AKAGI OPERATES SIX BOARDING HOUSES IN WLA

The group of six houses at 1936 South Sawtelle Blvd., West Los Angeles, formerly known as the "Mantaro Kobiyakawa Boarding House", is now operated by George Akagi assisted by Toshiyo Ishioka, both relatives of Mantaro Kobiyakawa. All three managers were voluntary evacuees and returned from Denver.

The houses are full, with about 30 tenants. The tenants are from Manzanar, Gila and Poston and nearly all are gardening contractors, serving expensive homes in the Beverly Hills, Bel Air, Westwood and Santa Monica districts.

PLEASANT CONDITIONS

They report pleasant conditions in business and social contacts, with one exception.

On the night of June 21, there was a rash of window breaking in the general neighborhood, believed by police after an investigation to be the work of persons disgruntled over lost gardening contracts. No one was injured, and no suspects have as yet been arrested as a result of fingerprint tests.

PICTURE OF KAGEYAMA

APPEARS IN BULLETIN

A picture of Kay Kage-
yama, former Manzanar re-
sident, who is the owner
of the New York Plastic
Company, is shown in the
"East Coast Area Field
Bulletin."

EMPLOYS NINE...

Kageyama now employs
nine Issei and Nisei work-
men in his shop at 355
Third Ave., N.Y. and is
grossing about \$6000 week-
ly.

In July, he plans to
open another shop for manu-
facturing synthetic semi-
precious stones. In the
new shop, he will employ
15 additional workers.

SUMMER 1944...

Mr. and Mrs. Kageyama
resettled to New York
from this center during
the summer of 1944. His
wife took a stenographic
position and he worked in
a lapidary shop and made
plastic novelties at night
until they had saved enough
money to start his present
business.

ARE YOU WORRIED ABOUT HOUSING?

By the Relocation Office

You probably have been wondering about housing, especially if you have a family of children. But you do not need to worry about housing. The Relocation Office has many jobs which include housing. It is not even necessary to go out to look for housing. It comes with the job.

You know that housing is not good in Los Angeles, and that it is hard to find. But in the east housing is better, and, in many cases, it comes with the job.

To find out about these jobs, come to the Relocation Office and talk to one of the interviewers. He will be glad to show you the new East Coast bulletin which lists a large number of jobs with housing. The area covers New England and the Middle Atlantic states. The cities of Boston, New York, Philadelphia, Newark, and Washington are in this new area.

Recently we received a fine offer from Newark, New Jersey with housing to take care of a family that had as many as six children. A family in Manzanar was interested in this job, but they wanted more information. We sent a telegram back to Newark to ask some questions. The next day Newark sent us a telegram saying that a family at Gila had accepted the job without asking any questions, and was already on its way to Newark to take the job. Perhaps they felt that it would be easier to live with a poor icebox than without a house.

We do not want Manzanar families to be disappointed in this way. We want to help you get these jobs with housing. But, in order to get them, you must have your name at the Relocation Office and be ready to act right away, so that people from other centers will not get these jobs that you want.

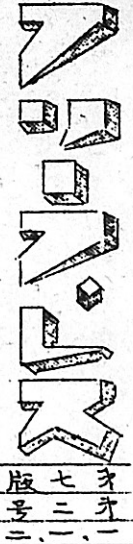

When you are talking to the interviewer in the Relocation Office, tell him you want to register for one of these jobs with housing. Give him the size of your family, what kind of job you want, what part of the east you want to go to. We will send this information to the Relocation Officer in the city you have chosen. Then, when one of these jobs with housing comes to him, he can send us a telegram saying he has a job he thinks you would like.

RELOCATION RECEIVES
MAP OF PHILADELPHIA

A map of Philadelphia, containing flags which indicate housing projects, important Philadelphia offices, specific data on public housing and other helpful information has been received in the center and will be on display at the Relocation Office, Building 1-4 for the benefit of center residents.

想像する日本の平和瀬踏に倒れて

アプトン、クロス

模範的日本武士道教育の要素は「汝の敵を知れ」とある。吾等は確かに敵に倒れて色々な憶説として居る。日本の産業家が財産の全を破壊せしむる前に降服するがらうと云ふ、日本人は硫黄島や非律賓や沖繩など如く最後の一人まで戦ふ同時に日本人もまた米人に倒して色々想像を逞くして居る。

彼我の差は日本が絶対絶命の境りに対し米軍側のほうがありて多少の好意的な気が混へて居るだけだ。日本人は敵を知れと教員と水て居るに拘り本教員的に次の如く吾等と誤解して居る事を吾等初めたる。

一、米國は巨額金の利益に思ふ持たず市井上り以外に遠く戦ふ氣もない。

乃至は二つと云々た理由の何れかて敵愾心と消失する事と期待して居る。

比事に就て日本は指導者は焦り揺つて居る沖繩戦の初めより特に新大統領の政訓演説に於て日本に降服を勧告せし以て探索を続けて居る。是等は瑞西赤十字や外交官や露や手を経て来たであらうか國政者や軍官も公敵と云ふ確かな事柄と煙つて居ない。

若しそれ吾が當局の神經と充分刺激したと公表した條件を列挙しないだらう。

支那外相宋文のモスコウ經由せざる重慶に帰つた事はホラインド人がモスコウ詣りて得た悪結果を繰り返すのを恐れた故であらう。

支那外相の計畫書又はケルシー國務次官の重慶政府支持に關して米國內に於て共産黨と攻撃した事と蒋介石の支那共民会議を召集したるに共産側出席を否認したる二つの理由は明であつた。

此等の事件を考慮に入れて見ると日本よりの平和感觸者の公表を國政者がせぬのも無理はない然し國民は其率表を強硬して居る様だ。今吾等米國人の知らねばならん事は自國自身である。
