

NEW SEMESTER TO COMMENCE ON JULY 19th

An intensive six-week semester will begin for those interested in enrolling in the Manzanar Business College beginning July 19, Dr. Melvin Strong, Adult Education Director announced. About 200 residents are expected to take advantage of this new program to prepare for relocation or replace those in local offices contemplating relocation. Registration is being taken in the Adult Education office, 1-3-2. High school seniors and juniors taking high school courses during the morning hours and office workers desiring to study at night may be able to take advantage of the schedule released.

CREDIT TO BE GIVEN

High school credit will be given to the juniors and seniors who complete the courses at the College.

Beginning and intermediate bookkeeping will be taught by Beckwith at 7-9-1; intermediate typing and practice bookkeeping, Yoshida 7-9-2; beginning, intermediate and advance typing by Sakaki, 7-13-3; beginning, intermediate and practice shorthand, Setoguchi, 7-9-2; intermediate shorthand, business correspondence, office practice and advanced shorthand, 7-13-4; advanced English, Umoto, 7-5-4; corrective English, intermediate and advanced typing, Dr. Opler, 7-13-3; beginning shorthand, intermediate typing, Takahashi, 7-9-3; practice bookkeeping, Urokogata, 7-9-2; intermediate and advanced bookkeeping, Woods, 7-13-1; and intermediate shorthand, Mizutani, 7-9-3.

Further details may be obtained at 1-3-2.

Indefinite Intern Of Niseis Illegal

Neither Congress nor President Roosevelt has given the WRA authority to intern niseis for more than brief periods to give them necessary relocation guidance, unless they are charged with being disloyal or subversive. So declared Director Dillon Myer of the authority yesterday before a Dies sub-committee.

Myer charged the sub-committee with stirring up racial disunity. He read a letter from Attorney General Francis Biddle, expressing approval of the program for releasing niseis, but insisting that further investigation should be made by the relocation authority after checking with the FBI files.

REGISTRATION FOR SUMMER CLASSES TO OPEN SOON

A class in Junior high school girls' baton twirling will be organized under the supervision of Elaine Clary. Registration will be taken on July 14, at 1-41. The class is scheduled for Tuesday and Thursday evenings 6:30 to 8:00 p.m.

Another Junior and Senior high school organization under way is a crafts club with Anita Nicholas as advisor. Members will meet at 8-1 on Monday and Friday mornings from 9:00 to 11:00.

Misses Clary and Nicholas, will sponsor a high school dramatics club. It is scheduled for Monday and Wednesday evenings from 6:30 to 8:00 p.m., at 7-15.

All these activities will continue through the school year as a part of the high school extracurricular activities.

S'43 GRADUATES TO HOLD REUNION

Alumni members from the Summer '43 class will hold their first get-together at 8 p.m. in 7-15 tonight. All graduates are urged to attend.

SAVING BENCHES ON MOVIE NIGHTS SHOULD CEASE

Many residents are complaining that on movie nights, too many people are saving benches for friends. The Police Department and the Co-op requests that in fairness to late comers, everyone refrain from this practice especially on Friday nights.

Residents are also urged to attend the movies on Saturday and not crowd in on Friday nights.

Fiscal Announces June Payments

Please, good people! Please do not go to the Fiscal Department asking Mr. Ransome Boczkiewicz "when will we get our pay checks for June and the clothing allowances?"

The department's staff is working on high gear to get these payments out to you as soon as possible. Already, 1,600 paychecks have been sent down to the U. S. Treasury office in Los Angeles, with more to follow.

CHECKS ON WAY

Distribution got under way Wednesday with the issuance of 400 paychecks to workers of 16 departments. These checks amounted to \$616,67. All departments should be paid by Saturday, July 17, according to Boczkiewicz. He also announced that the clothing allowance department auditing and typing the allowance sheets and will probably send them to Los Angeles by this week. These allowances will cover the four months' period of March to June and checks will be distributed through the block managers.

Nation Hit By Pay- As-You-Go Tax Plan

It was announced in a press release that after July 1, Federal income tax would be paid on a "pay as you go" basis in accordance with a recent Act of Congress. Each week employers will deduct 20 percent of the wages for taxes after exemptions have been made.

The amount of wages not subject to deductions are: Single person, \$12 a week; married persons where husband or wife claims the total allowance, \$24 a week.

Individuals will continue to file income tax statements as in the past, and adjustments will be made. The taxpayer will pay advance on the tax liability where the tax liability exceeds the amount deducted by the employer, or the Government will make a refund in cases where the tax liability is less than the amount deducted by the employer.

Further information and advice on the new tax law will be available to center residents through the Project Attorney's office.

HILL NAMED HEAD OF STOCK FARM

Arriving from Richmond, California, Monday morning, Henry A. Hill officially became the new assistant farm superintendent with the completion of plans for a livestock farm in this center. Prior to his arrival here, Hill had been raising livestock on his own farm.

Heart Mountain Girl, First Nisei To Enter WAACs

HEART MOUNTAIN, Wyo.—A nisei girl, Mary Arakawa, 21, has been accepted for service with the WAACs, it was reported last week in the Heart Mountain Sentinel.

First nisei girl to join this auxiliary unit, Miss Arakawa will report to Miami, Fla., on Aug. 1 for basic training. She enlisted at the Casper, Wyo., Army Recruiting station last month.

Formerly of Heart Mountain center, she has been in Casper on domestic employment since February. She is a graduate of El Monte high school in Los Angeles and was a nurses' aide at Heart Mountain previous to taking outside employment. She hopes to pursue her nursing career in the army, overseas if possible.

Miss Arakawa has tried to enlist in the WAAC since its organization, and she was overjoyed to receive her final papers.

Internal Security Chief Schmidt Visits

WRA Chief of Internal Security Willard E. Schmidt, arrived this week from Washington, D.C., to make a field inspection in the center.

"As I started with WRA at Manzanar, my visit here impressed me as a 'homecoming,'" he declared.

When asked what he thought of the conditions here as compared to those on the outside, the former Manzanar chief of internal security said, "This is based on a condition of the mind. The adjustments made by persons are an insight to character and an indication of his social position in this complex time of our life period."

Schmidt plans to remain here for about two weeks and will then go to Gila Project, Arizona.

Orthopedic Surgeon Scheduled to Visit Center Next Week

According to Dr. Morse Little, local Project Medical Officer, Dr. Alvin Brockway, orthopedic surgeon from Los Angeles will be here for three days—July 15, 16 and 17.

First two days he will perform operations on specially selected crippled and handicapped children, while on Saturday morning, he is scheduled for special diagnosis of cripples.

DR. MARTIN MILLS

Manzanar residents are invited to take advantage of this highly specialized treatment, which was made possible through the State Department of Public Health. Dr. Martin Mills, chief of State Crippled and Handicapped Children's Service, is extremely interested in assisting crippled and handicapped persons in the centers.

Dr. Little pointed out that all cases are accepted through advance appointments only and requisitions should be made through the local public health division in ward five of the hospital.

MAIL GIFTS FOR BUDDY OVERSEAS BEFORE OCTOBER

Remember folks, overseas packages for your "Johnny Doughboy" must not exceed five pounds in weight, thirty-six inches in girth and length, and only one package per week.

Christmas may seem far away for us, but to get that present sent to him on time, you better send it by September of October.

HOSPITAL REPORTS DOCTOR SHORTAGE

With relocation claiming four doctors and three appointed personnel nurses recently, the Manzanar Base Hospital now functions with only two doctors available, according to reports from the hospital.

Dr. Feiji Takahashi, who has been bed-ridden for the past two and a half months with stomach trouble following an appendicitis operation, is expected to relieve the burden which is now imposed upon the two remaining doctors, Dr. Morse Little and Dr. Jiro Muramoto.

Doctors Keichi Shimizu and Kiyoichi Iwasa left the center last Tuesday morning while the Doctors Togasaki, Yoshiye and Kazue also bid farewells a few weeks previous, with the latter going to the Vincent Hospital in Chicago, Illinois.

Appointed staff nurses who have gone out recently are: Edith Head, Ida B. Cannedy, and Mary Keegan, while Anna C. Folk, R. N., has been added to the nurse list upon her arrival this week.

Once Told Tale Returns to Camp

Proof that news travel far came a few days ago in the form of project press release No. 34. According to the release, a news article in the New Canadian dated June 5 told the story of a one-time Manzanar resident.

The story, in short, told of Bob Tanaka's contact with a cafe proprietor who had anti-Japanese signs on the wall. After frequent visits, the two became good friends and racial barriers were overcome.

His brother-in-law Paul Sakawye who returned for a short visit in May related the story to Walter Heath, Leave Officer, who in turn released it to the public via the Free Press.

After checking through the files, it was revealed that the story appeared in the Free Press May 5 issue. The feature was reprinted in other center papers and the Pacific Citizen. It was channeled to evacuees of Canada through the New Canadian and finally added up on the local editor's desk.

The editorial staff happily commented that "At least, someone reads the Free Press!"

BOARD TO SEND PAINTING AS GIFT

YMCA Board of Directors in a recent meeting voted unanimously to send a painting by Kango Takemura of Visual Education department to Rev. Henry G. Boyenker, who spent valuable time in setting up the present local YMCA program.

SAVE YOUR CO-OP RECEIPTS
REBATES ARE COMING!

EASTERN AREA APPLICATIONS SPEEDED UP

Henceforth, all niseis' applications for employment in the Eastern Defense Command and for the Gulf Coast areas will be sent directly to a newly organized joint board composed of representatives from War and Navy Departments and the WRA, according to the Relocation office. This is being done in order to expedite these clearances which have been very slow in the past.

Residents desiring to enter these areas immediately may file their applications with the Relocation office. These applications will then be sent to Washington where the board members will review them in order to establish their eligibility for vital war plant work in community outside of the Western Defense Command.

Those who desire immediate consideration for the Eastern Defense Command should see the Relocation office immediately. As the board in Washington approves their applications, and notifies the project, each individual cleared will be notified.

Although several residents have applied for clearance to work in vital defense plants, none of these have received a reply as yet. About 150 people have received their Eastern Defense Command clearance.

Relocating Aliens Give Full Address

Hereafter, all aliens leaving relocation centers must give their full address, including their street numbers, to the United States Attorney in Washington, D.C., according to words received this week from WRA Director Dillon S. Myer, and disclosed by the relocation office.

"In some instances aliens will have only temporary addresses, such as a hotel. In those cases, these temporary addresses should be given. If there should be an instance when the alien does not have even a temporary address at his destination, he should report to a relocation officer so that he may be contacted when needed through his relocation officer," Myer declared.

"If the alien goes to a hotel or other temporary address, he must notify the United States Attorney when he leaves a temporary address. The fact that the Project Director notified the United States Attorney when the alien first left the relocation center in no way relieves the alien of his obligation to report all subsequent changes of address," he concluded.

MIMEO EMPLOYEES FILL ORDERS FOR ALL DEPARTMENTS

Mimeographing approximately 3-20 of a million sheets of paper every month, the mimeographing department located at 1-1-2 has been busy keeping up with requests from the various administrative departments. All departments that wish to employ the mimeographers must first have a requisition signed by Edwin Hooper, Senior Administrative officer and Ariti, supply officer.

Upkeeping of this department necessitates the aid of five girls, Yur, Nishi, Nanaye Shintani, Kiyo Nomura and Fumi Nakano. Bids or invitations may not be printed for private parties, stated Miss Fumi Fukushima, head of the department. It is contrary to regulations.

CORRECTION

Lee Poole is replacing Thomas Proff as assistant in the Procurement Office and not Burney Wilson as was stated in the previous issue of the Free Press.

LEAVE YOUR ZOOT SUITS BEHIND

Acceptance of the Japanese by the American public in the Midwest and Eastern states has been on a general increase during the past few months and is expected to grow in the future. But through letters from resettlers in Ohio and Illinois, reports have filtered back to the centers of zoot suited niseis, roasting the city streets creating ill-feeling and resentment among American people who otherwise are tolerant and understanding. The spirit of goodwill that each resettler carries out with him from the center, and extended to the community where he expects to settle means more friends for the evacuees. Prejudice growing from zoot suits means another setback for the niseis who have already placed their destiny in American hands.

One teacher here in camp explained her reason for staying in Manzanar during summer months with one sentence: "The Japanese need all the friends they can get right now." She has faith in us evacuees, and will work for our benefit without asking for returns. She constitutes America and Americans in the Midwest. It is perhaps, useless to express the oft-repeated pleas to all resettlers and prospective resettlers but we say in all sincerity and concern: "Leave your zoot suits behind. And above all, be an ambassador of goodwill for the sake of the Japanese in America."

COMPULSION AND PREJUDICE

The deep-rooted reason for religious and racial discriminations are being analyzed by sociologists and psychologists and the lay folks who have conceived discriminations on both sides of the issue—the discriminated and the discriminating elements. This is an issue which is by no means a minor problem of the day in our country, a fact whooped up with alacrity by the Axis propagandists.

Taking time out for a day, from his relentless pursuit of labor union abuses, the irrepressible Mr. Westbrook Pegler in his recent column observed that although he himself feels less prejudiced against his fellow citizens on reason of religion or race, he doubted that compulsion is the way to put down prejudice. He added that this method will aggravate rather than heal this problem.

If an acknowledged truism to the WRA, in view of its evacuee relocation policy, it is not entirely out of place to note that fact. Yes, whether or not he had the relocation authority in mind, Mr. Pegler does concur with the authority's recent concert policy. The project and the relocation offices scattered over the country follow the policy of sending evacuees only to those communities and employers who wish to have them.

WILLING TO ACCEPT
Within the frame of reasonableness, units within labor unions are showing willingness to accept niseis. Witness the heartening resolution adopted last month by the Washington Industrial Union Council of the CIO which passed by unanimous vote, to support relocation program and to welcome niseis into its ranks. Here again it might be observed that the Pegler-concurred WRA resettlement policy applies. Even when a union is willing to accept niseis, general acceptance of them by the workers in a particular firm should first be secured. Resolutions such as these are adopted by the ranking officials, and not necessarily and automatically concurred upon by all workers concerned.

For every reason to support community acceptance of evacuees, two reasons are present to thwart it: reasons grounded upon unmovable personal prejudices, suspicion, fear and other psychologically explainable reasons. Whether the niseis can weather these adversities depends on their will to succeed, stamina and boundless patience and tolerance on their part. Indeed, these very qualities, or lack of them, can make or break the whole WRA program.

First New Teacher For Summer Session

Entering the gates of Manzanar her first impression was that it was a very beautiful spot with mountains in the background, but it seemed rather hot.

Fresh out of U.C.L.A. with her secondary credential for Physical Education, she is raring to go places. Here in Manzanar she already has plans for teaching batch twirling with Cecilia Hiraga and Kathleen Yoshizawa assisting. She will start teaching summer school and will continue on in the fall semester. Her interests are sports, tennis, swim-

Combat Soldiers In Medical Corps. Accorded Praise

CAMP SHELBY, Miss., July 10—Japanese American soldiers serving in the Medical Detachment of the Combat Team here show a greater natural aptitude for their work than any other soldiers he has encountered as a group, according to Regimental Surgeon Capt. C. H. Buckley who commands the Detachment.

Specialized training for the most efficient and detailed care of the wounded and sick will follow the basic training period. All this training is supplemented with physical training, map-reading, litter drills, marching and bivouacking for the hospital corpsmen. So far in basic training, the men have made above-average progress, according to Capt. Buckley, and their marching and drilling have been particularly commended.

SOLDIERS AND BRONCS

Three hundred soldiers from the Japanese American Combat Team traveled to the Rolfen Stock Farm near Hattiesburg, Miss., Sunday to see a miniature rodeo with bucking broncos, calf-roping, steer riding, and to feast on iced watermelons, mangoes, fresh pineapples, sandwiches and punch. The sunny afternoon was all for the soldiers as Mr. Earl Finch, farm owner, brought out twelve horses on which the men galloped all over the wooded countryside.

A drive for funds to aid the fight against poliomyelitis (infantile paralysis) in the Hawaiian Islands has netted over \$1400 in the Japanese American Combat Team as the July 3 deadline draws near. Co-Chairman Lt. Lt. Ralph T. Yempuku and Chaplain Lt. Thomas E. West said that they were well pleased with the contributions of the soldiers.

IDAHO FURLOUGH WORKERS RETURN

Fifth contingent of furlough workers returned from Burley, Idaho Wednesday night, 8:40 p. m., after encountering an unsuccessful season there due to floods and frosts.

The twenty consisted of Koshi Joe Seko, Tatsumi Yuno, Yoshioka Ando, Frank Y. Takeuchi, Jim Y. Amano, Justus Sato, Tom Nishida, Frank Kamino, Jimmy Hosokawa, Tadashi, Fujiwara William Fujioka, George Fujiwara, Frank Nakada, Shigeru Mayeda, Shinkichi Aminaka, Michijiro Nakamoto, Toizo Iwata, Chiyokichi Nishida and Kiyoshi Nishida.

'Nolleens Hear Father Lavery

At a special meeting held Wednesday morning Father Hugh Lavery, Superior of Maryknoll Fathers in the Relocation Centers, spoke to the 'Nolleens about the general situation of Catholic groups in other centers. Sister Maryknoll School, also added words of encouragement to the group.

Lois Hoshizaki, newly elected president, presided. Other officers include: Florence Kimura, vice-president; Denise Hoshizaki, secretary; Aiko Ida, treasurer; and Mary Fujiwara, moderator. The remainder of the meeting was spent in preparing for the coming appreciation party to be sponsored by the club.

45c MONTHLY

WE, THE PEOPLE

By DENNIS SHIMIZU

A member wished to review the past financial statement at the Cooperative Accounting Office, but was refused for unknown reasons. An apology was given stating that if that particular figure was to be released, a misunderstanding may arise among the people, and, therefore, the answer was withheld. If such information were to cause misunderstanding among the people, I should hope the Cooperative Enterprises would want to explain fully the misunderstandable point in such a way that people will understand it.

"Wherever there is darkness, there is falsehood, concealment and corruption," says T. W. Mercer, an exponent of the coop system.

PRINCIPLES OF THE CO-OP

The principles of the Cooperative Enterprises are: (a) Honesty in all the affairs of the cooperative. (b) No business secrets. Frequent and comprehensive reports. (c) Dissemination of information among the members about the affairs and the true condition of the cooperative. Encouragement of constructive criticism to eliminate defects and weaknesses. (d) Continuous efforts to spread the cooperative message among the consumers.

"Darkness leads to uncertainty, and often times to suspicion." When the Consumers' Enterprises transferred its title to Cooperative Enterprises, Inc., the board of directors suggested and agreed to maintain its mark-up at a 20% level. Assuming that the managers abided by that agreement, the writer had published an article to the effect that a cooperative enterprise has a mark-up of 20%. It was corrected later by the accounting office to the effect that the canteen has shown a mark-up of 23% for the month of April and 28% for the month of May. The Dry Goods has shown 27% mark-up for two months. The rate of interest on the share capital in Rochdale Cooperative usually varies from 4-6%. This is what might properly be called "current legal" interest rate. Many United States consumer enterprises in the recent years have been paying only 2-4% interest on their share capital. Therefore, when a rebate for Manzanar Cooperative Enterprises is as high as 10% or more, it is apparent that there must be a mark-up of at least 20% to 35%.

SHORTSIGHTED POLICY

It would be a shortsighted policy.

Recreation Head On Three Week Leave

Aksel Nielsen of Community Activities Department is leaving for three weeks' vacation accompanied by Mrs. Nielsen. During his absence Louis Frizzell will supervise.

cy on the part of the management to try to show high net earnings by raising the price level to the consumers. Paying high rates of patronage refunds normally would have the effect of increasing the sales but this effect would be counteracted and figures annulled by the effect of the high prices to the consumers. A reduction in mark-up will reduce the reserve and in turn save expenses on whatever federal taxes levied against it.

Unaccountable losses are whispered among the resident members and unless the co-op publicizes an explanation with figures the rumors are apt to spread, causing more misunderstanding and distrust.

MERCHANDISE SCARCITY

Scarcity of merchandise is very apparent to those who have shopped outside of camp. During the pre-war days, it was a practice of all buyers to obtain as much discount as possible, but the present trend has changed to a point where discounts have become a secondary matter. To secure any merchandise is of importance and the buyer should be able to foresee the future. Buyers who still follow the pattern of pre-war business management are taboo at this particular time when possession of merchandise is of more importance than securing discounts. A buyer should be wise enough to purchase scarce merchandise at any price. Although this may seem unorthodox at present, a fortune can accrue at a later date. A wise buyer will store early enough to provide the people with merchandise for a reasonable length of time.

MERCHANDISE DISCONTINUED

Wholesalers reveal that certain merchandise have since been discontinued, but buyers still had ample time to purchase the needed amount. Whether this was done at Manzanar may be asked of your respective buyers. To some extent, I feel they could have purchased a little more merchandise that cannot be purchased now.

In conclusion, I would like to explain that I am not an authority on the consumer cooperative, but a mere member expressing his thoughts. I will appreciate any corrections that may be given.

RATION BOARD

In regard to many inquiries about the limitation on shoe ration stamps, J. Winchester, chief of the ration board explains that ration tickets issued here are special OPA stamps limited to 30 days after issuance, so persons desiring to buy shoes should obtain them at the time of the purchase. However, a person may apply any time within the four months period.

YMCA

A meeting of all "Y" clubs will be held this Tuesday at the YMCA office in 14-15.

George Fukuyama, representative of the Manzanar YMCA at the Estes Park Conference, in Colorado, recently, will speak of experiences he encountered at the Conference. A report on the results of the YMCA carnival booths will be given.

All "Y" club members are urged to attend this important meeting.

Masao Satow, member of the National YMCA board, and appt. George Fukuyama, "Y" activities in all ten relocation centers is expected in Manzanar sometime next month. He will attend the "Y" Secretary Summer institute which will be held in the beginning of August at Lake Tahoe.

In his letter to Paul Uyemura, head of the Manzanar "Y" group he wrote, "I would like to meet all of my friends from Southern California."

LOUVERS

Installation of louvers, open

RECREATION HALL

27-15 is undergoing the process of becoming a model clubhouse, Nielsen stated. With money earned in the carnival and contributions from girls' clubs, walls are to be built, furniture installed and a kitchen. Curtains for the hall have already been donated. Since it is to be "young adults' club" it will be planned along the line of YWCA and YMCA organizations. Here, the clubs will make reservations for certain nights and there will be community singing, dancing, books—all for fun and relaxation.

turrets, will begin as soon as necessary materials arrive, according to an announcement made this week by Acting Supervisor of Public Works Arthur Sandridge who is now putting the plans into final completion. Louvers are small openings on the barracks roof-tops from which heat can escape. Present plan calls for the installation of these louvers on "block by block" basis.

PHI CHI LAMBDA

The Phi Chi Lambda held their semi-annual election recently. Miyoko Tachibana was reelected president. Her newly elected cabinet consists of: Vice-president, Masako Motoyasu; secretary, Lily Kaki; treasurer, Kazuyo Kamibayashi; Inter-Y Council representative, Hideko Nakano; and athletic mgr., Susie Morishita.

An installation ceremony is being planned together with a scavenger hunt.

COUNTS

A recent meeting was held by the club to outline the social activities for the coming quarter. The first date on the calendar is a picnic to be held this coming Sunday at the park. About twenty members are expected to attend.

Also announced was the cabinet consisting of Henry Ohmoto, Hiro Yamazaki, Masa Miyakoda, Ken Yamamoto, and John Sakikawa.

CURRENT EVENTS CLASS

Discussion of latest domestic and foreign news by the Current Events class is scheduled for next Tuesday evening at messhall 21, commencing at 7:30 p.m.

FIRE DEPARTMENT

Introducing the Fire Department Chief. Starting the hard way from the bottom up he first was a fire warden then a regular fireman for one year, assistant fire chief and last became the Fire Chief on April 28, 1943. A graduate of San Fernando High School and also an expert grower of carnations... Here in Manzanar he is the treasurer of the Y.B.A., and member of the "Barons," and star third baseman on the Fire Department baseball team. Take a bow, Barry Tamura.

LOST

Reported lost is 1918-1919 Underwood typewriter, elite type, serial number 1123139. This typewriter was last located at 7-13-3, High School typing class.

Edwin Hooper, Senior Administrator, stated that the machine was rented to the project by Carl Kondo and whoever is using it is requested to return it.

Letters from the Public

Perhaps the best way to give a picture of relocation in the making is to give my own accounts and experiences in the city which I have chosen. Don't ask me why I chose New York. I didn't have an idea what it was going to be like and it was chance that brought me here. Sometimes I still can't believe that I'm actually in New York.

NEW YORK NOT AFFECTED

New York has not been affected as much by the war as has been the case with cities like San Francisco, Los Angeles, Chicago and Cleveland. One can still find comfortable living at reasonable cost. Temporary housing is easily arranged and in a day or two after arrival you should be able to find something suitable. Food is high—a condition which you'll find anywhere in the United States, since the outbreak of the war. With careful planning, however, there is no reason why you can't make ends meet.

NISEI POPULATION SMALL

As far as the population of nisei is concerned, I mean ev-uees, it is very small. We're scattered from one end of Manhattan to the other. We're an integrated part of the enormous population of New York. Of course you must obtain special clearance by the Eastern Defense Command, and then if you're going to work in one of the many defense industries, you must obtain War Relocation Clearance. Trained and experienced office workers shouldn't encounter much difficulty finding a position at around \$100 to \$125 a month. I think that \$100 earned here will go farther than \$100 earned in Chicago.

EMPLOY YOUR SKILLS

One factor which I would like to stress is this: if you're qualified as a secretary or bookkeeper, don't come out here to take domestic work, even if you think your savings might be more substantial.

For the betterment of our lives as well as those to follow us, from the economic and social standpoint, we must endeavor to utilize our training and experience to the fullest advantage and show the public that we are an integral part of this country.

Well folks, give this serious thought, won't you? In the meantime, I'll be looking forward to the day when this war is done and won, and when each and every one of us will be able to say "I did my share in the winning of peace."

Kathleen Iseri,
New York City.

BARONS TO HOLD MEETING TODAY

A membership committee has been established by the Barons, consisting of Jun Aramaki, Yoshikatsu Nakayama, Roy Takeda, Lanny Yamamoto and Jimmy Ito. An important business meeting will be held today at Block 18. Door prizes for the last Barons dance was donated by Pvt. Jun Yamamoto of Camp Shelby, Miss.

Congress Meeting

There will be a Co-op Congress meeting, July 17, at 8 p.m. The Consumers Enterprise announced. The locality will be announced later.

In case any Congress member has left the center on relocation or furlough, the block managers are asked to have the vacancy filled before the meeting date.

Vital Statistics

BIRTH:

A girl was born to Mrs. Yoshiko Tsuno, 11-4-2, on July 6.

THANK YOU:

In departing from Manzanar, may I take this means to express my sincere appreciation to all my friends and neighbors for their many kindnesses.

Dr. Nakaji

IN APPRECIATION:

To all our friends for the kindness extended during our stay in Manzanar.

Sport Bits

by SHIRO

Shiro Nomura, who transferred to the Amache Relocation Center after serving as a grand writer in the past, writes us from Amache, Colorado. This is a part of his column. The remainder will appear in the coming issue. ED.—GREETINGS AND THANKS

After a dull and very uneventful trip of about 30 hours of continual sitting on suitcases and everything that served the purpose as to resting one's weary bones, I reached my destination. I greet you from my home for the present, Amache, Colorado.

Many thanks to my friends who made my stay in Manzanar a pleasant and a very memorable one. I shall never forget those happy moments spent with you and never will I forget nor will I be able to repay you for all of the kindness shown me in that hour of parting. In you I've found true friends.

T.N.T.'S FALL BEFORE ZEPHYRETTES

In a wild scoring game, the Zephyrettes humbled T.N.T. to the madcap score of 12-9, in the Girls' National League, Wednesday eve.

FIRST INNING

Zephyrettes' C. Ryono, who got a hit to 3rd and K. Takeuchi who reached 1st on a walk, scored on S. Miki's hit to center.

T. Ujiye of the T.N.T. outfit checked in at home on an error after she also got life on an error.

SECOND INNING

S. Miyamoto and F. Maeda hit to the outfield and advanced one base on an unassisted play at first and scored a moment later on a hit by C. Ryono, who later scored when the right fielder misjudged K. Takeuchi's fly.

2 runs chalked up as S. Nakashima and K. Wakita tallied on a hit by T. Uyeno.

THIRD INNING

S. Miki, I. Iwasaki, A. Kubota, and S. Miyamoto crossed the plate for the Zephyrettes to make the score 9-3, Zephyrettes.

For the T.N.T., no runs and no hits.

FOURTH INNING

S. Miki fanned. I. Iwasaki walked and R. Kubota flied to short, but S. Miyamoto and F. Maeda hit successive bingles to

GIRLS' NATIONAL LEAGUE SCHEDULE

Following is the girls' National League softball schedule for the first round. Postponed games may be played on the open days or arrangements may be made by contacting Harumi Hino.

Sunday, July 11	Wee Funsters vs. Stardusters
Monday, July 12	Subdebs vs. Juniorettes
Wednesday, July 14	Zephyrettes vs. Twixteeners
Friday, July 16	Stardusters vs. Lamda Nine
Sunday, July 18	Forget Me Nots vs. W. Funsters
Monday, July 19	Lamda Nine vs. Zephyrettes
Wednesday, July 21	Twixteeners vs. T.N.T.
Friday, July 23	Jetties vs. Forget Me Nots
Sunday, July 25	Stardusters vs. Subdebs

the outfield producing 2 runs. S. Yamashita was safe at 1st on an error and the following sticker, F. Ikeda hit to left bringing in F. Maeda.

After two outs, T. Uyeno beat out a hit to 2nd and was followed by T. Ujiye, who hit to center. Both scored when C. Fukuda's hit caromed off the 3rd baseman.

FIFTH INNING

Zephyrettes went down in 1, 2, 3, order.

With 1 out, S. Nakashima got life on an error by the right-fielder. K. Wakita, the next batter, walked, but was forced out on 2nd on a roller by M. Yokoyama. M. Kobayashi walked, filling the bases. T. Uyeno hit a grounder which was juggled by the 2nd baseman, two runs scoring. 2 more runs passed the plate, as pitcher made an error, but next batter, C. Fukuda popped to short for the final out.

T. N. T. 234 30—12
Zephyrettes 120 24—9

RAFU 9 RIPS C'GARS IN EASY 17-3 TIFF

Allowing four walks and six hits in the first two innings with eleven Rafu Nine men digiting, M. Takahashi relieved the starting pitcher, J. Iwata in the third inning, but it was in vain as the Cougars found themselves on the short end of a 17-3 score at the finale.

The Cougars tallied two runs in the fifth stanza after being held scoreless when Iwata scored on an error and T. Arita was credited with a round trip by the same route.

Again in the sixth, the block three aggregation chalked up another run; T. Tamura crossing the plate on T. Okamoto's hit.

Sport Core

BASEBALL FEVER has caught up with the old-timers as a team named the Never-Run-Team was recently organized. Managing this old-timers' outfit is Kiyoshi Yano. Old-timers, let's all loosen up your limbs and challenge this Never-Run-Team.

NO FAIR when an ace basketball player as Marlin Hochi comes around to toss the tennis balls into the jug, while at the carnival booth run by the Forgem-Not.

YOU TOO Chink and Duke... With an all-around assessed arm of Duke's and a sharp eye of Chink, they seem to have "cleaned up" while visiting the dart-throwing booth.

CONGRATULATIONS to the Gremlins... They claim thirteen of its members graduated in the recently held graduation... Maybe it was the homework that was keeping the girls busy from winning a game here? More power to youse gals.

DO YA WANTA LIVE???? Perhaps a silly question to most of you, but it certainly don't seem that way while you watch the baseball games. Many spectators have already met the spinning foul apple or have been knocked down by the ball-hungry catcher. So let's all cooperate and stay behind the spectators' line.

OLD TIMERS EDGE BABES IN THRILLER; HAYASHIDA STARS

S. Nagai Blasts 4-Plyer for Packers

In one of the most exciting games yet to be played in the American League, the potential 30-40 nine shaved the highly touted Packer Babes 12-11, Tuesday eve.

Despite the disadvantage of speed as compared to the young speed burners of the Babes, the old-timers managed to out-hit and win over the younger ones.

Most of the damages registered at the plate were by Sakamoto, G. Sakamoto, all swatting the apple for two hits with S. Hayashida hitting a neat 3-3.

The players causing most of the troubles to the 30-40 outfit was T. Ajioka, who blasted out three hits in five official times at the plate; S. Nagai and M. Yamaguchi garnering two hits apiece.

Packer Babes	AB	R	H
G. Okamoto	2	0	0

Attention— Ping Pong Fans

Camp-wide ping-pong tournament will be held on 24-25th of July (Sat.-Sun.) All participants are requested to appear at 6:30 p.m. at 27-15 Recreation Hall on the 24th of July.

The deadline for entries will be Friday, July 23rd.

Four prizes in each of the men's and women's divisions will be awarded.

—NOTICE—

MANAGERS!!! We have asked in the last issue of the Free Press to please turn the boxscore sheets into the Recreation Department at 14-15, but not many are responding.

We would like to give each of the teams playing some publicity and we cannot do so without your cooperation.
