He reports that the unionization of fishermen is not quite complete, but that employquite complete, but that employ-ers are fast signing agreements with the union. Nakamura described the work as not too hard for the older fishermen in Manzanar. He said that fishing methods on the At-lantic Coast is less advanced than those used by California fisher-men.

#### Frank Akita Heads Salvage Department

Masshi Frank Akita, former Manzaner resident, has been made the head of the Salvage Department at the Seabrook Farms in Bridgeton, N. J., accor-ding to a letter received from him this week by Assistant Fin-ance Officer Joe Carney. Akita who left this center last winter, says that at first it was hard for a man of his age to start all over again but that whenever he was asked to do something, he did it the best way he knew.

A member of the 442nd Japanese American Combat Team, he was decorated by the Major General Edward M. Almond, commander of the 92nd "Buffalo" Division, at the Fifth Army ceremony in Novi, Italy.

> He was cited for action in eastern France and his citation read in part:

in part: "When his radio was put out of commission during an artill-ery barrage, Sergeant Nakata dashed 30 yards to the supply trailer amid the falling shells. While reclurning with the nec-essary supplies, he was wounded by a shell fragment, but, never-theless crept back to his dugout, dragging his injured leg. When advised he was to be evacuated, he refused and remained to assist the radio renairman and continhe refused and remained to assist the radio repairman and contin-ued to operate his radio for an-other two hours before permitt-ing himself to be evacuated. His courage and devotion are exemp-lary and a credit to the U. S. Ar-my."

In addition to the Purple Heart and Bronze Star, Nakata wears the Combat Infantryman Badge, Good Conduct Medal, and the European Theatre Ribbon with four stars.

He formerly resided with his mother, Mrs. Shima Nakata, in Winslow, Wash., and entered the service at Fort Lewis, Wash., in February, 1942.

#### **Eventually-Why Not Now**

Dillon Myers has given the required three months notice to residents of Units 2 and 3 of the Colorado River Center and to residents of the Canal Unit of the Gila Center.

Thus the second sign of sure center closing becomes evident. At Manzanar and throughout the WRA, teachers are leaving at a rapid rate since there will be no more school. Personnel reports the heaviest termination of appointed staff for any month during June.

Closing mess halls and reduction of services throughout the center are further signs that Manzanar is about to become another of California's ghost cities. All these things add up to the urgent need of every resident to complete his plans for relocation right now.

At Manzanar plans are being completed for the moving of residents into twelve blocks and as Merritt says, since you will have to move eventually, why not now?

She describes the unshaking faith of Jiro who helps Kim overcome his disillusionment restores his faith in American democracy. #### SPORTS HIGHLITES

#### By Tado

Now that the "B" League is coming to a close, no doubt there will be talk about all-stars, But lets drop the subject until the league is finished . . . officially.

league is finished ... officially. I say this because many of the players who haven't had a chance at the start are steadily improving. And for all we know these unknowns might show up some of these "real good" ball players. I wouldn't be a bit sur-prised if they do.

#### TOP TEAMS

TOP TEAMS.... At the present time we find the Skippers are on top with a record of four win and one loss with one more game to be played in league competition. But don't let this convince you that they are champs ... yet. Because this last game they are going to play is undoubtedly a factor if they are champs or if they are co-holder of the title. This I say be-cause the second place Timber Babes have three wins and two loss. So if they happen to beat the Skippers this Saturday, it would put them into a tie for leadership with both teams hav-ing four wins and one loss. **EVEN MATCH** 

#### EVEN MATCH ....

Lets lineup these two teams and find out who's who on both sides. We'll take the Skippers first.

What have you noticed most a-bout this team? Well anyone just about guessed it. Yes, its their pitching staff. This team has a above average pitcher in Takeh Murata. His mixture of speed and curve balls have fooled so many curve balls have fooled so many batters that its more amazing than funny, P. I. Takeuchi is the other Skippers chucker. He is just as good. You figure if Murata ever blows up, P. I. can put them away just as fast as they come up to bat.

#### INFIELD

The catching is well taken care of by "Fat" Nakane. He is doing an excellent fill-in job for Koji Iriye. I wouldn't rate any other catcher above him. Besides be-ing a top-notch catcher, "FAT" is probably the heaviest hitter on the team. The infield is about average with "Slate Marion" Uragami at

short and "Peanuts" Shimizu both doing a swell job. The out-field is about the same, with Ha-magiwa in left, Mukai in center and Segimot in right. Hamagiwa, Nakane and Muk-

ai taking care of the stickwork. TIMBERS ....

The Babes are no means a weak team. They have one of the best pitchers in "Pee Wee" Tsuda. He also specializes in speed and curves. Behind the plate is "ko-olie" Kuwahara, an up and com-ing catcher. Give him time and you'll find out.

you'll find out. The Timber infield is rated one of the best. The standouts being "Alibi" Kavamura cover-ing the short stop position and "Pluggy" Marumoto at the in-itial bag. Marumoto at the in-the best infielding and hitting first baseman in the league.

In the outfield we have two very fast runners, "Kanaka" Fu-kuchi in left and "Emotional" Saito in center. The right side is guarded pretty well by Mas Yamani

mani. In the batting department the Babes have "Emotions" Saito, "Alibi" Kawamura and Maru-moto, Both Saito and Maru-moto, Both Saito and Maru-ore consistent hitters, while Ka-wamura is the "Go for Broke" type.

#### MANAGERS ...

MANAGERS... Mas Kusaba is coaching the Skippers with the assistant as "Cabby" Iwasaki. The Timbers are managed by Min Kosaka. Mr. Kosaka is well known for his knowledge on baseball facts and rules. If anyone wishes to argue with him, they had better know his stuff inside and out before facing Kosaka. Both managers are both doing a great job in coaching the younger boys. Well win or lose, let the best team come home victorious. I hope all of you will not mis-

team come home victorious. I hope all of you will not mis-understand me. All what I just said is only my opinion. I know lot of you do not agree with me because your guess is as good as mine or even better.

#### VANGUARDS UPSET TIMBER BABES 8-5 IN CLOSE GAME VANGUARDS

After a see-saw battle, the vanguards finally emerged victori-ous over the hard-fighting Timbet babes

The Timbers started the game off with a bang as they scored two runs in the first inning, sand-wiched around hits by Sus Fu-kuchi and Tom Kawamura and assisted by two Vanguard errors.

For awhile the game looked like a win for the Babes, but their dreams were shattered in the disasterous sixth when the Vanguards really exploded. When dust had cleared away they had put five runs across the plate.

In the seventh the Babes scored one when "koolie" Kuwahara singled to left, Tommy Kawa-mura got life on an error and then Seiji Saito came up to smack one into center to drive in Kuwahara.

Sensational fly-chasing was ex-hibited by Haji Mato in the left-field pastures, robbing "Kanaka" Fukuchi of a extra base blow.

Mizutani and Hatae both got 2-5 to take honors for the win-ners, while Tom Kawamura and Mas Yamani hit 2-4 and 1-1 re-spectively.

M. Kawamoto went the full nine innings for the Vanguards while Lefty Yamane toiled for the losers, but was relieved in the sixth by Y. Tsuda.

#### **'NOTS WIN 4-2**

In a exhibition game, the For-get-Me-Nots edged the strong Modernaires nine 4-2 in a five inning affair.

The first inning proved to be fatal for the Modernaires as the 'Nots scored three runs on two hits and four walks.

In the fourth, the Modernaires nine threatened to score but tight playing by the Forget-Me-Not infield prevented any runs to score.

Both pitchers allowed only two hits, but the free passes issued by Hino in the first proved to be the downfall. Furmi Maeda, for-merly of the Zepherettes, chuck-ed for the winners.

Y. Shigemori and M. Yoshix. Snigemori and M. Yoshi-molo were the only ones to get the hits for the 'Nots.' Both get-ting one for three. E. Oshio and T. Morishita got one for two and one for one for the losers resp-ectively.
