Dillon Myer Backs Return Of Evacuees to West Coast

About 500 of the 112,000 persons of Japanese ancestry who were evacuated from the west coast in 1942 have been permitted to return to their west coast homes, Dillon S. Myer, W.R.A. director, told the House appropriations subcommittee in Washington recently.

Myer indicated that most of these people were wives of pointed Yoshio Urakawa to fill the Caucasian citizens and their children, and that they were vacancy at their regular meeting, usually American citizens "both by birth and parentage."

tary service.

The national WRA director told the House subcommittee that Japanese American eva-cuees from the west coast should permitted to return to their former homes as soon as military situation warrants.

He told the congressional committee that he knew of no sa-

botage or espionage by west coast residents of Japanese ancestry residents of Japanese ancestry since Pearl Harbor, and that he had found no evidence to indicate that persons of Japanese ancestry had been deliberately placed near strategic military establishments on the west coast by the Japanese

government prior to Pearl Harbor.
"These people were, generally
speaking, settled in those areas before any of those strategical developments came about," Myer veropments came about, Myer answered when asked why per-sons of Japanese ancestry were nearly always found near places of strategical and military import-

Myer stated that of the nearly 22,000 Japanese and Japanese Americans who have relocated, about 20,000 are working—many of them on western farms. For the most part their records have been highly satisfactory and their employ-ers have been well pleased, he add-

New Frontier to Conquer

The commencement speaker left a challenge for the 1944 graduating class of Hunt It is interesting to note that the word high school to meet . . . a challenge in the flag comes from the Anglo-Saxon "fleogan" fields of social and cultural relations.

The builders of our nation faced a frontier filled with forests to be cleared, rivers to cross, cities to build, and means of transportation and communication to be developed. Their's was a geographical frontier to

standing and brotherhood.

The speaker told the members of the in American democracy.

"You young people face a world seething with social unrest and change; a world

Americans will recognize your abilities as a do righteousness." cooperative unit in aiding in solving the problems for a better world for all."

The speaker left a challenge for all of us to meet—a challenge in which we Americans of Japanese ancestry can play a vital role in the realization of a true democracy.

Vacation and Young People

School is out and the students, long chained to books and lessons are storming the Outside Employment Office every day to Outside Employment Office every day to The question of whether we shall treat loyal sign up for jobs "Anything to get me outa citizens of Japanese blood more harshly than those

Employment officers, aware of the danger of such attitudes, are careful to spend time with them and give them a "fair deal."

On the other hand, there are hundreds of young people unable to leave the project for various reasons. For them, the summer,

cial and cultural relations. You

your Caucasian triends. You must also recognize, as part of your duty, the great tasks remaining before you. Many people in America need help and information that only you Americans of Japanese ancestry can give. Yours is an extra obligation to American democracy.

tion to American democracy—if we are to have a better demo-

cracy—to so train yourselves and act that other Americans will recognize your abilities as a cooperative unit in aiding in solv-ing the problems for a better

It will be the duty of the new world, born out of our present age of revolution and struggle, to re-interpret the meaning of the rights

of man, a reinterpretation which must relate these rights to the rights of groups. Justice, law and freedom must be the compass bear-ings upon which we embark upon our exploration of the new social frontier, working intelligently with

all other groups and individuals desirous of a "new birth of free-dom." All of us have the respon-sibility to create the opportunity of growth and expansion for ALL

the human beings who make up a people and who participate in the virtues of a "free" world. Yet, we

must remember that life and li-

ming, ball games, scouting, field trips, sewing and cooking classes are included. Gardening landscaping, dramatics, music, dancing, typing, shorthand, first aid, arts and tournaments are also listed.

Conscious of the danger of youthful energy routed elsewhere, Community Activities, Education division, and the church groups have drawn up the program 'No red tape, no core, no forcing.'

It's the original answer to a prayer and the kids won't let it stand alone.

In a banner-waving mood, we might even say it was what "saved our youth" . . . no telling.

On Flag Day

Flag Day has a greater meaning this year as the Old Glory stands side by side with the flags of Great Britain, Russia and other allied nations in this world crisis. The anticipation of Father's Day and the hustle bustle of Fourth of July has somehow blurred the national holiday on June 14.

meaning to float, to fly, in the wind, and has the same meaning in English, Swedish, Danish German and Dutch.

There was a time when all five nations interpreted the flag as a monarchy, people thrived on it and loved and lived in peace. But modern times has changed one of the Today, in this "age of revolution" we nations to a dictatorship, and forced three find a period of rapid changes in communi- others to bow to its ruling, and left one pocation and transportation, in our social and werful English speaking body standing, but cultural relations one with the other. Today, not alone. First Sgt. Kaz Ohka, whose parand cooperation it our civilized understand ourselves through what life is to continue and advance, we can do—until we solve many of Ancient philisophies and codes governing our actions have been discarded and all but forgotten.

Consider havelidering change and codes are the continued our own individual problems in this age of revolution. IT IS UP TO the last, Shut thee from heaven with a company was the continue and advance, we can do—until we solve many of the last.

Consider havelidering change and codes are the continue and advance, we can do—until we solve many of the last.

Consider havelidering change are the continue and advance, we can do—until we solve many of the last.

Consider havelidering change are the continued of the continue and advance.

Consider have been described as the continue and advance, we can do—until we solve many of the last.

Consider have been described and all but forgotten. ents reside in 35-4-F, writes of his Last Year experiences in a letter published in the Pacific Citizen. He volunteer-ed with the first ROR group and is

stationed now in Italy.

He writes, "I'm at the Anzio beachhead now near the front zones, but it is relatively quiet here. Not like anything the boys have gone through before

"The other night I went up on the line just to look around. Everything was quiet until I started back About half way back I was caught in an artil-lery barrage. I heard the first shell coming and dove headlong into the ditch. I was really scared for a while, for this was the first time that I was caught in the open by artillery. The shell landed about twenty yards

"I started out again; and again, I had to dive into the ditch. I must have gone in and out of the ditch a dozen times before reaching my company. I wasn't so scared after the first shell, but it was quite an experience."
Sgt. Ohka is formerly of Port-

co-operative basis.
"But the crux of the problem is dopted." The Japanese problem has ceased Headed "The Japanese American to be merely a local issue in Cali-Problem," the editorial said, "One fornia; it has become a national of the problems this country must problem. "Felt a lump in my throat after reading T/Sgt. Ben Kuroki's issue of your paper. Impressive, yet we all admire his career as a gunner in a B-24. All of us here face an investment of the control of the all admire his career as a gunner in a B-24. All of us here face an inevitable meeting with the enemy. Whichever our task may be—a test of combat courage and after that the successfulness of our missions—our boys are anxious for a chance to take a crack of the conflicts.

This is quite similar to the application made for the use of the mess halls, and the request for transportation and other supplies must be arranged with the proper divisions. chance to take a crack at the M. Roth Named

"No matter how far away from C. A. Supervisor home, our thoughts and the love for the people we leave behind never seems to fade. True, our primary concentration is the war, but seeing the happy faces of fortunates receiving mail from home, offers a good human interest story in itself. Sisters, friends, and the moments we cherish most will, I hope, inspire us towards victory!

Thanks a million for your letter . . . keep writing and we'll keep fighting!"

Sure, soldier, you bet we will!

make up their minds, they do a good job of it. One of the most stubborn cases exemplified are those in connection with food. Once a child convinces himself that taploca pudding doesn't "look mod".

The United Service Organization of the condition of the conditi a cand convinces himself that tapi-oca pudding doesn't "look good" neither cajolery, threats, nor vio-lence can budge his dislike of it, regardless of the fact that he hasn't even given the poor tapioca pud-ding a chance to redeem itself through trial by taste.

"Johnny, eat your pudding."
"But, I don't like it."

yet"
"I don't like it anyway."

And so based solely on the out-ward appearance of the "lumpy ole, gooey stuff" Johnny condemns tapioca pudding with an irrevo-cability that no amount of reasoning can alter.

Adults, however, are grown up and no longer act with a blind stubbornness characteristic of chil-

And acting with the same reasoning in the matters of the day and the world, adults would never form opinions of other things and other people solely on appearance alone. Familiar with only a person's physical looks, adults would never bear hate toward that person unless justified by further authors in the "Rose City" and was one of the active nisel students there. He active nisel students there. He active nisel students there. He the active nisel students there. He day attended the University of Idaho attended the University

Adults would never judge a person by the color of his hair, the shape of his eyes, or the pigment of his skin, but would accept a person for his merits.

Mexico State College.

He will return to his on June 11.

Mrs. R. A. Pomeroy

In children we call it "being Attends YW Parley stubborn"; in adults, the term might be "prejudice."

Children indulge in stubbornness because they don't know any bet-ter. But adults are grown up; they never indulge in prejudice ... or so we like to think.

Booklet Contains Information for

Copies of a new 12-page booklet containing information of interest to prospective settlers in Cleveland, Ohio, have been received by the Relocation Office here, Joseph Beeson, relocation office, announced this week.

The pamphlet covers a wide range of subject matter, discussing

industry and commerce, housing, cost of living, recreation and church facilities, educational and business opportunities, unions, climate and other aspects of life in a metropolitan area of more than 1,-200 000 people. 200,000 people.

Tak Hiyama Intramural **Sports King**

700 Students Participate In School Athletics

Athletically inclined Tak Hiyama, junior became the first official Hunt High School Intramural Sports Champion of the local high school, according to Morris Roth, physical education director. As a successful year's program was cli-maxed last week, Roth showed that the vast intramural program would work, when managed cor-rectly. More than 700 boys parti-

rectly. More than 700 boys participated in the year around program at Hunt High School for the past school year beginning from last August.

Hiyama had the title clinched with 154, followed by sophomore Ray Mitsudo with 139 points, who claimed second. Sophomore Roy Mukai with 123 tallies finished in third place. Sophomore Henry Kathird place. Sophomore Henry Ka-wata with 120 and graduating jun-ior George Yorita with 119 finish-ed fourth and fifth places respec-

tively.

Twenty-three sports were on the intramural program including team sports as volleyball, soccer, football, broomball, baseball. There were individual sports such as the All-American Football Achievement Contest, All-American Track and Field Achievement Contest, ping-pong, chinning, push-ups, etc. The boys were scored with the first-place winner given ten points, second place winner nine points, third ond place winner nine points, third place winner eight points, and so on down the scale with the last places being given one point for

places being given one point for competing.

Win, lose or draw, the boys learned sportsmanship as it is in actual competition and all who participated in the vast intramural program gained a true knowledge of sportsmanship in the true American fashion. During the nation-wide "Vim for Victory" program the Hunt High School athletes also participated with Roth giving sessions in physical fitness.

Following are the names of the first fifteen place winners who received their intramural letter:

9 Softball Teams Stay In Tourney

Introducing Our Championship Track Team

Track squad, left to right, front row; euchl, William Matsumoto; back row; Frank Kawahara, Herbie Amano, Calvin Machida, Sub Raizo Okazaki, Hank Matsubu, Tak Hiyama, Shiro Imal.

The Hunt High School baseball and track team disbanded last week after a successful season. Despite the limited amount of equipment and other difficulties, the Wolverines really provided lots of sports for the baseball and cinder fans of Minidoka. Morris Roth, physical education director should be thanked for arranging the eight-game schedule for the high school nine. Tak Akiyama, really did a good job of coaching with the Wolverines losing but one game.

Having such a good record, the Hunt High Wolverines can easily claim the unofficial baseball championship of the Magic Valley. What other team beat the Twin Falls Bruins, Jerome Tigers and the Eden Grizzlies without losing a single game?

The track team came through in their only two meets against Eden and Jerome. The Wolverine cindermen upset Eden by the lopsided score of 75-9 and nosed out Jerome,

In the two meets, Jim Morita, Frank Kawahara and Aki Namba scored in the 100 and 220 yard dashes. Tak Hiyama and Jim Yorita led the high jumpers while Hiyama and Ossie Tsuchikawa scored in the broad jump. Mickey Tamiyasu, Hank Matsubu and Morita led the discus throwers and Hiyama and Morita scored in the shot-put. In the long distance runs, William Matsumoto, and Shiro Imai scored in the mile run; Cal Machida and Herbie Amano in the 440 yard run; and Machida and Matsumoto scored in the 880 yard run.

Hunt's relay team composed of George Matsui, Frank Kawahara, Aki Namba and Jim Morita came through in championship

fashion in both the Eden and Jerome meets.

The Wolverines, in their initial game, behind the no-run no-hit pitching of George "Joker" Shimizu, defeated Coach Charles Hawley's Eden Grizzlies, 3-0 in an abbreviat- | gion team here.

ed five-inning affair. With errors proving fatal to the Jerome Tigers, the Wolverines although out-hit, nevertheless came through by winning, 7-4.

In a return game played at Center Field, the Wolverines again defeated the Ti-gers, trouncing them 21-1. Tak Hiyama held the Jeromers hitless for the first three innings although Ray Mitsudo allowed them one run in the last frame. With Shimizu pitching a two-hitter at the Jaycee Park, the Wolverines upset the Bruins, 13-0.

The Wolverines won three out of four games in a series with the All-Stars, a "pickup" team of former high school stars and a few of the Hunt semi-pro team members. Aided by errors the Wolverines won the first two games, 9-4 and 7-3. The Wolverines finally lost their only game to the All-Stars, 11-4 after the high school defense fell apart in the sixth frame after a 3-3 dead-lock. One run proved the margin of victory in the final All-Star-Wolverine tussle with the Wolverines edging out their opponents, 2-1. Shimizu hurled three-hit ball for the high school nine while Edo Sasaki limited the Wolverines to five hits.

Those participating in most of the games Akimoto, Kay Fukuma, Tom Hayashi, Tak Hiyama, Junks Ikeda, Jim Kuga, Hank Mat-subu, Sab Nakahara, Ted Okita, Sho Saka-kibara, Frank Sasaki, Ray Shiiki, George Shimizu, Sub Takeuchi, Dutch Watanabe, Mako Yaguchi and George Yorita.

In the Senior-Undergraduates ballgame played last Saturday, the Seniors landed on the short-end of a 3-2 score as the Undergrads scored their winning run in the last half of

Seven Games Scheduled to be Played On Saturday, Sunday Eves, Weather Permitting

Hindered severly by the unusually wet weather, the Hunt Campwide Elimination Tourney progressed slowly with only three rounds being played. Nine teams remained in the tourney with three teams, the Dog House Gang, Bronx Bombers and the Junior Umbriagos being eliminated

With unfavorable weather cancelling Thursday night games, play will resume in the tourney this evening, weath-

evening's games will begin at 6:30

p. m.
Tomorrow evening games will find the Otees playing the Yannigans, Yogies against the winner of the Cub-Joker game, and the winners of the M. F.-Gas House Gang game and the Ziro-No-Name game playing each other. The losers of these two games will also play each other. The time is 6:30 p. m. but the fields are yet undetermined but will be announced later by the C. A.

RESULTS OF TOURNEY

Second Round
Ziros 13—Dog House Gang 8.
No-Name Rooks 7—Yogies 5.
M. F.'s 14—Cubs 4.
Gas House Gang 3—Jokers 1.

Swimming Pools Planned by C.A.

Return Empty Bottles!

Residents are again reminded to return all empty pop bottles to the canteens. "It has come to a point where the Co-op cannot purchase any more soft drinks due to a shortage of bottles," stated Y. Urakawa, educational director of the Co-on tional director of the Co-op.

er permitting, according to Tom Takeuchi, in charge of the tournament. The M. F.'s will play the Gas House Gang at Field 8, Cubs versus Joker Juniors at Field 43, and the Ziros versus NoName Rooks at Field 13. All of this Yannigans 12—Junior Umbritanning's grows will begin at 6.20 areas 15—Bronx Bombers 3.

Additions Swell

First Round
Dog House Gang 8—Otees 7.
No-Name Rooks 8—Bronx

bers 4.
Cubs 9—Junior Umbriagos 1.
Gas House Gang 9—Yannigans 0.

Three swimming pools will soon be constructed this summer, according to tentative plans released by the Community Activities. Besides the pool up in the warehouse area, the two other pools will be located near Blk. 2 and Blk. 30. These pools will be approximately 150 feet by 300 feet.

Also underway are the planning of wading pools in each section of the project. These pools for the smaller children will be 12 feet wide, 30 feet long, and 12 inches deep.

Residents are again reminded

Third Round
Otees 15—Bronx Bombers 3.
Yannigans 12—Junior Umbriagos 3. Yogies 6-Dog House Gang 2.
