

GOVERNMENT COMMITTEE BEGINS WORK

MANZANAR Free Press

VOL. II, NO. 25

MANZANAR, CALIFORNIA

THURSDAY, SEPT. 17, 1942

CHARTER TO BE FRAMED BY SUB-COMMITTEES OF ISSEI, NISEI LEADERS

The Herculean task of drafting a workable constitution to govern Manzanar was begun last Monday by the newly appointed commission on community government.

With only one member, Dr. Yoshiye Togatashi, missing, because of illness, the 17 men and women selected by Project Director Nash swung into the first session with Solon T. Kimball from the national WRA office citing the problems which require solution.

TSURUTANI, CHAIRMAN

Electing Henry Tsurutani as chairman, Togo Tanaka as secretary the group separated into committees. Members of the group will form the nucleus of working committees on the council proper, elections, judicial committee, and arbitration committee.

SUGAR COMPANY AGENTS HERE

Long awaited furlough recruiting began with the arrival last Tuesday of Elmo Irons and Cleon Anderson from the Utah-Idaho Sugar Co. to sign up the first hundred workers for Montana sugar beet fields. They will remain at Manzanar for a week selecting personnel for harvest work, but details of recruiting were not revealed. After reporting at the center Tuesday morning they left for Mojave to make train arrangements for the furlough workers.

WRA CONTRACTS

Contracts with the WRA will be signed through the Bishop office of U. S. Employment Service which will guarantee the working conditions of the evacuees.

In a wire from Harry A. Elcock, district manager for the Amalgamated Sugar Company of Idaho, it was announced that Burley District Manager Hatch will arrive in a few days to begin the hiring of the first hundred men to go into the Idaho fields. The total number of men required from this center was not announced. The wire was received by Koji Ariyoshi, leader of the Idaho workers who went up last spring.

AGENTS CONDUCT SIGN-UPS

It was expected that all sign-ups will be conducted by the recruiting agents as the responsibility lies with them.

Center population Nears capacity

Adding their names to the growing list of the latest newcomers were 14 inductees from the Santa Anita assembly center in Arcadia, Calif., who arrived in Manzanar on Monday, Sept. 14 at 4:05 a.m. by bus.

Establishing residence at 28-3-3 were: Buemon, Kiyo and George Kitazawa; Kazuyuki and Sayo Takahashi; Genshichi, Riye, and Sadako Okazawa; and Fumiko Makino. At 2-4-4 are Hisatoshi Takamune and Toshio Uchi-goshi; at 18-9-1, June Miyeko Fujikawa; 19-1-4, Masao Shirahishi; and 19-11-1, Takejiro Kinoshita.

Expert suggests breakdown

Breakdown of Manzanar's population of 10,000 persons into social groupings to facilitate work of historical documentation was suggested here by John Embree, Assistant Chief of the Office of Reports, Washington, D.C., on a visit here here over the weekend.

In documenting opinions and attitudes, for instance, he explained, it would make for greater accuracy to record age, sex, occupational, geographical (previous home) groups. "You just can't refer to Manzanar and make a general statement that would apply to all people in it," Embree said.

PROGRESS WATCHED

Manzanar's progress is being watched closely by influential quarters, in the nation's Capital

Ration cards

The long arm of the OPA reaches into Manzanar to pluck those precious little documents, the sugar ration cards which have been distributed to Japanese prior to evacuation.

The all-powerful Office of Price Administration in circular letter No. 64 from the regional office "requires evacuees to surrender their War Ration Books to the administrative heads of the centers." The books will be returned to the owners when they leave the center.

Residents are asked to turn in their books to the housing deputies.

Movies tonight

Through the courtesy of Father Lavery of the Maryknoll Catholic Mission, Manzanar residents will again be treated to a Universal picture for the second showing tonight of "When the Daltons Rode" at Firebreak 10 and 11 after dark.

This thrill packed saga of the early pioneer days with the famous Dalton family was viewed by a huge appreciative audience last night.

Agricultural Workers Stand by for Call

The Employment Office, in a last minute flash stated recruiting for harvest work will start today or tomorrow. Workers are asked to stand by and be ready to come to Employment Office on call. It was suggested that friends organize themselves into groups of from 5 to 25 while waiting.

through the Office of Reports which in turn disseminates information throughout the country.

EK-TEACHER

Embree is a former faculty member of the University of Hawaii where he earned his Ph.D. As an anthropologist, he is an authority on Japanese rural life, and author of the book, "Suye Mura." He left instructions here with the Manzanar Documentary Historians, Togo Tanaka and Joe Masooka.

Heroic nisei actions cited in New Republic magazine

"Many an American mother today owes the life of her son to the skill of the Japanese surgeons who worked at the Tripler Hospital in Honolulu.

Such is the claim of Blake Clark, former University of Hawaii professor, in an article in the current issue of the New Republic, in which he warns against the deprivations of freedoms and equalities of loyal Americans of Japanese descent.

MEAT FOR FASCISTS

Pointing out that if such privileges are withdrawn it is to abandon the Japanese to Fascist propaganda and rob them of the incentive to resist Fascist ideas," Clark further contends that racial prejudice with rumor and hysteria backing them, and not facts, are the main sources of the propaganda against the loyal Japanese-Americans.

Citing examples of heroism among Hawaii's young Japanese during the bombing and praising the courage of Japanese surgeons who worked "swiftly and accurately for long hours, saving the lives of fellow Americans," he adds:

JAPANESE NOT 'ALIKE'

"According to the findings of the Intelligence services, the fact is that not all the Japanese are the same—that the second and third generation Japanese in Hawaii can be counted on in any emergency, and that although the grandparent generation contains individuals who are sympathetic to the homeland in a nostalgic sort of way, they are not organized and the potentially dangerous have already been locked up."

NO DRAFTING OF JAPANESE LABOR

Salt Lake City—" . . . There will be no regimenting of Japanese labor . . ." So stated Charles F. Ernst, director of the Central Utah Relocation project in Abraham, without reference to the plea of Gov. Harbort B. Maw that Washington officials make provisions for the conscription of Japanese farm labor to save Utah crops.

" . . . Mr. Ernst . . . cited WRA policies to point out that conscription of Japanese labor for farm work is impossible and commented that little Japanese labor will be available for the early fall harvest, but the Abraham center will be filled with evacuees in time for the sugar beet campaign . . ."

Selvoy J. Boyer, Utah State Farm Bureau federation executive secretary, announced that approval of the governor and county officials was required before any Japanese farm labor might be taken into any county.

Relocation

Over two hundred and fifty nisei have taken advantage of the WRA relocation service to apply for jobs outside the Western Defense Command, Walter Heath, Relocation official, said today. Taking the place of William Holland, WRA Employment Director, Heath has been interviewing a long list of nisei men and women at his office in 1-5-2, taking down their applications for jobs ranging from farm workers to chick sexors.

NOT PARTICULAR

Most of the applicants have no particular position in mind, and are willing to accept almost any kind of work, Heath said, although many have excellent qualifications for skilled and semi-skilled work. Women make up less than a fourth of the applicants and are, in the main, looking for clerical work with a sprinkling of domestic workers.

WARN AGAINST OPTIMISM

Warning the applicants against over-optimism, Heath pointed out that the task of relocating the residents from the center is a slow and laborous process. Much time may elapse before the records of the job-seekers can be cleared, and before he can leave the gates of Manzanar behind him. Then again, Heath stressed, the difficult task of public relationship being conducted by the WRA to influence the employers and communities to accept the Japanese-Americans.

CLOTHING DISTRIBUTION

Distribution of clothing to the non-workers of Blocks 19 to 30 will begin this morning at warehouse 22. Khaki coats will not be given out.

Tomorrow non-workers of blocks 1 to 18 will be given their clothing.

370 working at net factory

Three hundred seventy net garnishers and dock hands went back to work at the camouflage factory Tuesday morning, complying with the new regulations issued by B. R. Chamberlain, superintendent of the 44 hour week.

SCHOOLS AND FURLOUGH

Closed since last Thursday afternoon for reorganization of employees because many were leaving the project for school and furlough work outside the center, the new camouflage workers who registered for work on Monday showed hearty evidence of approving the new set-up by appearing at their stations the following day.

AGE LIMIT STRICT

A strict observation of the minimum age limit for camouflage

Special efforts will be made to draft qualified committee members from the community at large. No distinction or lines will be drawn in the composition of these committees. Both issei and nisei will be asked to participate in committee work and full cooperation is requested from community leaders in this important work. Personnel of committees will be announced in several days.

FUNCTIONS TO BE DEFINED Legislative functions of the proposed Community Council must be clearly defined in the constitution as well as the duties and powers of the judicial and arbitration committees.

It was expected that the commission would draw heavily on the Block leaders for committee members. Choeji Kondo and Chiye Mori were entrusted with the dissemination of publicity.

Present at the sessions of the commission were: Yoshitake Ando, Rev. Amos Hoshitani, Dr. James Goto, Mrs. Miya Kikuchi, Choyei Kondo, George Kurata, Rev. S. Nagatomi, Kiyoshi Higashi, Yasuji Chiba, Chieji Mori, T. Ogura, Roy Takeno, Henry Tsurutani, Walter Watamase, Togo Tanaka, and Tom Imai.

Free Press quoted in Outside papers

Continuing its public relations job outside, the Manzanar Free Press again wins recognition in the nation's press with the reprinting of the Fourth of July editorial in the Fall issue of the magazine, Common Ground.

Several weeks ago another editorial was reprinted in full in the Wyoming State Tribune in an article entitled the "Japanese Blood in Wyoming."

The Pacific Citizen, National JACL organ edited by Larry Tajiri, last week carried a Manzanar editorial while El Joaquin, paper at Stockton Assembly center, also followed suit.

OFFICIALS TRAVEL

Off to San Francisco to carry on project business were Project Director Nash and Thomas M. Temple, chief of the community service division, who left last Saturday morning for the bay city.

workers was followed in registering the new workers. When the camouflage project was first started here, many boys and girls below the age of 16 were employed because the applicants for jobs falsified their ages.

James Arashi, camouflage production supervisor, declared that the response the workers gave the new registration was encouraging and it gave further evidence that Manzanar residents were willing to do their share in the war effort.

Manzanar Metazoa

By CARL KONDO

SITUATION

Tragedy stalked through the corridors of time. It was whispered by neighbors that a kind of madness etched ungood doings upon the pages of our heroine's family history. Such talk ran the length of Manzanar, growing daily more horrid and untrue.

Here was Michi, a girl of 23 old by the measures laid down by the wrinkled ones, the budding ones. She should have been married and a mother of at least two, said those gossips who whispered the malignant rumors.

THE GROWING

When Michi was a child, it was decreed by those in her family that she was never to learn of the curse which ran through her veins. Said they, "We have known sorrow and endured much. Let her have a childhood untroubled by the whips of scorn."

Children are not as unthinking as falciously believed. Michi knew that she was an object of malicious gossip, but the knowledge was nebulous. The shadow of being marked apart colored her life and thought.

Craft Exhibit

Talents galore are on display at the 4-15 craft school which is open from 9 a. m. to 9 p. m. the rest of the week.

Colorful baby outfits were made by Mrs. M. Ueyamura, Mrs. K. Sakamoto, and Mrs. Okanishi. Men as well as women and children have finished products on display.

Among the knitted crafts by the menfolks are those made by Mr. Y. Kikunaga, Mr. K. Furuto, and Mr. H. Harako. Monday and Thursday evening classes are open for the men.

Including in the knitted crafts are those by Mrs. E. Natsume, Mrs. Ushipima, Mrs. T. Sakai, Mrs. K. Nakano, Mrs. M. Yamamoto, Mrs. Ikataguma, Yoshiko Ieki, Harue Ueki and Mrs. H. Kunamoto.

Crocheted pieces on exhibited are all very decorative. They were made by Mrs. Hanako, Mrs. Okanishi, Mr. Y. Fuji, Mrs. T. Anto, Aiko Ida, Sachiko Yamaguchi, Mrs. H. Niwa and Miyoko Morimoto.

Last but not lease the miniature dresses by the sewing class from play suits, skirts to dresses are on exhibit.

Men's knitting classes meet on Monday and Thursday evenings. Instructors are Ritsuko Terayama, Haru Hayashi, Haruko Tamura, and Tommie Kiuichi.

ROMANCES

In the life of Michi were various romances which never jelled. Not merely because of the whippers which drove away amorous swains, there was also her attitude of coldness, a defensive mechanism which caused an emotional estopment.

Now at 23 Michi was yet a child in development, unable to face the realities of life. Here in Manzanar, cruelty stalked her path, and she did not fight, did not even seek to find the cause of her trouble. Michi walked alone.

CLIMAX

Michi was mad. She raved of unreal things, she was cooped, imprisoned, a corpse in a grave, buried under offfal, smothering. A shaking of heads went in Manzanar. It was said that the evacuation was too much for her, poor girl.

But they were wrong, these neighbors who whispered unkind things about Michi. Michi was free. Where she existed there were no ugly rumors. The mind that had been Michi was dead.

Adult Education

Adult education classes will begin Friday, Sept. 18. All students who have registered, please attend classes in which registered. Those who have not registered may attend the classes that they desire to attend and register at that time.

The following are the list of the classes and places:

Beginners

Mr. Paul Aiso, 33-15; Miss Tsunekio Nakamura, 10-15.

Intermediates

Miss Doris Nakagawa, 9-15; Miss Tomiko Minamiki, 23-15.

Advanced

Mr. James Yamaguchi, 11-15; Mr. Shoji Takimoto, 20-15.

The classes will be held on Mondays, Wednesdays, and Fridays. The sessions will be: afternoons, 2:30 to 4:00 p.m.; evenings, 7:00 to 8:30 p.m.

Charles Ferguson is the principal of adult education and Mrs. Nishikawa is the supervisor of the English classes.

Oil Shortage Here

Due to the shortage of equipment, distribution of oil will be delayed in all but the most extreme cases such as homes of the sick and babies, according to Takeshi Shindo, foreman.

Those wishing oil should file applications at Warehouse 35, or else delivery will be put off until the next day. Shindo warned residents against using oil to clean floors or ordering oil when the tank is still over the half mark.

Red Cross to Start

Open to the general public, first aid classes conducted by Tom Fujimoto, Red Cross instructor, will open in a few days. Beginners' classes are scheduled to start enrollment on Sept. 17 mas card classes, both English and Japanese, will be taught in both schools. Everyone interested is asked to register.

Fashion Show

With approximately 65 models displaying playsuits, evening gowns, etc., Manzanar is going to see a real fashion show given under Community Activities in Mess hall 7, Friday, Sept. 18 at 7 p.m. sharp. This affair is sponsored by the sewing and knitting classes of 4-15, 16-15, and 26-15. Caucasian friends and the public are invited to attend.

Dr. Mitani's orchestra will perform and Henry Ushijima's P. A. system will be on the job.

Art Classes Enroll

8-15 and 14-15 are seeking new fall enrollment. Special subjects are taught in 6-15 w.h. Mr. Uetsuji teaching oriental arts. Christmas card classes, both English and Japanese, will be taught in both schools. Everyone interested is asked to register.

Clear Thinking Needed

In the course of our residence here, isolated as we are from the main current of American life, we are apt to fall out of step in the quickening pace of transformation from normal economy to wartime economy. Unless we are aware of changes in the outside, we fall into a serious error of misinterpreting the general WRA policy and the attitude of the administration.

Factors entirely beyond the control of the administrators, necessitated by wartime measures—specifically, shortage of certain critical material on the open market and the failure thereby of the WRA to secure them in reasonable time—have been confused by unthinking residents to mean that the WRA is deliberately withholding these materials from the Japanese in order to enhance their discomfort. These persons do not realize that materials such as lumber, many metals, machinery, etc., are virtually non-existent and with the WRA fairly down on the order of priority, must await its turn patiently to get them to Manzanar.

What we want to emphasize is this: As America progresses further on the road to completely regimented wartime economy in order to win this war, much more stringent regulation on our consumption must be expected. Meatless days are certain to come as the country already faces a shortage of some meat such as bacon and beef. Fuel oil may be rationed as attempts are being made to convert oil burners to coal burners. Rationing of other goods will probably follow, not only to conserve our supplies and to channel them over to our ever increasing Army demands, but also as a measure to prevent inflation.

Music Hour to Have Schubert, Mozart

Franz Shubert's great Symphony No. 5 will feature Thursday evening's "Music Hour" program at 32-15; also Richard Wagner's music drama "Lohengrin," in the condensed version, and Wolfgang Adameus Mozart's long al sketch, "Eine Kleine Nach-

musik." Sunday's "Music Hour" concert will feature Rachmaninoff's piano Concerto No. 2, postponed from last Sunday. The soloist will be Benno Moissevitch. On the program will be Jan Sibelius' symphony No. 2

Co-op Congress Meets Saturday

To discuss the progress made by the board of directors and work over the by-laws, the Co-op Congress will meet this coming Saturday afternoon at 1 p.m. at mess hall 32.

Presided by Hiro Neeno, the 108 elected members of the Congress will further the progress of the organization working on the manifold problems that have arisen.

E. R. Fryer fills Temporary vacancy

E. R. Fryer, well known to Japanese as the head of the WRA regional office, is in Gila, Ariz., temporarily taking over the duties of project director there, filling the gap left by the resignation of the regular project director.

In his absence from San Francisco, E. M. Rowatt will assume the work of acting regional director.

A LA MODE

Trim, neat and terrific are the gray uniforms with white contrast, sported by the hospital orderlies. Look at George Nakano or Shig Kusayanagi. . . . And the royal blue uniforms with white blouses of the attendants of the popular pinafore style are really on the beam. Gaze at the Murata girls from Sacramento way or attractive Miss Okazaki from L. A. . . . The classy lassies of the Block 7 Dental clinic look as hot and as refreshing as peppermint stick candies with their red and white striped "T" shirts. . . . Striking are the shirts made of loud red bandanas worn by the members of the Sierra Stars orchestra, like youthful Eddie Tanaka or vocalist Lilly Wakatsuki, little sister of singer Bill . . .

OFF THE BEAM

Hank Morikawa, ex-Manzanar policeman, has transferred to the Recreation department, and according to friends, he has pumped two balls to date. . . . Those rumors that Robert Ban was operated on for appendicitis are all untrue. It was just one of those old fashioned stomach aches. . . . Why don't all of you take in the Art Exhibit at 4-15? . . . All girls are cousins of Harry Yamashita, but who is Harriet Yamashita? Maybe that's a military secret. . . . "We're in the Army Now" must be the theme song of the Shikami beauties; Mabel left for Fort Riley week ago, Ruthie's planning to leave in a month for the same destination, and Flo's marking off 60 days or so before she'll land at an army camp in Kentucky. . . . Leave it up to the police department to pull the best stunts. "This said they had a flat tire on account of they ran over some cactus. . . . Bicycles are becoming the most popular form of transportation, especially when the driver is a big hunk of man like Police Lieutenant Kiyoshi Higashi. . . . If you can persuade him, maybe Jazzy Hayashi in Block 9 will show you the minia-ture salibout that he carved out after whistling while he worked for over a month. It can't be beat.

IT SEZ HERE

That little Irene Yamamoto's favorite phrase "eek-a-doodle" is spreading around the camp. . . . so is "please, huh?" of Teru Tagawa's contagious. . . . that one of the prettiest blocks in this city is Block 34 with lawns here, there and everywhere. . . . that the typewriter service division of 7-12-1 under Carl Kondo would appreciate it very much if the finder of a 3-in-1 brass handle screwdriver would please return it as it is very essential for repair work. . . . that Dr. Mitani's band practicing near the outskirts of the camp, west of the ever popular Kitchen 24, attracts music lovers. Even little musical-minded boys pick up the nearest sage brush and start leading. . . . that Nob Myose, one of the poorest excuses for a sport writer, is telling friends that he's leaving for Idaho next week and won't be back for six weeks. . . . that ex-newspaper man, Takeshi Shin-do, is heading the oil crew as foreman. . . . that the following are this week's canteen specials:

- IRIS BRAND PEACHES . . . 25c a can
- GOLDEN BEAR COOKIES . . . 14c a bag
- S&W APPLE JUICE. . . 11c a can
- IRIS BRAND TUNA . . . 38c a can
- SWIFT'S PREMIUM CHEESE . . . American . . . Swiss . . . 7c pkg.
- LADY'S CHOICE JAM PRESERVES . . . 39c a jar also smaller sizes at 17c and . . . 11c a jar

SCOUTS GET AWARDS IN FIRST REVIEW

Under the enthusiastic guidance of their scout masters and assistants, the Manzanar Boy Scouts of America are keeping astride in their various activities, advancing in their classes, and receiving awards for crafts.

In their "Board of Review" test held Sept. 12, names of the first eight boy scouts to receive their advance in Manzanar were announced. Other recipients of various awards were announced at that time.

Toshio Enomoto and Nagatoshi Nojima, both of Troop 153, were advanced to life scout and star scout respectively. The following six were advanced to second class: Tadashi Arita, Senji Arita, Henry Higashida, Ted Kitayama, Billy Takemoto of troop 726, and Jiro Suzuki of troop 153. The success of Troop 726 was accredited to the scout master and his assistant.

Merit badges for various crafts and skills were earned by the following scouts: Toshio Enomoto, Jiro Suzuki, Yasuo Suzuki, Nagatoshi Nojima, and Sam Ono.

Special honor medals were given to Teruo Ajisaka and Toshio Enomoto, patrol leaders of 153, for perfect attendance for one year.

Scoutmaster Hideo Mayeda will receive one red star for five years service and three green stars for three years service.

George Duck Mayeda, Ajisaka, and Enomoto will get one green star for one year of service.

Enomoto was the only scout to receive the highest honor in this "Board of Review" by advancing in class and by receiving various medals and merit badges.

All badges will be given at the "Court of Honor" which will take place in the near future.

Election Registration Open

Scouts to Meet

Troop 145 was in store for good news when it was announced that Phil Nagao, former scout commissioner of Manzanar, and Frank Kikuchi will be back at the helm. All scouts registered here in troop 145 are requested to report at the troop meeting this coming Friday, Sept. 18, at 6:30 p.m. All drummers and buglers will be organized into a drum and bugle corps. Frank Kikuchi will instruct all bugle classes for the four Manzanar troops.

Block Club to Sponsor Talent Show

"Volunteers" of Block 12 is the second block club to organize in camp. The cabinet members are: president, Hideo Watanabe; vice president, Harry Okamura; men's council, Kiyoshi Maruyama, Fred Fujimoto, Takeo Hirashima; women's council, Yaya, Nakamura, Helen Zorick, and Yuri Maruyama. Representatives to the Manzanar Citizens' Federation are first three of the cabinet members. The advisor is block leader Dick Izuno.

The "Volunteers" are sponsors for the talent show which will be open to their block residents this Saturday evening, Sept. 19. Besides the entertainment there is to be refreshments served during intermission. Money for the gala affair was donated by the club members.

Social Locale Change

Because Kitchen 36 is going to be open sometime this week, all social events will be held in Kitchen 7 until the 28th of this month. Any person or club wishing to make reservations for this hall is asked to come to the Community Activities office at 1-2-2 or to get in touch with Nori Masuda.

Buddhists Dedicate Church

Dedication of Manzanar's Buddhist church at 13-15 was held in an opening service last Sunday, Sept. 13.

In order to accommodate the 1600 who attended, three separate services were held, 9:30 a.m. for children, 10:30 for young people, and 7:30 p.m. for adults. Rev. Nagatomi, formerly of San Francisco, was the main speaker at all three services. Jack Iwata, Henry Aramaki, and Michiko Konishi were chairmen of the adult, young people, and children services, respectively.

Represented in the "oshoko" were Bainbridge, Northern California, Bay District, and Southern California.

Mrs. D'ille of the social welfare department and faculty members of the Manzanar school also attended.

Sept. 24 Last Day For General Election

Registration for the general election Nov. 3, will be open until Sept. 24. Those who registered at either the primary or general election in 1940, are considered properly registered. Those who have since moved to another precinct before evacuation and did not register there must re-register if they wish to do so.

The Legal Aid department will make the necessary arrangements for notarizing the registration affidavits which can be obtained by writing to the Registrar of Voters of the home county.

If you are registered and fail to vote at either the primary or general election this year, your registration will be automatically cancelled.

VALLEY BOYS RALLY IN 4TH, 5TH TO WIN AS C. ISHIDA STARS FOR LOSERS

The San Fernando Acesmen led by their newly recruited left-fielder from Poston, Johnny Endow, noticed their initial victory in the opening world series play-off last Sunday afternoon, by settling the tired International's Island Marlins, 6-3. It was quite an occasion for the favorites as they filed out into positions attired in colorful red and white shirts for this first preliminary showing.

Both teams retired sides without a score in the opener. It was Marlin boys who drew first blood in the second stanza, when Mori-kawa got off a clean bingle to center and was nosed home by "surprise" Ishida's smash to right-loc.

Held scoreless until the 4th canto, the Aces unleashed 3 runs to knot the battle. J. Tamura rode the free lines and J. Endow led off his drive to right, bringing Tamura across for the first run. Endow came home on brother Frank's grounder to left, and Lou Sugawara as usual, routed out the remaining occupied bases with a leftfield clout.

Limiting the Islanders to 3 hits in the last 3 frames, the victors went on with their spree which resulted in 3 more scores by Mitsul, Hiram and Nakadaira.

GOPHERS IN 4-3 DECISION OVER PIRATES

CHICKIES

Gee Whiz!!!

All Shots' recent 14-13 upset over the 8 Misses is one trick which is planting much excitement in the American softball league. Gunning for a perfect record, the confident 8 Misses fell off their high horse as they misjudged the Shots in the last meeting, who were the first to mark their slate. It happened before this 4th inning ruling due to darkness became effective. Ending a 4th frame with a 14-12 in the All Shots' favor, they postponed the remaining inning to a later date. Last Wednesday's one inning play-off kept both teams on razor edge with more confusing squeaks and yelps resulting than actual playing. Although the All Shots were hammered for no hits, no runs, chucker Michiyo Nakaji whiffed out 2 Misses and allowed them just one hair raising run to retain their previous lead and bag the battle, 14-13. The Misses encountered not the least bit of trouble from them in their first game that ended the fracas with an 18-0 shut-out.

STAKES PILED HIGH

With championship at stake, this Saturday evening's battle will be a make 'em or break 'em affair for either team, with both teams having felt the sting of defeat. Being the final contest of the last round, this fracas promises much in the way of excitement. Two of American's outstanding twirlers will be seen clashing on this occasion, Socks Hasegawa of Unknowns and Misses' Miss Hamamoto. The former having the strike-out advantage with 19 K's in 3 games while the latter whiffed 18 in 4 games.

A POSSIBILITY

The slated Cher Amies versus Fight Nine scrap will be another thriller. A victory for the Amies will put them in the 2nd berth, whereas, if the Fighting Nine pull through, there's going to be a complicated tie knot up among both of these teams and the Small Frys.

UNDEFEATED CHAMPS.

Pirates' 5th Frame Raid Falls Short

In the second of Manzanar's championship play-off, the crippled San Pedro Gophers snatched a close 4-3 contest from the San Pedro Pirates Tuesday evening. The Gophers found the (grudge) battle no easy going, not handling a sphere since the American league pulled its curtains a month ago. George Mio held the American champs to six scattered hits, while Gopher Yamasaki also allowed the same amount of hits. Hiro Kayasuga touched Mio's offering in the fourth that proved to be the winning tally.

The Gophers took the lead in the opener by taking advantage of four walks plus a smash single by Frank Kuramoto netting three runs.

Sport Core

A GRUDGE BATTLE—brought forth the Block 12 Bel Aires and R. Flushes from Venice in a torrid volleyball tussle, a sport by the way getting very popular around the camp . . . the Bel Aires unleashed their array of volleyball talent and took the 2 out of 3 clashes . . .

IN SUNDAY'S FIRST—little world series all between the Aces and the Marlins, the latter's first base guardian, "Chink" Ishida surprised his teammates, himself, and fans alike by clouting out the pellet for 3 safeties in 4 attempts . . . Aces' lineup will be bolstered by the presence of Johnny Endow, the new arrival from Poston, who played a neat game in his first appearance against the Marlins by poking out 2 bingles and making neat catches in the outfield . . . he is the brother of the other Ace flychaser, Frank . . .

ROUGH AND TOUGH game of football is also showing signs of action here and there in Manzanar . . . in a recent scrimmage fellows like "Moose" Tanaka and Shuji Nozawa were seen in action . . . "Moose" is now trying to draft another big bruiser in Haruo Hori . . . by the way, what happened to the Venice eleven, the San Pedro ex-stars and all the rest of the football players . . . there's still time to sign up at 2-15 . . .

PHI SIGMA KAPPAS—would like to challenge any girls' basketball team for a practice game . . . please contact Masa Kunitomi at 20-4-3 for arrangement of games . . .

ONE REASON WHY—the Marlins lost to the Aces Sunday was because of the 3 previous games played the same week which was pretty tough on the boys . . . or it might've been the flashy red and white San Fernando uniforms . . . no subs or replacements saw action in the opening game as only the first 13 men played throughout the contest . . . catcher Walt Okamoto's batting stance must've baffled Hiram Hino for he was offered 4 free passes . . .

Judo Features Weekend Activities

Judo will share the fanfares with the immortal Manzanar little world series over the weekend with its two-day program.

Matched in ranks, the evenly divided red and white groups will file out this Saturday and Sunday to vie for honors and to exhibit the "gentle art" to the public.

AMERICAN LEAGUE PITCHING RECORD

Among the six American league pitching regulars, Takie Taketomo and Hiroshi Neeeno took the strike-out crown, each whiffing 49 batters. Neeeno also seemed to be the wildest chucker with an impressive record of 109 free passes issued to his opponents. Most number of hits were scored off Mars Terayama, it ran a high 182. Neeeno again, this time with a record of 174 runs scored off the Wonders' chucker.
