POSTPONE ELECTION

Postponement of the charter Postponement of the conter-referendum timetabled for this Monday to Nov. 30, to allow for the return of 1000 Philough work-ers still in Idaho and Montana, was decided by the Commission on Community Government at its meeting last Thursday afternoon.

In the meanwhile, an extensive and vigorous educational campaign to inform the residents of all provisions of the charter, now under question, will be conducted under the chairmanship of Sho Onodera. Blocks are re-quested to hold meetings to dis-cuss the document and the chairman of the educational commit-tee will send speakers to answer questions.

Among the problems discussed the meeting in the presence at 4fe meeting in the presence of Harvey Coverley and Solon T. A Charter for Self-Government

No society or community is too old to learn by making mistakes. Manzanar is far from an exception. The fact that Manzanar came into existence has been more than once attributed to mistakes made in the past. The cumbersome fact that the nisei and issei, though treated alike, are asked to retain-their identities as citizens and non-citizens and to act accordingly, has more than once brought its repercussions

between the residents resulting in petty errors.

Mistakes are to be avoided, but sometimes blundering action is better than no action at all. This is especially true

in a community like Manzanar.

When the Commission on self-government completed its two-month thankless task of preparing a Charter for Man-zanar, it looked with no little apprehension towards election day when Manzanar residents will vote to adopt or reject the Charter. The miscomprehension attending the practical results of such a Charter is in many minds clouding the real gain to Manzanar residents should this Charter be accepted.

It is a Charter based on a Manual of Instructions stem-

ming from official War Relocation Authority policy. The pro-vision that only citizens can hold office is a WRA ruling and not one made by the commission. (Members on the Commission, aware of the destructive criticisms that have followed in the wake of most major organizational activities, asked to be released from the task. Only upon persuasion of the com-munity responsibility and obligation involved in achieving self-government did the commission set out on the painstak-ing and laborious task of drawing up the Charter.)

A careful study of the Charter and an understanding of

the Manual of Instructions on which it is based will reveal that the document on which you vote next Monday gives the people of Manzanar all the rights and privileges possible un-

der the circumstances.

To reject the Charter will not only mean an unnecessary lengthy delay until another commission is picked to draw up another Charter, but the community will suffer from an overemphasis of a minor point. Making a mountain out of a molehill greatly out of proportion in its relation to the functions of self-government can hardly be justified.

It is hoped that when you vote next Monday, you will consider community welfare first through this self-government and cast a "yes" vote to accept the Charter.

LOOP WIND-UP

The popular weekend volley-ball league will swing into the grand final this weekend. The Buckeyes have practically cinched the Manzanar league crown — with no defeats to their credit but with 6 straight wins. It may result in a 3-way tie for the Owens League if the Broncos, Bel Aires and Szippers keep hot. In the two league play-off, the Buckeyes will find any of the three mentioned outfits a good run for their money.

"The deadline for ballots has been set for this coming Wednesday, Nov. 11. All entries should be handed either to Tosh Terazawa, Joe Tamaki or Min Watanabe, or will be accepted in 1-2-2.

The two league All-Stars will toss-up for the final decision of Manzanar's volleyball suprema-cy according to Tosh Terazawa.

ATTENTION GIRLS!

The much-publicized Hi-Jinks funfest originally slated for Friday, Nov. 6, has been held over till tonight, Saturday, at 9-15 from 7 p.m. due to the unexpected arrival and showing of the film "Tin Pan Alley" last night.

Bombers boast of T. Nomura, M. Imai and Sato on the beginning line-up. The Knights' squad is studded with L. Miyazaki, G. Ban, N. Hoshi and I. Takamoto, which should be the deciding factor in this crucial game.

GLEAGUE CROWN

The top flight Bel Aires will toss up with the Montebello Skippers while the Broncos face an easy game with the winless All-Stars this afternoon. The Oliver Bröncos also play a postponed game with the galloping Gaels. The Skippers will face the mediocre Manza-Knights in a postponed classic: If all three teams should take winning cards all afternoon, there will be a three way tie for first position in the Owens Volleyball league.
The no win Piutes will play the Gaels in a toss up today, while the Knights will bump up against the potential Dusty Nine lads. The Dusty Nine postponed game against the Piutes ought to produce a victory for the Dusty lads. The girls All-Star and the lowly Piutes will clash it out for cellar position in the afternoon's main attraction.

NITE OWLS -, When the sun goes over the mountain, the Jusgoes over the mountain, the Justameres coach, T. Terazawa does the switch act — forwards to guards rand guards to forwards. The reason being — the guards, Mizutani, Kinoshita and Noma swish the bucket for 2 points without the aid of lights — while the hot as chill pepper forwards invariably miss the well-known hoop. FEMMES AND GAMES — The Crack Shots from block 30 present the crowd drawing magnetism — that's right — the entire team comes decked out in blue shorts attire — very nice gals — but isn't it a bit cold nowadays?

BUCKS COME TALL — With tall, lanky H. Tashima, B. Adachi and G. Hatori enforcing the Buckseyes' forward wall, there seems to be no reason why the lads from 24 shouldn't remain in the top position. Statistics show that the Bucks have not given any games to any of their various opponents and the strong Scorpions are the only outfit able to garner 13 points from this team thus far.

TEEING OFF!
