

## Description Of Tulelake Given To Segregees

Following recent announcement by the War Relocation Authority designating Tulelake Relocation center as the segregation camp, many questions have arisen concerning the location and condition of the center. According to a report from John D. Cook, reports officer of Tulelake, the center is situated in the north-eastern corner of California, 35 miles from the Oregon border in the Modoc County seat.

### FORMER LAKE BED

The project is located on a lake bed approximately 800 acres square. The farm, some four miles up the state highway and on the left hand side comprises 3,800 acres, 2,800 of which are under cultivation with crops mainly of root vegetables, potatoes being the largest crop. The hog and poultry farms are about a mile and a half from the center and situated south of the farm.

### SCENERY NOT REMARKABLE

Scenically, the project is not remarkable, with no trees within the center. Colonists, however, have planted vegetables or flower gardens around most of the barracks, and approximately one half of the barracks have had colonist - constructed stoops, porches, sidewalks or lawns added. Although there are no protected spells of hot or cold weather, the temperature varies from zero in winter to 95 degrees Fahrenheit in summer.

### WILL HOUSE 18,000

In the center there are 893 barracks for evacuees, divided into three classifications of apartments measuring 20' x 25', 20' x 20', and 20' x 18½'. At present, the project will house approximately 18,000 people.

The high school, more than 80 percent completed, is in the main firebreak between the hospital and the first row of barracks in the village. When completed, the gymnasium-auditorium will be used for moving pictures, dances, athletic events, etc. Grade schools are located in remodeled barracks in three sections of the project.

## Violator Of Curfew Ruling Released

MINIDOKA, Idaho, Aug. 18.—Minoru Yasui, who violated the curfew ruling affecting American born Japanese on the Pacific Coast, was released from Multnomah County Jail in Portland, Oregon, after eight and a half months of solitary confinement. He is now residing in the Minidoka WRA center.

Supported by the Civil Liberties League, expenses for the case were paid through financial contributions. A total of \$3,400 was received.

The District Court of Oregon clarified the status of the curfew violator and Yasui is still classified as American citizen.

## Harvard University Claims Dr. Nozaki

Dr. Kenzie Nozaki, former head of the local guayule project, left Monday for Cambridge, Mass., where he will engage in research work at Harvard University. He was accompanied to Chicago by his mother who will reside with her two sons already relocated in the "Windy City."

Dr. Nozaki obtained his B.S. and M.S. in Chemical Engineering at UCLA, and his Ph.D. at Stanford. Prior to evacuation he was engaged in research work at the Davis Agricultural College.

## WRITE FOR BANK PROOF OF CLAIM

Depositors of the Sumitomo Bank Ltd. of California located in Sacramento who have not as yet filed proof of claim should do so before November 1, 1943, disclosed Henry Tsurutani of the Legal Aid office yesterday.

To make a proof of claim one should write to George H. Mills, Sumitomo Bank Ltd. of California, 400 L St., Sacramento, California, asking for a claim form. In the same letter the depositor should state the type of account; whether it is a savings or checking account. If it is a savings account, he should notify the bank of the account number and the amount deposited, it was reported.

## Chickens To Arrive After Week Delay

Purchased from Sears, Roebuck & Company, day-old White Leghorn chickens, totaling one thousand, slated to arrive here last week, were delayed, according to Chief Clerk Y. Amamoto. He disclosed that these chicks will arrive here Saturday and that another thousand will soon follow.

## Evacuees Favored By Idaho Farmers

At a recent meeting held in southern Idaho, farmers of that community voted to use evacuee laborers in the Paul Labor camp. The camp is equipped with kitchens, cooks, beds, showers, heating and recreational facilities, according to the relocation office. Water supply is also located within the camp and both light and fuel are furnished. A charge of \$1.00 per day will be made for board.

Besides being situated in the center of a productive potato producing community, Paul Labor camp is located close to both a physician and a hospital.

Approximately 100 residents will be recruited from this center before September and will be paid according to the contract scale and prevailing wage as set for harvest in this community. Wage for potatoes will be based on yield per acre while beet workers will be paid according to the government set wage.

The area surrounding Paul Labor camp consists of 3500 acres of beets, 7500 acres of potatoes, and 14,000 acres of beans. Work will begin on or about September 15 and will continue until November.

## STREET DANCE

Shig Ishii, director of social activities announced that a gala "Street Dance" is to be held on Labor Day, September 5, at 14-15 crossroads. Sponsored by the Social Activities Department, entertainment, fun and frolic are in store for all.

## Educational Movies

Educational movies will be shown tonight at the open-air theater between 20-21. These movies are sponsored by the Adult Education department. The pictures to be shown are "Brazil," "The Arm Behind the Army," "Home on the Range," and "Manpower."

## 1250 To Leave Wyoming Center

HEART MOUNTAIN, WYO., Aug. 17.—Roughly 1250 persons are scheduled to leave Heart Mountain center for Tulelake, and 2000 from Tulelake are expected to arrive here about September 13, announced the Heart Mountain Sentinel.

According to tentative plans the first trainload of 500 from Tulelake is to arrive late Monday, September 13, and the first contingent of 450 is to leave Heart Mountain the following morning.

Priority on outside job offers from August 1 to September 30 is being given to Tulelake and then to Granada, Heart Mountain, Minidoka and Central Utah. The goal for relocation placements, to be met between April 12 and September 15, is Tulelake 1800, Granada 450, Heart Mountain 500, Topaz 450, Minidoka 550, for a total of 3750.

## Recorded Symphony Concerts To Begin

First in the series of recorded "Sunset Symphony Concerts" will be presented by the Community Activities department in cooperation with the Education department on Sunday, August 22.

The concert will begin at 8:15 p.m. at 16-15 stage. Following are the selections to be played: Rossini, "William Tell Overture"; Handel, "Water Music Suite"; Fritz Kreisler, violinist, playing his own compositions; "Schoen Rosmarin" and "Liebesfreud"; Fred Waring and his Pennsylvanians, "The Rosary," "The Bells of St. Mary's," and Ferde Grofe, "Grand Canyon Suite."

For an enjoyable evening, take blankets or chairs to sit on, stated the co-sponsors.

## Stray Cats; Dogs Menace To Health

Residents have been getting the wrong impression of the humane officers of the local Police Department, stated Police Chief John Gilkey.

The action taken by the officers, apprehending unlicensed dogs and cats, is for the benefit of the people. These stray animals are a menace to the health of the community, and to the lives of small children, he said.

So, good people, think of these humane officers as "angels of mercy," and not as cat and dog killers.

## Clothing Allowance On Monthly Basis

Approximately 4,000 June pay checks amounting to \$22,883.90 were distributed to date, according to Budget and Finance Supervisor R. C. Buczkievicz.

First batch of checks was distributed on August 13th and more were received during the following days. Boczkievicz reported that the last batch of 350 checks for the hospital group should arrive by this week and complete the distribution.

Clothing allowance checks will be paid on the monthly basis and July allowance checks will be distributed sometime next month, it was stated.

## WRA Budget Limits Number of Drivers

Even though a shortage of drivers exists, the Motor Pool cannot employ more drivers under the present budget system, stated James L. Macnair, head of the Transportation Division. This budget provided by the Washington WRA office limits the number of drivers employable by this division. This is to clarify a recent report about the acute shortage of drivers at the local Motor Pool.

## Quality Assured By New Formula For Shoyo Manufacture

Manufacturing of shoyo was resumed last week, reported H. R. Haberle, supervisor of the Industrial Division.

The reason for the delay was explained as testing and sampling for a good grade of shoyo. The new shoyo formula was known as Formula II and was approved by the kitchen chefs and block managers.

The supervisor also stated that elimination of certain complicated machine parts has streamlined the manufacturing process. The present daily output of 100 gallons is expected to increase to over 1000 gallons weekly.

Pending appointment of a foreman, the factory is under the supervision of the Industrial Division. First delivery to the mess halls was started last Tuesday.

## V-Mail Envelopes At Local Post Office

A limited supply of sample V-Mail envelopes are now available at the post office for residents who desire to correspond with their soldier friends who are overseas, according to Manzanar Post Office Superintendent M. S. Deputy.

Since the supply is limited, these envelopes will be given on the "first come, first serve" basis, the superintendent revealed. After the supply is exhausted, residents may buy these envelopes at Lone Pine Drug Store according to Deputy.

## COLORFUL OBON FESTIVAL DRAWS CAPACITY CROWD

The gala two-day Obon festival held Saturday and Sunday by the Buddhist Church was climaxed by the "Bon odori" held at firebreak 7-13. Colorful kimonos seen all about brought back memories of the Nisei Festival in Los Angeles. There were 1500 dancers young and old ranging from the age of two to sixty-five; boys from block 16 were dressed alike with kimonos and Occidental clothes mixed. As girls swished by the smell of mothballs lingered behind. Seen dancing wearing a kimono was Miss Eve Beckman, the only Caucasian dancing in the crowd. Because there were so many spectators estimation was that all camp residents were present.

Sunday morning from 9:30 a.m. services were held at the cemetery west of the hospital. Paying homage to the deceased, 2000 persons attended.

## Plan To Control Consumption Of Water Pending

A sufficient amount of water is available for drinking purposes, but water for irrigation ditches is very low, according to Arthur M. Sandridge, senior engineer of the Public Works Department. This retracts an article printed in last Wednesday's issue of the Free Press regarding the abundant water supply in Manzanar.

Water pressure at the western side of the camp is dangerously low at 26 pounds with a minimum of 10 pounds while the administration area has a pressure of 60 pounds. This difference in pressure due to the elevation of the land, adds to the fire hazards since the pumps cannot be used to their greatest efficiency. Recent Fire Department tests disclose this fact.

A total of one and a half million gallons of water is being consumed by the residents every 24 hours, averaging 212 gallons per person per day. Initial planning for the water distribution was apportioned at the rate of 100 gallons to a person. Plans to control the consumption will be under consideration this week and presented to the block managers, Mr. Sandridge said.

## Hearings For Ten Blocks Completed

Residents of ten blocks have completed their segregation hearings and other residents will have their chances during the future, according to Mrs. Lucy Adams, assistant project director in charge of community management.

Mrs. Adams revealed that many have changed from "no" to "yes" while there were still others who did not change their "no's." She said that since residents make their decisions before going for a hearing, it is helping to speed up the program.

Mrs. Margaret D'Ille, counselor of Community Welfare has completed interviewing repatriates and is now in the midst of interviewing kibei. She will then interview the other residents, Mrs. Adams concluded.

## Cemetery Monument Dedicated Saturday

Construction of the Manzanar Cemetery Monument was completed earlier than expected and dedicated Saturday afternoon.

Directed by R. F. Kafo, landscape supervisor, approximately 60 members of the Buddhist Young People's organization voluntarily assisted in the construction together with Block 9 residents.

Taking part in the dedicating program were Chairman Senkichi Shikami, Reverends Kashiwani and S. Nagatomi, and Town Hall Chairman Kiyoharu Anzai.

The monument stands west of the hospital.

## Heath In Tulelake

Leave Officer Walter A. Heath left for Tulelake WRA center early this week, where he will assist in the segregation program. The Relocation Office is temporarily headed by Ray Buzzetti.

## CURRENT RUMOR

RUMOR: If a person changes his answer on Question 28 from "No" to "Yes," he must immediately relocate, taking any job that is offered him.

ANSWER: All individuals who receive leave clearance after answering "Yes" to Question 28 shall remain at Manzanar until they voluntarily leave on relocation when they find suitable jobs.

## Dies Committee Warned

(Excerpts from a report to the Dies committee by the Church Federation of Los Angeles on the Japanese problem.)

"It has been our privilege to know many of the Japanese who are now under evacuation. Many of them have been members of our Christian churches. We know their desire to be worthy citizens of the United States, even on the part of those who were denied citizenship because of our laws. We believe that distinctions can be made (within the requirements of national safety) between the loyal and disloyal. We believe that a policy of confinement of the suspected disloyal is proper; and that the loyal ones, especially the American-born who are products of our American school system, should be encouraged and aided in finding places in civilian or military life by which to advance their Americanism. We believe that such a constructive policy will reveal that these people have something of value to contribute to our national life and that such treatment will prove an encouragement to peaceful internal relations in the future whereas a policy of hatred and harshness will generate bitterness and be a cause for internal ill will and future wars.

Inflamed passion should not be permitted to lead us into acts which, later, we will regret. We deny that the Japanese race is incapable of civilization. Any shortcomings may be our failure to exercise sound relations with them. Ultimately they must take their place among the United Nations or be permanent outcasts and the standing cause of war. We urge that, even while waging war, we employ those processes by which to speed sound relations, good will and peace.

## Community Activity Plans Raising Funds

Approval of by-laws and the proposed set-up of a general of the newly formed Community Activity Cooperative Association Board of Directors. Due to the prohibition of private enterprises in the center, the objective of this new cooperative organization is to provide a means for clubs to raise a limited amount of money.

Although the Community Activities Division has been lenient

in the past, henceforth all money-making concessions or functions must have the approval of the office. The board decided at the meeting held Saturday at Town Hall that 25% of the net profit of money-making functions and 10% of the membership fees of clubs and community activity classes go into the general fund.

Other business handled at the meeting was a proposal to sell surplus commodities of the local victory garden to the Appointed Personnel staff and to residents of near-by towns.

## OFF THE COB

By I. M. CORN

We dedicate today's column to the stars and stripes—our soldier boys of Uncle Sam who pleaded for pen pals via the mails. Come on girls, "Be a morale builder" by writing to these lonesome doughboys at Camp Shelby's Medical Department, 422 Inf. Regt., Camp Shelby, Mississippi. Pvt. Howard Kozuma, 3010526; Hiroshi Yoneda, 30105054; George Takabayashi, 30105817; Daniel Konno, 30104527; Hironobu Hino, 30104183; Masato Inouye, 30103906; Patrick Tamonaka, 30105293.

## ON THE LAMEN?

Speaking of soldier boys, those who spent their furlough at Manzanar were disappointed at the unfriendly attitude of the girls. "We won't bite. Girls in the camp must have the opinion that all soldiers are AWOL (a wolf on the loose). On the contrary, we're lonesome and shy," commented the soldiers. None of that cold shoulders, girls!

Several girls have consented to correspond with soldiers. Although their actual names are being withheld, they have agreed to reply. All letters should be addressed to the Free Press office: "Polka Dot," "Calico," "Jo Jo," "Just Me," "Starbright" and "Sunshine."

From somewhere in the South Pacific, Sgt. Kenny Uni (who had the girls on the run) sends his regards to his friends in Manzanar—in the meantime, try to answer Mary Kitano's \$84 question about Uni.

Remember, friendship isn't rationed! "So the next lonely soldier you happen to meet, Walk a piece with him along Friendship street." —by Jazbo

## Robert Kruger New Housing Supervisor

Arriving two weeks ago from Hardin, Montana, to become supervisor of the Housing Department, and also the head of the clothing allowance section, was Robert Kruger.

Mr. Kruger had no previous experience with the Japanese and because he had a personal interest in this particular war problem, he volunteered to come to Manzanar.

His first impression of Manzanar was, "I was surprised at the size of the community and of the many service facilities such as the 'Y,' the nursery schools, churches, and others."

He concluded, "The people here are nice, friendly, and cooperative. I like Manzanar, including its weather."

## Commercial College Faculty Augmented

New addition to the teaching staff at the Manzanar Commercial College is Bertha Wodeage, formerly of Salem, Oregon. Miss Wodeage, who has a B.A. degree and a secondary teaching credential from UCLA, will teach shorthand and typing. She thinks Manzanar is an interesting place and especially admires the picturesque mountains which "look like picture post cards."

Owner relocating to Salt Lake City and those interested contact owner at 12-12-4, Nakamura.

LOST: Men's coin purse near block 7. Chinese yen in inner pocket, trade mark from Cross, London. May say I. Magnin. See Greenley, 7-10-2. Reward.

## NISEI STORY BY MARY OYAMA IS PUBLISHED IN CURRENT LIBERTY

## Relative Sought To Claim 'Body'

One body of a deceased was not claimed this week, and relatives are being sought by the Police Department. No identification was found on the body, but the victim was clad in a black and white fur coat.

Autopsy showed that the victim had suffocated from carbon monoxide.

The report was made by Shig Nakaji, 11-6-4, who stated that a "peculiar" odor had saturated his apartment, and upon investigation he found the body between the walls.

It was also reported that the skunk was killed before it had "perfumed" the room with its suffocating odor.

## 'Y' Guest Speaker

Masao Saitow, member of the National Council of the Young Men's Christian Association, spoke Tuesday evening at 19-15, to the YWCA girls on resettlement problems.

His topics included traveling customs and methods, clothing, and the reaction of the general public toward Japanese-Americans.

## Department Guards All Alien Property

WASHINGTON, Aug. 18—Custodian of the Alien Property Department Leo T. Crowley, 53 year old former banker, is watching over a total of some \$7,000,000 worth of alien property. It was a difficult task for him to find men to build a staff. He borrowed some of the key men from his Federal Deposit Insurance Company and used them as a nucleus and added other picked men.

Enemy-owned or controlled businesses in the United States, foreign-owned patents, copyrights, trademarks and foreign ships are under the guardianship of this department.

## Vital Statistics

### BIRTHS:

Baby girl born to Mrs. Toshiko Uyeno, 11-3-4, on August 16. This baby has the distinction of being the 150th baby born in this center.

A moving plea by an American born Japanese married to a Caucasian American was published by Liberty magazine in its latest August issue. Written by Mary Oyama, it discusses life in Santa Anita and Heart Mountain, Wyoming, centers and relates incidents and happenings of the evacuees.

The author, married to Fred Mitter, resettled in Denver, Colorado, with her husband and two children early this year.

## CROWDED LIFE

Crowded life with 18,000 persons of one race in stables, on race track and grandstand, contrasted sharply with the life formerly known by these alien Japanese and American citizens. Visiting days, when former employers, college students and teachers visited and talked from the other side of the fence were morale building days for them, the author recalls.

## TWO VETERANS

The story of two World War I veterans, their strong faith in America, their belief that the nisei would be fully vindicated, is highlighted while a descriptive scene of Christmas Eve is quoted from the Heart Mountain Sentinel.

In conclusion the writer states: "Although we still feel that the basis on which we were evacuated (because of racial extraction) was unjust... and we believe our incarceration was illegal... we have decided that fullest cooperation with the government is the best way to prove our loyalty to our country. Those of us still held in the camps can say that this has been our contribution to the war effort."

## Nursery Children To Act As Hosts

Manzanar's twelve nursery schools' children will act as hosts and hostesses to parents and residents of the community on August 19 from 6:30 p.m.

The teachers will carry out a regular demonstration program in each of the nursery centers with the children taking part. Creative arts will be on exhibit and the nursery school PTA will be in charge of arrangements.

Approximately 300 children attend these nursery schools daily under the supervision of 17 evacuee teachers.

## PARKING SIGNS

Erection of no parking signs have improved the traffic conditions on first street considerably, reported the Police Department.

## IN APPRECIATION

Upon my departure to Salt Lake City, Utah, may I take this means to thank all my friends for the kindness extended to me during my stay in Manzanar.

Munekatsu Morimoto

29-1-3

## IN APPRECIATION:

May I take this means to thank the people of Manzanar in behalf of my daughter, Sally, for the kindness bestowed upon her during her stay in Manzanar.

May I also thank those who were kind enough to see her off and for the many gifts that were given her. Our sincere gratitude to the boys and girls of Block 29 and to the members of the Y.W.C.A.

Takejiro Kusayanagi

Matsu Kusayanagi

## IN APPRECIATION

I would like to express my deep appreciation to friends for their thoughtfulness during my son's furlough in Manzanar.

Sukesaku Yamasaki

## OUR SINCEREST APPRECIATION

To friends and neighbors of our late father, Toichi Shirakawa, we take this means to express thanks for your kindnesses extended to us.

Setsumi Shirakawa

Yukiye Shirakawa

Mr. Jisuke Matsumoto (relative)

# TENNIS FINALS HELD; YAMAGUCHI COPS LINKFEST TROPHY

## TAKENAKA CHAMP IN RACKETFEST

Tennis finals came to a close Sunday, a fall final events were Sunday, as all final events were Singles and Doubles.

Results of the finals are as follows:

Consolation match final: K. Matoba df. S. Motoike, 6-4, 7-5; playing best 2 out of 3.

Class "C" finals: F. Takeda df. J. Iwamasa, 6-4, 8-4; playing best 2 out of 3 sets.

Class "B" finals: E. Ito df. T. Shono, 9-7, 6-3; playing best 2 out of 3 sets.

Class "A" finals: R. Takenaka df. J. Ito, 6-4, 6-1, 6-3; playing best 3 out of 5 sets.

Doubles finals: Ito-Watanabe df. Takenaka-Hankawa 4-6, 3-6, 6-2, 6-3, 6-4.

Cups were awarded to the winners with runners-up getting medals. The cup for the Consolation match winner has not arrived and will be awarded on a later date. The winners of the Doubles finals were each awarded a cup with the runners-up getting a medal each.

Tennis enthusiasts are welcome to join the club. An instructor will be at the court to assist the beginners. There will be a nominal entrance fee of \$1.00 with monthly dues of 25 cents.

One court is open to the public Monday through Friday, Saturdays and Sundays being reserved for the members.

Let's all bring your racket, balls and a dollar to take up this clean wholesome game.

## Education Routed By Cougars, 12-7

Taking on two new players, the Cougars scored a 12-7 win over the Education outfit.

Cougars' first batter, G. Une, tallied the initial digit by hitting out to the left.

**COUGARS AMASS 8**  
In the 2nd period of the tilt, Cougar lads sprang a 5 hit, 8 run spree. S. Imahori, T. Arita and M. Shishido walked; K. Oye, G. Une and J. Tamura pounded the onion to the outer garden. J. Iwata scored after getting a "FC".

Imahori faced the pitcher for the second time and got an infield hit, scoring on Oye's second hit.

Cougars scored 2 more to the good in the 4th and another in the 5th, making it 12, the Education remaining scoreless.

The "Ed" nine made their initial tally in the 6th when T. Higa scored, followed by F. Kamimura.

Four digits were annexed by the "Eds" in the final stanza with 2 outs. Last batter popped out to end the fracas.

Batting honors went to Oye with a 3-3 and Une with a 4-5.

Education ..... 000 012 4—7  
Cougars ..... 180 210 x—12

## - NOTICE -

The Physical Education Department of the Manzanar High School will sponsor a class on softball rules for the coming "Old-Timers" League. All those interested are cordially invited to attend. Class will start at 3:00 p.m. Saturday at 2-15.

"Old-Timers" League will start next week.

## Girls' National League All-Stars Trip Funsters In Return Fray, 10-8

In a return tussle, the Girls' Nat'l League All-Stars defeated the Champion Wee Funsters, 10-8.

In the opener, the All-Stars chalked up 2 hits and four runs.

Funsters came right back with two runs to make it 4-2.

M. Myose blanked the Stars in great fashion, whiffing two and making the third pop out.

Funsters tied up the game in the lower second with two runs. The Stars were unable to hit the offerings of Myose and were put away, 1, 2, 3.

Little F. Maeda "showed her stuff" as she shut-out the Funsters.

With two down in the 4th, Maeda got to third, but died there as L. Uyemura struck out.

Funsters tallied three, big runs to gain a comfortable lead.

The Stars staged a rally in the upper fifth as they blasted Myose for 6 hits and 5 runs.

A lone tally by the Funsters in the 5th; score now 9-8.

Another run by the Stars fattened their lead by 2 runs.

Funsters came close to tying up the ball game when they posted two players in scoring positions, but died as Maeda bore down to stab off the threat.

Stars threatened, but were cut short.

H. Hino replaced Maeda on the mound and struck out the first batter. The next two lasses got a double and a walk; with two in scoring position, she calmly fanned S. Takeuchi. Yamazaki hit a bouncer back to Hino and was thrown for the final putout of the game.

## SKIPPER'S TOPPLE SEARS, 6-4

Although touched for 6 safeties to his mates' 4, A. Hashimoto pitched and batted the Skippers to a close 6-4 victory over the Sears.

Two hits in the 1st frame along with 2 errors and a walk gave the Sears an early 4-0 lead over their older brothers. In the lower half of the inning, the Skippers came right back and registered 2 runs, as T. Ohara showed considerable wildness on the mound, walking three men.

In the ensuing three innings, both teams were kept well in hand by the rival chuckers and

neither a single man was perched in a scoring position.

In the 5th, however, after the Sears went down without a hit or a run, the Skips tied up the ball game when A. Hashimoto

knocked a hit to center, scoring Shimizu and Murata.

Again in the 6th, after the Sears were put away without much trouble, the Skips powered across 2 more runs that proved to be the deciding factor of the game.

In the final frame, Sears attempt to stay in the ball game was drowned, as Hashimoto mowed them down in rapid 1, 2, 3 fashion.

In the final frame, Sears attempt to stay in the ball game was drowned, as Hashimoto mowed them down in rapid 1, 2, 3 fashion.

In the final frame, Sears attempt to stay in the ball game was drowned, as Hashimoto mowed them down in rapid 1, 2, 3 fashion.

## 36 Hole Joint Linkfest Ends; Winner Shoots 111

Playing out the second round of the 36-hole joint golf tournament, Chikao Yamaguchi finished in the 1st place after shooting a net 53 in the 1st round and a 58 in the 2nd for a total net of 111. Second prize went to R. Tadokoro with a net of 120, followed closely by N. Takeuchi with a net 121.

## Vandals Run Wild

The Vandals went on a wild scoring spree to wallop the faltering Knight B's, 20-4. The game was called off in the fifth frame when darkness prevailed.

After the Knights scored 3 runs in the first inning, the Vandals greeted them with a 10 run barrage. They came back with 3 in the second, 6 more in the third, and wound up their scoring with another run in the fourth.

After the first heat, the Knights had a difficult time with chucker Yasuda, going down the "K" route in the third and fourth innings.

4th—three way tie with net 126. J. Inouye, gr. 67, han. 5, net 62; gr. 69, han. 5, net 64. K. Okinaka, gr. 80, han. 19, net 61; gr. 84, han. 19, net 65. S. Yoshihiro, gr. 83, han. 25, net 58; gr. 93, han. 25, net 68. Four balls each to the above players.

5th—H. Nakaguchi, gr. 81, han. 18, net 63; gr. 82, han. 18, net 64. Total net, 127. Two balls.

6th—Two way tie with total net score of 128. K. Nakata, gr. 81, han. 16, net 65; gr. 79, han. 16, net 63. R. Osajima, gr. 80, han. 16, net 64; gr. 80, han. 16, net 64. One ball each.

Three balls were awarded to J. Inouye with the best gross score of 67 and 69. Second best gross score prize of one ball went to M. Hori with a 69 and 72.

T. I. Yamamoto, the new president of the Golf Club presented a 23-inch trophy for a joint match play with handicaps to be played four Sundays in September. The qualifying round will be held August 29. Entries must be made by August 27. Details for the joint match play will be released later.

Staging a four-run rally in the fourth, the Rangers, went on to defeat the Timbers, 8-6, in the National circuit.

Pitching through the fifth inning, Timbers' B. Yamane was touched for 7 hits that were good enough for 7 runs. Y. Murayama relieved Yamane in the sixth, yielding one hit and a run. Rangers' N. Nishikawa went the route, issuing 10 hits.

Batting laurels went to R. Nakashima of the Rangers who was credited with a neat 3-3. Nishikawa followed with a 3-3.

Timbers ..... 221 001 0-6  
Rangers ..... 100 421 x-8

## 'OJISANS' TIE, 6-6

Stabbing off a 6th frame rally, the Fishermen of block 10 gained a 6-6 tie with the ole men from 20 as darkness halted the tilt at the end of the seventh.

Matsuo of 20's "ojisans" nabbed batting honors with a cool 4-4, followed by 3-4's by 10's Shoji, Kaneko, and 20's Niji.

Ten's Oshima yielded 13 hits, 20's Yamamoto issuing 11 bingles.
