## Bruce clears Confusion on Co-op rebates

MISUNDERSTANDING ARISES FROM REFUNDS

To clear up some of the con-fusion arising out of the declara-tion of patronage refunds by the Manzanar Cooperative Enterpris-es, Inc., the following statement has been prepared by Dr. Wm. J. Bruce, chief of the consumer enterprises division.

J. Bruce, chief of the consumer enterprises division.

The recent ruling from the United States Treasury department, Bureau. of Internal Revenue, permits us to consider the temporary Community Enterprises (May 24 to Sept. 30, 1942) and the Manzanar Cooperative Enterprises as one corporation. Accordingly the earnings of the corporation can now be distributed as patronage rebates. The sales receipts recently collected in each block are the basis upon which this rebate is calculated. PURCHASE TO BE BASIS

Rebates will be distributed for two periods. The first period, May 24 to Sept. 30, 1942, is based upon an estimate of pitronage as revealed in the patronage records for the second quarter, (Oct. 1-Dec. 31, 1942). The exact records of purchases for the second period will be the basis of the patronage rebate for the period Oct. 1-Dec. 31, 1942. Equipped with the authorized WRA plans, which have been approved by the San Francisco and Washington, D.C., offices, the public works division has already put stakes in for the new high school assembly hall which will be located on the firebreak between 7 and 13, disclosed Lucy Adams, director of the community services department and Shit vs. ervices department and Shit. ty services department and Shi-geru Nakanishi, draftsman of the public works division.

As well as being a branch of the American Red Cross, the Manzanar unit is also connected with the Internal group, an-nounced Elizabeth Moxley, act-ing manager of the local unit. Miss Moxley stated that the Unit should be directly in charge of a committee of men and women who are actively interested in the work of the Red Cross, and who are non-sectarian, non-political, and who broadly represent the community.

The services of the Red Cross are important, she added. They are varied and extensive as to demand the voluntary participation of the ablest men and women of the community. FOLLOWS STATEMENT

The War Department's action follows the statement made by Secretary of War Henry L. Stimson last Jan. 28, that plans for the admission-of loyal nisei into the U. S. Army have been completed. Combat unit of American citizens of Japanese ancestry will be formed for active service in a theatre of war.

citizens of Japanese ancestry will be formed for active service in a theatre of war.

All'nisei at the Manzanar project who desire to volunteer for service in the combat unit will have an opportunity to do so while the army representatives are here. Nisei who do not desire to volunteer at this time or who are beyond military age will be considered for jobs in agriculture or industry including jobs in plants producing war materials.

WOMEN TO REGISTER

Included in the WRA registration to be made at the same time will be all females regardless of citizenship who are 17 years of age or over, and all alien Japanese men over 17 years of new or over 17 years of new or over 17 years of persons who have applied for repatriation.

Mr. Rowalt explained that through this general registration the WRA expects to get clearance on a large number of employable persons before they apply for leave and thus be able to speed up the relocation program.

NOT FORCING RELOCATION

"We are not trying to force any person to relocate who does not desire to do so," Mr. Rowalt said, "but there are increasing opportunities for evacuese to get jobs and if we can get a backlog of registrations on which we can be working, we should be able to get clearance for indefinite leave for many people who later will want to relocate."

Final plans for the registration at the Manzanar project will be worked out in conferences between the army team and Project Director Raiph P. Merritt.

### **Build Dormitories** To House Teachers

Foundations are being built for the staff housing of the school teachers on the southeast side of the administration block, according to the public works division.

Plans state that there will be 3 dormitories each 24 feet by 140 feet with 13 single rooms, 1 storage room, 4 kitchen, 1 laundry, 2 latrines, 1 lounge, and a hall.

There will be 14 apartments each to contain 4 family units. The buildings as specified are 20 feet by 94 feet.

'Shigeru Nakanishi of the public works division, said that the formation of the buildings is not like the typical blocks here.

### It's the Principle of the Thing

Calendared for a hearing before the United States Court in Los Angeles early next month is a case which will be of concern to all nisei. The court has granted a writ of habeas corpus in behalf of a nisei and his wife, permitting their case to be heard.

### IN OPPOSITION

The action was filed in behalf of the pair by attorneys for the American Civil Liberties Union, seeking to show that a Presidential order limited authority of military commanders to exclude them from military areas and did not include authority to detain them in relocation centers as well. As opposed to this view are those of Federal attorneys and others who feel that temporary placement of the evacuees in a pro-ject such as this is legal and that in wartime the President has ample power to take steps he deems necessary for the safety of the nation. The evacuation measure is precautionary, one legal authority has stated, and is not punitive.

It is to be recalled that in a somewhat similar case heard by a United States Court in Seattle, similar view was expressed by the judge. And now with the WRA's permanent resettlement program under way, the evacuees can leave the projects to take up jobs in the inland states. The character of this case, in any event, is disposed toward one of settling a principle, rather than to effect an immediate change, for in-

### stance, in the status of the evacuees. FOR DETACHED ANALYSIS

Probably the farthest thing from the minds of most evacwrong" in its decision to evacuate and send us to WRA projects. With the first days of the evacuation now nearly a year past, the evacueof themselves now should be able to analyze with more detached view the whole issue of evacuation. The very fact that the United States Court consents to hear the case in the time of war may be accepted as sign that our in its decision to evacuate and send us to WRA progovernment intends to safeguard our rights. In the face of the periodic public outeries against the evacuees, an unavoidable expression under the circumstances, it is reassuring to know that the calm and just acts of the government go on unperturbed.

# PETE'S SAKE

Now that the hoop season has had its leaping start, despite rainy hurdles, the fans and the recreation department can sit back in relief, although the com-mittee's troubles aren't over yet, mittee's troubles aren't over yet, by all means. Theirs was no easy task, as was seen during the re-cent rain storm, with Min Wata-nabe scuirrying to send notices and calling delayed meetings. Now we can get started, thanks to the rec. staff.

### MAILMEN COME THROUGH

There hasn't been much said about the Aye league Mailmen, who have been somewhat out of the limelight. Latest weekend games east a light on the mail handlers. In John Hanamura, they have one capable playing manager. Not as spry as he used to be perhaps, but his one-hand shot is nothing to laugh at. All to be perhaps, but his one-hand shot is nothing to laugh at. All he did in a league contest, was to plunk in 28 points, which was a per game scoring record for 24 hours. George Fukuda and Joe Nakai certainly don't weaken the roster with Fukuda experiencing hoop competition at Poly Tech and Nakai on a Hollywood Mikados line-up.

### FUKUSHIMA HEADS SCORERS

FUKUSHIMA HEADS SCORERS
Leading the AA heap is Danny Fukushima, Gopher top-off
man, who runs with the speed of
an antelope, and who is as tall
as-same. The lanky pivot star
has garnered 38 points in 3
games. You might consider Dick
Sakamoto, quiet Oliver forward
and Zeros' Mas Takahashi to top
the column unofficially, both are
shy Fukushima's feat by 2 and
4 digits respectively, having appeared in but 2 games.
We mention again, Mailman
Hanamura, as he not only leads
the A society but all 5 classes.
His 3 games puts him 49 points
in the lead. Bel Aire's Okamura
heads the BB class with 37 markers in 2 starts. It didn't take 3
games, nor 2, nor one, but a little over 2 quarters to put Vandal's Sup Myose in the B lead
with 34 dazzling-points.

### BABES-MAILMEN IN TOP 'A' CAGE TILT

With the prediction that the visiting team may take all of the games, a one-sided basketball af-fair is forecast in this afternoon's fair is forecast in this afternoon's and tomorrow's class A battles. The Oilers, mainly from the Sawtelle district take on the tricky Oilver A's at recreation court 3 at 1:15. The lowly Dinglehoofers versus Broncos at 2:30 will complete today's double feature. The latter being undefeated, untied and a runner-up with the Buc Babes and the Buccaneers for the crown.

In Sunday's opener the Buc Babes challenge the Mailmen at rec. No. 3 while at the same time the Buccaneers will be battling to wallop the Yankees. The Vols meet the Ranger A's to complete the A menu.

### JUSTAMERES OUT FOR CHICKS' NECK

After two weeks of postponement, the crucial championship battle between the hi-riding Dusty Chicks and the 2nd place Justameres will be tossed up for the much disputed possession of the American League pennant tomorrow afternoon on the upperhalf of the twin billing. The battle grounds have been slated on rec. 2 court, with the chips laid on the Chicks to sail into the crown position but the inconsistent Merce may pull a rabbit out of the hat to demand a title playoff.

In the event that the Meres should topple the Chicks a percentage play-off will be enforced. Chicks' Yamamoto, C. Sugimoto will form the front line forces with defensive duties laid on Hiraoka, Kuwahara, Hino, Kusnoki and Namba.

The Meres will leave it up to the Tagashira-Tabuchi-Matsumo-to combination to click with Ho-shizaki for reinforcement. Mizu-The YMA Marble Tournament is being held today at ffrebreak ani-Kinoshita-Noma combined will fill in their respective zones and Yamada will sub at guard.

# Ten Manzanar Athletes Enlist Inter-Camp Free Throw Contest

OLIVERS, PADRES BEST BET SUNDAY

A Free Throw League Tournament, inviting several of the relocation centers will be launched beginning Feb. 18 through the Heart Mountain center sponsorship. It was an-nounced that this contest will be strictly an inter-high school

activity. BIG TEN CHOSEN

In meeting the required 10 representatives from each settlement, Manzanar's 670 preliminary entries were yesterday milled down to the big 10. Taking the total team's average, they were hitting 12 throws out of 15 shots. The names released were: Nohaliting 12 throws out of 15 shots. TALK ABOUT HIGH MARK-ERS—We've been praising no end, to accomplishments of individual players. A few minutes over 2 quarters were all Sup Myose needed and Irregulars' G. Hashimoto was through for the day, for he was out on fouls. WHAT A MIXUP—A head read Bugs, instead of Bucs, Durke Murata should have read Duke, a 20-20 triumph over the Yankees, should have been 28-20 triumph Murata made 22 points according to the same article when it should have been 12. The Yamamoto cops handicap was just as bad for it should have been Tamato. APPROVED—In the letter received from Marlin Kurtz. Wyoming camp Recreation Director, The names released were: Noboru Kubota, Floyd Tanaka, Hisao Hashimoto, Martin Hochi, Takeshi Isozaki, Bob Fujioka, Ray Onodera, George Shiba, Paul Takeuchi, and Howard Hiroshima.

25 TRIES Each individual will be able to mark down his best results from 25 free throws on a designated day, once every week until the competition closes March 18.

ACES-GOPHS-ZEROS IN PROBABLE WINS

With plenty of material but still sadly impotent, the Padres may finally come out of their hibernation long enough to make it a game with the undefeate Olivers. The tilt is the best bet of the weekend and the game is slated at 1:15 p.m., Sunday at Recreation court 2.

The league leading Gophers, unbeaten in both practice and league competition, will have a rugged match on hand as they face the Vygores in the second bill, Sunday.

Incidentally, all double Aye games will be played at Recreation court 2 this weekend.

### ACES, ZEROS TABBED TODAY

Timoshenko's Manzaknights are due for another drubbing at the hands of the Golden Aces. A the hands of the Golden Aces. A knee ailment is expected to keep Timo Terazawa of the Knights on the bench for the rest of the season. Aces will be after their third win with Endow on the starring role, but Knights' Hochi may prove otherwise if he's hot. Rats will find themselves an easy prey when they tackle the undefeated Zeros. With Mas Takahashi on the scoring spree, there's no doubt about it.

### SEARS, C.V. CLASH

In today's double 'Bee casaba' menu you'll find the league leading Sears Roebuck competing with the Villagers' in the opener at block 9. In addition to this rough and tumble affair you'll also witness the most contrasting colors. The cager slated at 1:15 will be followed by the Brother Mice vs. Blk. 6 event. In Sunday's classics the Manzaknights clash with the Spartans in a somewhat evenly matched game. The Bel Aires meet the Toppers at block 9.
