated with the first close contest of the local baseball season.

Veteran Nobu Sato, who is scheduled for an army call soon, went the entire route for the hosts and limited the visitors to six hits.

Eden to Play Here

On tab for the baseball calendar this Sunday is a game between the local All-Stars and the Eden Semi-pros. The contest is scheduled to begin promptly at 2:30 p. m. at the central field. According to word received here, the local pitching choice lies between Nobu Sato, who hurled last Sunday's win, and George Iwasaki, former White River righthander.

Meanwhile, the Hunt all-stars got eight off of Marvin Abrams, lanky Rupert righthander, and made the most of them by scoring seven runs. They were aided by some costly boners pulled by Rupert fielders.

The locals started the scoring first in the last half of the second, when Suki Hachiya, who played first base when Pancho Nakashima, regular first-sacker, retired in the first inning in favor of an injured leg, tripped to left field. He scored a moment later, when Mammy lambasted a single to right. The ball got away from the right-fielder, and speedy Mammy streaked to third. He scored later on a fielder's choice.

The visitors retaliated with a single run in the third and the game settled down to a pitchers' battle between the opposing right-handers. However, in the sixth, the Hunt team came to life and tallied two runs. They added three more markers in the seventh.

Sato, who was hurling his first game in more than a year, weakened in the eighth and the batsmen of the opposition clubbed his offerings for four runs. He managed to squeeze out of the jam, however, when Aono, local third-sacker, came up with a fine double play.

Batting stars for the first all-star game were Suki Hachiya, first-sacker, who hit a triple and two singles in four trips, and Sun Tsuji, school-boy shortstop, who waloped two singles in three batting appearances.

The game by innings: R. H. Rupert . . . 001 000 040—5 6 Hunt . . . 020 002 30x—7 8

ALL-STARS WIN AGAIN

Pitching his first game in more than six years, southpaw Shig Urakawa hurled a masterful 5-0, five-hit shutout over the Rupert Semi-pros on Thursday evening at Rupert. Urakawa formerly pitched for the Cadets in Seattle and was touted as one of the outstanding hurlers in that area.

While Urakawa was pitching shut-out ball, the locals clubbed Rupert hurlers, Jarvis and Abrams, for 13 hits. Hitting star for the locals in their second straight triumph over the Rupert nine, was Sun Tsuji, the young 15 year old shortstop who had a perfect day at the plate with four hits. Others who banged out more than one hit were Akiyama, Hachiya and Urakawa.

For the best fielding play of the twilight contest, plaudits should go to the local second-sacker, Tak Akiyama, who made a sensational stop of a sharp line-drive behind second base.

Five Straight Wins Give No-Names Ladder Crown

The powerful No-Names, previous winner of the camp softball crown, became the undisputed champions of softball-playing this week with a convincing 14 to 1 triumph over the second-place T.N.T.'s. With righthander Soejima on the hill again, the No-Names romped to win their fifth straight ladder defense with some hard clouting. In the game played at 33 field last Monday evening, the No-Names pounded the offerings of pitchers, Semba and Natsuhara, for 14 runs and scored in every inning but the sixth.

Meanwhile, Soejima, who formerly toiled for a Portland center outfit, kept the lid on the supposedly hard-hitting T. N. T.'s and allowed them but two hits. The T. N. T.'s scored in the initial inning, but were shut out the rest of the way.

In other ladder contests, the Coal Crew lost a 3-2 thriller to the Jokers and the No-Names Rooks were on the losing end of a wild 22 to 6 trouncing at the hands of the T. N. T.'s.

Junior All-Star Team to be Formed

In preparation for entrance in the Burley Softball Tourney on Aug. 5, for youngsters 15 years of age and under, there will be an all-star game played this Tuesday at Central field starting from 7:00 p. m. between teams of Area A and B.

The purpose of this game is to select the all-Hunt junior all-stars who will compete in Burley, and only boys born after August 5, 1928, are eligible to play.

Tobo Matsuzaki, Area A coordinator, requests that all boys living in Blks. 1 through 19 and who wish to play to sign up at Rec. 12 as soon as possible.

The excellent pitching crops of the opposition, Ken Anderson, speedy righthander; Bob Long, classy southpaw and Phil Burkhardt, all took turns on the mound, but they couldn't quite fool the locals, as they punned their combined offerings for 11 hits and ten runs.

Hunt Stretches Winning Streak To Eight Games

Hunt Batsmen Pummel Twin Falls, Clover Hurlers In League Tilts

Whatever the results of the next few games for the local legion nine, their lead in the American Junior Legion League seemed solidly assured for some time to come when they scored twin victories over Gene Ostrander's fastly improved Twin Falls legion team on Sunday and over the second-place Clover outfit on Wednesday. Hunt's fancy pitching staff continued to toss good baseball and stretched their winning streak to eight straight games. While the locals are making a run-away with the league's lead, the rest of the league teams are in a determined fight to capture second spot.

HUNT TRIMS TWIN FALLS

Hunt Legions vs. Curry at Jaycee Park in Twin Falls.

ver has a few weeks back, 11-1, big Hank Matsuba scored a 15-1 victory over the same outfit in a game played last Wednesday evening at Clover. With a fine crowd witnessing the contest, Matsuba gave a fine pitching exhibition, by allowing only one single and striking out seven Clover batsmen in the abbreviated five-inning game.

The single run for the Clover youths came in the fourth, when Gihring, the left-fielder walked. He stole second and scored as the next batter, Lutz, blasted out a single. Except for that one inning, Matsuba pitched superlative ball.

Section I and II Remain Tied for Circuit Lead in Old Stars League

Section One and Two continued to pace the Old-Stars League with both teams breaking even in the two contests played by each outfit during the past week. Actually however, the Section 2 team should rank on top, since they took a close 13-12 decision from the other co-leader on Saturday evening in what fans termed as one of the best games of the young league.

The Trojans looked well on their way to their third win by tallying six runs in the first frame, but the Sec. 2 old-stars, paced by Arai, Yano and Ashizawa, bounced back in the late innings to hit the offerings of Sammy Sumioka, Trojan hurler, for a close win.

The Sec. 2 oldster's lead was short-lived however, because they were tripped by an under-dog Oriole nine, 16 to 15, on the following evening. Tomorrow night the league will start its second round, and ardent local ball-fans will get ample opportunities to weigh the varied abilities of all the six outfits.
