Dear Katsuno:-

How are you? I don't hear from you the past three

weeks, but I trust that Divine Blessing upon you! Sure; you

are well. I am healthy as usual. I was extremely happy to

hear that Arthur-Fumi were married & Roy volunteered for

Army. Also my George serving at Camp Robinson, Ark. to Army.

I entertained all members of my barrack with a bottle of

beer and donated a dollar coupons to our church here, as a

commemoration of Arthur-Fumi wedding and two of my boys

volunteered to Army. It is rainy days here now like the

old home Seattle & Vicinity, and make me think of native

state Washington. Congratulation to Mrs. Gosho, Kajiware for

reunion. But, I wonder what has become of our family reunion

the most important thing for us You I.

Since the end of last year, the out-going parcels have

been free of charge up to four pounds. This time it is rul

-ed that NO POSTAGE is required on package from your side

if they within four pounds. We are allowed to send only one

package a month. But you are free to send any numbers of

parcels .Packages with no stamps on here started to come i

-n already. So,I suppose the people in the Centers have be

-en somehow notified.Things are getting better little by

little.Now we don't have to spend our coupons on letters

& small parcels. It is good to have verious improvement.

Please best care yourself,for my sake. Be prepare reunion.
Love.
