Gigantic Two-Day Carnival Slated for Fourth, Fifth

Responding to the cries for amusements, residents of Manzanar will be treated to a gigantic carnival which will be held in firebreak 16 and 17 tomorrow and Monday. This long-anticipated affair will open at 2 p.m. tomorrow afternoon and is scheduled for opening at 6 p.m. the following day with a carnival dance climaxing the two-day event at messhall 16.

PROPERTY OWNERS CONTEST ACTIONS

KASLO, Canada, June 2.—In a hurriedly called meeting, the Japanese Amalgamated Property Owners' Association of Canada recently rendered final decision to proceed court actions to contest the legality of their property liquidation by the Government.

In the past half a century of somewhat troubled life in the northern country, the Japanese Canadians encountered numerous instances of test cases in the highest court, in the legislative building, in the local court halls. Although they did not meet with successes, those cases are looked upon to serve as milestones that will mark their long and rocky road to citizenship. Surely as this present action will be noted on the record as a fight for democratic principles involving Canadians of every birth.

In view of ultimate success, the Property Owners' Association warned the people of the long, hard and expensive fight ahead. The whole-hearted support of every evacuee was also emphasized by the committee.

NEW CHANGES IN PAYROLL MADE

Changes in the payroll and timekeeping procedures put into effect as a result of teletypes from Washington received at project director's office within the last few months have been incorporated in an Administrative Instruction released by WRA on June 10.

The instruction states that any worker absent for more than three days must secure a doctor's certificate and limits sick leave to fifteen days for any one illness.

Outside workers, except those paid on a part-time basis, who report for duty and the judgment of the division head are unable to work because of weather conditions, will be given authorized absence for the day and will be paid for such time, but workers excused for reasons other than illness or bad weather will be given "leave without pay" and will not be paid for such time.

The instruction also provides that evacuees inducted into the Army may receive money payments for overtime worked before their departure from the center; in all other instances overtime must be taken in compensatory leave.

To insure that correct daily time records are being kept, the instruction authorizes the Finance Section to make periodic audit.

School

GOOD NEWS?

Hate to remind you, but don't forget young 'uns, good ole school again come September 14th.

Senior Graduation Planned Tonight

One hundred and fifteen summer graduates and eighty-three winter graduates of Manzanar High School, wearing royal blue caps and gowns will gather for the last time as a group and receive their diplomas at the second Commencement exercises tonight on the new stage between firebreaks 16-17.

Senior class president, Yoshikatsu Nakayama will give the welcome speech following invocation by Rev. Amos Kashitani. Vaudeictorians will be Roy Toda speaking on "Commencement—July 3, 1943," and Chizuko Sakuma, "Our Next Step—Relocation" while Yoshiaki Nakayama's topic will be "The Problem of Minority Groups."

Highlighting the evening's exercises will be Project Director Ralph P. Merritt's address.

The high school choir will give a repeat performance of "Ballads for Americans," and vocal solos will be rendered by Mary Kageyama singing "Shubert's Serenade" and Karie Shindo, "Ave Maria."

Superintendent of Education, Dr. Genevieve Carter will present diplomas to the class who in turn will be presented to the audience by Principal Leon C. High.

Following the commencement the graduates will be honored at a reception sponsored by the PTA at Mess Hall No. 7.

OBERLIN PRAISES NISEI STUDENTS

OBERLIN, Ohio—Expressing its friendship for Japanese-American students at Oberlin College, the Oberlin News-Tribune said in a leading editorial: "As the school year nears its close, students found that we in Oberlin should be conscious of the fact that not once since their arrival on the college campus last fall have we had cause to regret the friendly welcome we extended at that time to the group of nisei students who have become our fellow Oberlinites. Though of Japanese ancestry, they have in every way behaved according to the best traditions of the land of their birth and rearing and citizenship—the United States. We hope that for the people of Oberlin to be as genuinely American in their attitudes as the nisei have proved to be."

High School Elects Nishimura President

Manzanar Senior and Junior High Schools have elected for student body offices for the fall semester, last week.

Officers for the Senior High School are: president, George Nishimura; boys' vice-president, Seizo Tanibata; girls' vice-president, Yoshiko Kusunoki; secretary, Haruko Ueyeda; treasurer, Grace Nishi; girls' athletic manager, Chiyeke Hiroko; boys' athletic manager, Takashi Osumi; and yell leader, Tom Hashimoto.

Officers for the Junior High are: president, Mamoru Ogi; girls' vice-president, Hira Hira; boys' vice-president, Yukio Takikawa; secretary, Reiko Kubota; and treasurer, Herbert Amamoto.

"In many instances, the voting was very close in the election," stated Mary Jean Kramer, head of the Election Committee.

MORE LINGUISTS NEEDED SOON

Army has announced a plan in line with the total war effort whereby the nisei will be given an opportunity to participate actively in the National Defense effort by utilizing most effectively the special abilities possessed by them. This plan embraces the expansion of the School at Savage by recruiting patriotic nisei from the various centers for training and is being instituted by the authorities with the object of aiding the nisei to find their place in American society.

The loyalty of the nisei was recognized by the authorities and in rapid succession many plans for training and service. Minnesota, their loyalty and invaluableness in the war effort were activated, such as the formation of the Nisei Combat team and, presently, their employment in war industries. Thus at this time, the School at Savage, Minnesota, which trains Japanese Language personnel will expand in order

to enroll all nisei who have any knowledge of Japanese and give them the opportunity to serve their country.

With the spread of war to the Pacific, the nisei graduates of the school are fulfilling an indispensable position as specialist personnel in the Army in every theater of the Pacific war. With the prolongation of the war, the demand for nisei technicians on every front has greatly increased due to the conspicuous contribution they have made wherever they have gone, and as an inevitable result, this demand has called for a rapid expansion of the school.

Due to the nature of their work, the efforts of the Nisei technicians on the front have not been publicized. Nevertheless their splendid efforts to pave the way for the American citizens of Japanese ancestry have been such as to warrant reports of a nisei pri-

Labor Union Adopts Resolution Supporting Relocation Program

Resolution below was adopted by the Washington Industrial Union Council of the C.I.O. on last June 7. Not only was the resolution passed by unanimous vote of all delegates present—shoe workers, office workers, transport workers, federal workers, cafeteria workers—but it received their enthusiastic acclaim. This powerful body, representing all C.I.O. members in the nation's capital, the first large group in the city to come out in positive support of the relocation program and to welcome American people of Japanese descent into its ranks as fully participating members of a democratic organization.

"WHEREAS, 110,000 persons of Japanese ancestry were involuntarily removed from the Pacific Coast military areas last year, regardless of citizenship and loyalty to the government of the United States, and are now confined in relocation centers under the supervision of the War Relocation Authority; and

"WHEREAS, the War Relocation Authority is carrying out a program of helping the people so confined to find gainful employment outside the centers; and

"WHEREAS, this program helps to utilize more fully the nation's manpower during this period of national war emergency and sustains the democratic rights of residents of this land; and

"WHEREAS, a smear campaign recently undertaken by the Dies Committee on Un-American Activities and the Hearst press against the War Relocation Authority and every American resident of Japanese ancestry has the effect of arousing fear and hatred of the American people against persons of Japanese descent, regardless of loyalty to this country and to the democratic way of life, and of diverting attention from a Second Front in Europe this year; and

"WHEREAS, a number of persons of Japanese ancestry released from Relocation Centers have found employment in the (Continued on Page Two)

Events Planned In Buddhist Meeting

At the block representative and cabinet meeting of the Young Buddhist Association, Wednesday, following results took place: Toshiye Higashida replaced Kiyoo Nishimori as women's vice-president; Joanne Fukuda replaced Toshiye Higashida as recording secretary and Yoshiya Okamura replaced Bob Minami as auditor.

The regular "Shotsu-ki" service scheduled for the first Sunday of every month has been postponed to July 11 at 7:30 p.m.

Meeting of the Buddhist council ("Sewannin-kai") set for Thursday, has been postponed to July 8.

ELMER SHIRRELL QUELLS RUMORS ABOUT CHICAGO

Rumors circulating around this center to the effect that no further indefinite leaves are being issued to Chicago due to a desperate housing situation "is misleading," according to Chicago Relocation Supervisor Elmer L. Shirrell, who expressed concern over this matter and hoped that steps will be taken to dispel it.

Shirrell believes that the rumor originated when he sent a teletype to Manzanar requesting that only certain persons be sent to Chicago from June 20 to 30 due to the Furniture Convention in that city.

CHURCH COUNCIL PLEADS FOR NISEIS

"Every effort to resettle the Japanese-Americans should be made now" and "further invasion of the rights of citizens and unquestionably loyal resident Japanese jeopardizes the national unity and dangerously raises the racial issue as a barrier to a just and durable peace," is the opinion expressed by the Northern California Council of Churches in a letter to President Roosevelt on June 7.

The Council told the President of the recent statement attributed to Senator Buck of Delaware. "All the people with whom I talked in California vigorously opposed the return of Japanese," does not represent "the feeling of a genuine cross-section of Californians." As a matter of fact, the letter said, anti-Japanese statements "supposedly made by persons in responsible positions" and frequently reported in the "leading newspapers of California" are "open to serious question."

REMINDER ISSUED ON PARK RULES

"All residents must secure passes to the picnic areas from their respective block managers," reads the Block Assembly Chairman Kiyoharu Anzai yesterday. "Passes for special group picnics are to be secured at the Town Hall. These special groups would include such outings as those in which participants come from several different blocks," he declared.

Anzai concluded that "Passes to these areas outside of the designated picnic zones may be secured at Town Hall."

NAIL WARNS OF BOUNDARY LINES

Commandant of Military Police, Capt. Donald Nail, instructs residents not to go under the fence to go after baseballs, golf balls, or for any other purpose. When a resident finds it necessary to go outside the area, they must use the gates and secure permission from the M.P. on duty. Captain Nail has received orders to enforce this rule.

YWCA ANNOUNCE LIBRARY OPENING

Starting July 1, 1943 all YWCA books and magazines have been loaned out on a library basis. All over-due books will be charged 1 cent for every over-due day. Magazines and fiction books are due in 7 days; reference books are due the day after borrowing.

CAREFUL CONSIDERATION

In achieving this end the nisei are serving the nation most effectively as specialist personnel on graduation from the school.

Hear Ye! Town Hall Crier

Block Managers' Assembly Chairman Kiyoharu Anzai announced to the assembly that Acting Supervisor of Public Works Arthur Sandridge has started on plans for the installation of ventilators in every barrack in preparation for the coming heat.

Block Managers unanimously passed a motion to buy a painting of Manzanar to be presented to Father Lavery of the Catholic Church. The picture will cost \$20 and money will be taken from the Town Hall Fund.

T. Yuge will succeed Tatsuzo Makita as Block 15 manager, due to Makita's illness. A letter of acknowledgement was received from Dr. Morse Little concerning the recent party held in honor of the hospital workers. Dick Izumi seems to be the choice of the assembly for the position of Executive Secretary. New tables may be added to the Town Hall collection. A telegram from New Mexico's Internment Camp was read to the assembly and it stated that all was well at that place. The Co-op is now considering selling brooms to fill the residents' needs.

Mrs. Kisa Naito, representative of the Red Cross, made an appeal for the collection of old clothes from various blocks. She asked that they be left at the block offices so that a truck may be employed to pick them up once a week. The Block Managers agreed to comply with her request.

Project Director Ralph P. Merritt spoke on various problems which have arisen during the week. He stressed the danger of cellars which are being dug and cautioned that since this is a hazard to all the residents, any person who has already dug under his apartment is wholly responsible for it and must see that proper reinforcements are placed where needed. He has ordered that no more cellars be dug and will issue a statement in written form to that effect. Due to the complaints received on the hog farm location, which was planned to be located within the Park area, Merritt has decided to change the location of this farm to a more suitable place.

Letters from the Public

919 Tuscola Street
Apt. 3
Saginaw, Michigan

Dear Editor:
I left Manzanar with a promise of a job in Cleveland, Ohio. The job was pretty good but it was a little out of line so I started looking around and found one to my liking with the Federal Public Housing Authority. The pay is good and the work not too hard. All I can say is "It's swell to be out." For once I feel free again! It feels good to be able to go to a show, zoo, park, store, etc.
Before leaving the center I thought I'd run into a lot of prejudices, but so far I've yet to run into one. All the people are very nice to you, especially the church people. It may be a little hard to make friends here but once

you do they're swell people to get along with. Maybe that's because they aren't Californians. The pay is good. For unskilled one can make about \$35 to \$40 a week. For a skilled worker anywhere up to about \$70 or \$75 per week. For a single person it is pretty easy to find housing almost any place. For a married couple with children it is a problem. From all that I have seen I would say all niseis should come out and relocate as soon as possible. Although it may be a little hard at first it sure is swell to be out. For the isseis it is a problem.
All I can again say is "It's great to be-out" and I'd urge all niseis to "get out of the rut."
Sincerely yours,
Robert A. Kubota,
Former Chief of Fire Department.

CONGRATULATIONS, GRADUATES!

Tonight about two hundred youths will be turned loose in this camp, each possessing a roll of sheepskin signifying his termination of twelve long years of "suffering." Although conditions prevalent in this center do not allow any of that pre-war big career rendezvous, just the same this generation has something up its sleeve.

It's more or less the same old story—Ma and Pa sacrificing all they had for their dear old son or daughter. Unlike the rest, this crop of grads will have gone through an era of hardship yet unrivaled by the preceding classes. The Pearl Harbor incident proved a turning point in their lives, bringing about a change in the form of a government order clearing all Japanese from the west coast. In compliance to this issue, they were shoed into this center along with their parents and friends to continue education on a handicapped basis. Orchids are in line for the teachers who have undertaken the task of preparing these youths for the future. Many of these teachers assuming this responsibility here, sacrificed normal life on the outside in order that they may dedicate their services to the Japanese of Manzanar. On this day of commencement, the entire residents join in extending their heart-felt appreciations to the faculty members of the Manzanar schools and congratulations to the graduates.

DAY OF PROMISES

Under normal conditions, tomorrow will be officially welcomed with a "bang." The younger generation would anxiously await the break of morn, recognizing it only as a day of celebration a fire fireworks. But today, exactly 167 years after the signing of the Declaration of Independence, the nations are once again engaged in bloody battle. Instead of the customary fireworks on the home fronts, the various battle fronts of the world will be punctuated with the ceaseless barrage of bullets and the shrill of the fighters as they busy engage in a contest to determine the superiority of one nation over another.

Accepting the life of evacuees, the majority of us in Manzanar are looking forward to this coming fourth as a day anticipating the return of peace. A day full of promises. The youngsters of the center will anticipate the fourth in the traditional holiday spirit with the gigantic camp-wide carnival dedicated to them.

JOHN PAYNE PAYS SURPRISE VISIT

Taking Manzanar residents by surprise by his sudden visit to this center on Sunday, former screen actor John Payne, accompanied by former, N.B.C. Blue Network radio announcer Clute Roberts, visited his friends Misses Arlin Hooper and Janet Goldberg both of whom are teachers in this center.

Immediately upon his arrival here, the foursome paid a visit to Project Director Ralph P. Merritt. The group then drove to Art

Department 12-15 where they viewed the various pictures on display.

From there they toured the center on foot, stopping to see Block 12's new fishpond but were immediately swamped by autograph seekers.

Both Payne and Roberts are stationed at Manzanar Air Field. Miss Hooper declared that the visitors were impressed by the art work and quoted Payne as saying that residents here are no different from those residing anywhere else in the United States when it comes to being autograph fiends.

Extreme Weather Ruins Early Crop

Period of April to June was probably the busiest quarter of the farming year due to the activities of preparing land for planting, irrigating and dependent types of work, according to a recent quarterly report.

Weather was exceptionally good in April, minimum being 34 degrees (F) and maximum 87 degrees (F). Spring winds that usually start early in April and continue through a good part of the month were not so severe as was first expected and only a total of two and one-half days of field work was lost.

Ten acres of green peas were wind burned during May, causing them to stop growing and to produce blossoms. During June, a ten hour sand and windstorm caused exceeding damages to the crops. Severest hit were 10 acres of green peas, estimated crop damage amounting to 100%, with 20,000 bell pepper plants destroyed, 9,000 chili pepper plants were destroyed with an estimated crop damage of 90%.

As a result total yields may be expected to be smaller than originally estimated and harvest dates may be delayed from two to four weeks.

As soon as the storm was over, irrigation water was applied to all fields and replanting of those parts was commenced.

Schaeffer Pen Lost

A striped black and silver bottom to Lifetime Schaeffer Vacuum pen was lost in vicinity of 19 or 21 blocks or near fire station by Tommy Yamada, Sports Editor. Reward is offered for its return.

THANKS

The Editorial staff of the Manzanar Free Press extends its thanks to Kotobuki Oka, chief cook of Mess Hall No. 1 for furnishing sandwiches and milk Wednesday evening when the staff prepared copies for the forthcoming pictorial edition.

4500 MAY PAY CHECKS ISSUED

Sixty-eight thousand dollars were paid out in the form of 4500 May pay checks. R. C. Boczkiewicz, head of the Budget and Finance Department disclosed this week. The issuance of these checks were completed within a week.

Boczkiewicz revealed that clothing allowance for the period of April 1 to June 30 are now being audited and upon the arrival of these checks in July, they will be turned over to the various block managers who in turn will notify each resident.

Members, Advisors Honored At Dinner

In honor of their advisor Miss Babette Fickert who will be leaving soon, and also club members Amy Fujiu and Martha Takemura who will relocate in the near future, the Jr. Misses club gave a farewell buffet dinner on June 30th. Singing and dancing followed the dinner which was strictly a girls' affair.

JOB RECRUITER

Coffee Oshima will arrive in Manzanar on July 10 to recruit workers for the Sherman Hotel in Chicago, Illinois, it was reported by the Relocation Office, 1-22-2.

WITH THE STORK

Since the beginning of this year there have been 120 babies born in this center up to last week, it was reported by Dr. M. Little's office. The girls outnumber the boys with a ratio of 62 to 58.

CO-OP COMMENTS

OPINION

Nowadays the Manzanar residents are receiving the membership certificates and rebates for the last quarter. Needless to say everyone is happy. Now everyone who has received the certificates IS a member of the Co-op and HAS one vote, and also it is clear that the members are purchasing the merchandise at the actual cost. So little is known to us how cheap we are buying the goods from the Co-op because we have only limited information as to the prevailing market. Therefore the members should realize the benefits and services of Co-op and fulfill the responsibility as a member.

COMMENT

There is no doubt in members being able to purchase merchandise at its lowest retail price, but are not purchases at actual cost. The Cooperative Enterprise allows a margin of about 20% to cover expense, reserve, and allows a small percentage for safety. There is no possible way to calculate future expense, therefore, the margin is set at about 20%.

Although 20% mark-up may be lowered, there must be a margin provided to avoid loss, and the profit derived after deducting expenses and reserve, is distributed to members as rebates.

The Co-op stores have a mark-up at an average of 20% which is at least 15 to 20% cheaper than that of outside.

CO-OP ITEMS

Co-op merchandise receipts should be handed into Block Offices by the 7th of each month with the total amount written on the envelope in pencil. The receipts are recounted at the Co-op Rebate Office and written in ink. If complaints must be made, inquire at the Rebate Office, 1-6.

Co-op membership certificates were distributed to the members. Anyone who has not received them are to inquire at the Co-op Office.

Resettlers may exchange their certificates for cash by approval of the Board of Directors ninety days after they leave. The certificate should be signed when presented to the office.

If a member is deceased, his guardian should present his certificate to the office for cash.

Skips Whip Bulldogs 5-4 In Overtime Thriller

'DOGS LEAD IN 4th ERRORS COSTLY

What almost appeared to be game on ice for the Bulldogs in the 4th inning turned out a costly loss as they fell to the Skippers, 5-4, Wednesday evening.

The thriller threatened to be called on darkness, the score being tied at 4-4 from the 5th frame.

Bulldogs chalked up a 2-1 lead in the early 3rd as Tamai and Okamura crossed home to tally.

Takata raked in a digit for the Skippers in the 3rd as he closed the circuit for a lone point.

Coming back fast in the next stanza, the Bulldogs garnered 2 more digits for a 4-1 lead. Izumida managed to score on a "FC" and Nishikawa on a "BB." Errors by the Bulldogs in the late 5th proved to be the game for them as the Skippers took advantage to push across 3 runs to tie the score, 4-4.

Both teams dug in their cleats to shove across a run during the 6th and 7th but were unable to do so, forcing the tiff into overtime periods.

The Bulldogs were first to come to bat in the overtime. Skippers applied a wrench to their defense and put the Bulldogs out in one-two-three order.

Miyake came to bat for the Skippers and the pressure on the pitcher issued him a free walk. Following batter S. Hashimoto hit to right advancing Miyake. Then Yamasaki smacked a long one to center, bringing in Miyake to give them the game at 5-4.

MAEDA, NO-HIT NO-RUN

Behind the masterful chucking of F. Maeda, the Zephyrettes whitewashed the Subdebs 5-0, in a National League tussle.

With one down in the second frame, S. Yamashita of the Victors scored from third on a long fly to center by K. Takeuchi. This was enough to win, but the winners shoved across 4 more talkies in the next stanza.

While F. Maeda churned away her spotless pitching exhibition, mates banked out 4 hits at the expense of Y. Nakayu.

Batting honors went to S. Miyamoto, S. Yamashita, K. Takeuchi, and C. Ryono, each collecting one appee.

BEST PLAY BESTS

Commemorating the traditional Fourth of July will be the Yogore vs. All-Star game, at 1:00 p.m. on diamond number 1.

Through the Recreation Department eighteen all star players have been released, two players for each position. The pick for the All-Star team was difficult and a hard time was had to place players on the All-Star berth.

The unmarried AA Yogores, line their array of batters with the following probable line-up.

NOTICES

NO BASEBALL GAMES—will be played on Sunday, July 4 or Monday, July 5, due to the observance of our traditional Fourth of July holiday. The only game played during the 4th and 5th will be the All-Star vs. Yogore tilt.

MANAGERS TAKE NOTE—those games that were scheduled during the July 4-5 will be played on open days.

PLEASE—turn the boxscore sheets after the game to the Recreation Department at 14-15. **GURLS**—since the Girls' American League Softball schedule will end this week, all teams in this league wishing to play another round should tell their managers to notify Chiyo Sugimoto.

YBA Holds Hasbeens To 3-0 Shutout For 1st Win

JR. MISSES TOP G'MLINS 1-0 IN 8th

The Junior Misses squeezed out a 1-0 victory over the Gremlins Tuesday evening in the American Leaguer that ran deep into the 8th inning.

Several times during the game a team threatened to score by reaching 3rd base only to die there.

The tussle was a pitcher's battle throughout the 8 frames.

The winning digit for the Jr. Misses came in the overtime period.

T. Nagao reached safely on a smack out to center field. H. Nagai came to bat next and connected to hit the ball out to right field. With no outs, T. Nagao raced around the sacks and tagged the home sack to score the solitary digit of the entire game, winning the fracas for the Jr. Misses at 1-0.

Gremlin chucker, Y. Yamamoto struck out 8, allowed only 4 hits, and walked 5.

Winning pitcher, M. Kimura, fanned 10, let a measly 2 hits go, and only 2 players received free passes.

There were only 2 errors recorded in the entire game.

Yoshiwara And Oda Bat 2-3 For Honors

Claiming their first league win for the season were the YBA's as they pushed the favored Has Beens for a 3-0 loss Monday evening.

The YBA nine broke the jinx that held them helpless at the hands of the Skippers and the Yogores.

Prodding their opponents for weak spots, neither team scored in the 1st or 2nd stanzas.

Sugawara of the YBA found a weak link in the 3rd round and reached the keystone as a result of two errors. Then Oda blasted the egg into center field for a hit and Morikawa flied it to the same spot, bringing in Sugawara for the 1st point, YBA leading at 1-0.

In the 4th, YBA Ohno received a free pass and was able to score, 2-0, YBA.

The Oda and Morikawa combination again scored Sugawara in the 5th frame. The YBA nine reached the 3rd mark.

The Has Beens dangerously threatened in the 5th when S. Toshioka reached the 3rd sack.

Big stickers for the day were Oda of the YBA and Yoshiwara of the Has Beens for their 2 for 3 batting.
