MOVEMENT

SECOND JEROME GROUP ARRIVES

Traveling three nights and two days, the second contingent, numbering 513, of Jerome transferees, pulled into Casa Grande at 2:30 Monday morning and were subsequently brought into Rivers in a mile-long convoy of GI trucks at 8 the same morning.

To the last man, the new arrivals were unstinting in their praises of the climate. To surprised Gilans, sweating and broiling under the Arizona sun, the transferees would remark, "The weather here is nice and cool, isn't it?"

Blocks 32, 30, and 54 received the most people from this second group, with 43, 42, and 34 new residents respectively.

Blk. 4-12, 7-3, 8-12, 9-14, 10-12, 16-9, 20-6, 1-22, 23-2, 24-12, 25-7, and 26-5.

Blk. 28-5, 29-33, 30-42, 31-38, 32-43, 33-8, 34-2, 36-10, 39-15, 40-14, 44-22, 45-2, 48-11, 49-4, 51-5, 54-34, 55-26, 59-12, 60-9, 61-20, 65-13, 66-22, 72-3, 73-2, and 74-1.

SEARCH CONTINUES FOR 21-YEAR-OLD RESIDENT

Search still continues for Tsuruyo Harada, 21-year-old Canal resident of 7-7-B, who has been missing since Sunday morning, stated John W. Nichol, acting chief of police.

Tsuruyo, worker at mess 25, was last seen about 9 a.m. Sunday morning when she went out for a walk from 60-12-B, where she had been visiting. She has never returned as far as the internal security knows. She was later reportedly seen near the Butte water tank, walking toward Block 33.

She left her Canal home Saturday evening and stayed at her friend's in

LT. GEN. EMMONS TO TRANSFER TO NEW POSITION

Lt. Gen. Delos C. Emmons, former commander of the Hawaiian department, was relieved as commanding general of the western defense command Tuesday and will be transferred to an important post not yet announced by the army, the UP reported.

The western defense command did not designate his successor, the report stated.

Emmons succeeded Lt. Gen. John L. De Witt as commander of the western defense command September 15, 1943, after serving as commander of the Hawaiian department and military governor of Hawaii for nearly two years. He was transferred to the Hawaiian post 10 days after Pearl Harbor.

Shortly after he assumed command of the western defense command, Emmons rescinded most coastal blackout regulations. He has continued to enforce enemy alien evacuation inaugurated by General De Witt, the UP report said.

block 60 before "going for a walk" Sunday morning.

Anyone who knows of her whereabouts is asked to contact the internal security office. She is not wanted for anything, but all the internal security wants to established is that she is not lost.

Indian residents of outlying villages have been questioned to no avail. It is believed that Tsuruyo is somewhere in the center.

She is described as five feet tall, rather heavy set, and when she was last seen she was wearing the regular mess hall work clothes.

THIRD DRAFTEE GROUP LEAVES

The third group of thirty-four draftees from Rivers left Tuesday night for Fort Douglas, Utah, after brief but impressive ceremonies in their honor at Canal and Butte.

Goro Oishi, who had transferred to Poston was called back to Rivers, and joined the draftees at the last minute, bringing to 34 the number of Gilans to leave.

BENNETT SPEAKS

In Canal, Leroy H. Bennett, project director, and Frank Sasaki, vice chairman of the Canal Council, gave farewell messages. The Navy and White presented each inductee with a gift. Special tokens of appreciation were presented to Mats Ando, chairman of the community council, and George Yokoyama, council member.

ONE RELOCATED

One former Canal resident, Ellis Nishi, will report directly from Butte, Montana.

Hugo Wolter, assistant project director; George Nishimura, council chairman, and Shimpei Tanaka of the ex-Servicemen's club spoke at the Butte ceremony.

HEART MT. BOYS WILLING TO SERVE

Testimony that 51 of the 63 Japanese Americans charged with failure to report for pre-induction physical examinations at Heart Mountain had indicated their willingness to serve in the armed forces of the United States if their citizenship status were cleared was heard in the U.S. district court in Wyoming last week, according to the Pacific Citizen.

Maximum sentence for violation of the selective service act is five years and \$10,000 fine.

Fruit To Be Sold Tuesdays

Co-op stores will sell fruit on Tuesday afternoons beginning next Tuesday, June 27, instead of on Wednesday as was previously done, stated Ken Kitasako, assistant general manager of the Co-op.

The change was necessitated because of the great demand for the bottled drinking water which requires the Co-op to go out for that on Wednesdays.

A telegraph worker to handle telegrams at 42-2-B is needed immediately, stated Kitasako. Interested girls should apply at the 69-15 Co-op office.

CPL. KETY

Doughboy Hits Anti Relocation

An American doughboy's solution of how to handle those who would prevent the relocation of Japanese American citizens from evacuee centers into the normal stream of American life, was received by Secretary of the Interior Harold L. Ickes direct from the front lines of the Italian theater of war, according to the Interior department information service.

The writer, Corporal J.H. Kety, of the United States Army, laid his rifle aside to pen the following:

"May I suggest that you send all those narrow-minded, bigoted, un-Americans over here to relieve the 100th Infantry Battalion of the 34th Division?"

The 100th Infantry Battalion, composed of American soldiers of Japanese descent, has one of the proudest records of the war. Out of the battalion (1,000 men) 900 have been awarded Purple Hearts for wounds suffered in battle; 36 have been honored with the Silver Star; 21 have won Bronze Stars, and 3 wear the Distinguished Service Cross.

Secretary Ickes' reply to Corporal Kety read, in part, as follows:

"Thank you for your letter. It is quite apparent that you know what you are fighting for."

ON ESCHHEAT CASES

Three men from California, a lawyer, an investigator from Fresno, and a representative from the state attorney general's office in California, spent Saturday in Rivers, conferring with several evacuee residents.

The purpose of their visit probably was at least in part concerning property owned in California by residents of Gila.

The Washington office of the WRA has given information for evacuees who are requested to answer questions with respect to alleged violations of the Alien Land laws of Washington, Oregon, or California, and in any escheat proceeding that may be filed by any of these states.

We feel that the following information is timely and will be of help to some evacuees:

1. Evacuees may employ an attorney to advise them with respect to the investigations. Because of the nature of the evidence that will be required by the State in the escheat cases, these interviews may be very important. The WRA will assist them in employing a private attorney if the evacuee requests such service.

2. They have a legal right to refuse to give any information whatever to the law enforcement agencies unless they are subpoenaed in a regular manner. They should be informed, however, that refusal to give information might cause their cases to receive more attention than they would otherwise receive, since their refusal to give information may be interpreted to mean that they are concealing important evidence.

3. Under the laws of California, Washington, and Oregon it is permissible for United States citizens to hold land. In many instances where citizens hold land, the land was purchased by alien parents. It is permissible under those laws for a parent to purchase land for his child, if it is intended that the child be the actual owner. However, if placing in the child the title to the land was intended merely to be a subterfuge to evade the Alien Land Law while retaining actual full control over the lands and income from them in the alien parent who paid the purchase price, the State may be able to escheat those lands.

4. To prosecute successfully escheat proceedings in these cases, it will often be necessary for the law enforcement agencies to rely upon evidence obtained from the evacuees. The transcripts of the interviews may be used very effectively (especially in cross-examination) by the State in trying escheat cases, if the information given in the interview is contrary to the testimony of the evacuee at the trial. It is, therefore, important that each evacuee be advised that if the transfer of land to a citizen was not in fact a subterfuge and the evacuee wishes to explain the transaction at the interview, he should be careful to explain fully all the facts showing that no violation of the alien land law is involved.

UNJUSTIFIED PRANKS

It has been called to our attention that during the drafted sendoff Tuesday, young men in their late teens played pranks with matches among the crowd. It is a shame that while many boys still in their teens were leaving Gila perhaps for the last time, others of similar ages disregarded the importance of the moment and went around lighting matches among the crowd.

Even at a more hilarious occasion, pranks such as these cannot be tolerated, and under no stretch of tolerance are such pranks justifiable at a drafted sendoff where both those going and those sending them off are intently occupied in a serious occasion.

BUTTE

'MUSIC MAKERS' SWING WELCOME

Featuring the mellow rhythm of Butte's own "Music Makers," nine men and a girl, a dance welcoming the new arrivals from Jerome will be held Saturday, July 1, 8:30 p. m. at the Palladium located in block 43.

Preparation plans for the affair indicate that this will be one of the outstanding social events of the year.

The Palladium will be decked out in an atmosphere of a real ballroom with a unique refreshment bar. Door prizes will be given to the holders of lucky tickets.

Singing with the "Music Makers" will be Yoshi Iwashika.

The dance will be a sports affair open to couples only. Bids will go on sale Saturday, June 24, at sixty-five cents per couple.

Bids may be bought from all orchestra members, the CAS, and at both Butte canteens.

BAKER GIVEN COMMISSION

John C. Baker, chief of the WRA reports division since June, 1942, has been commissioned a second lieutenant in the U. S. Marine Corps Reserve, effective June 15, according to the WRA information digest of last week.

His first assignment will be the Aviation Ground Officers' School at Quantico, Virginia.

The report did not state who would succeed Baker as chief of the reports division.

TUBE COMPANY OFFERS JOBS

The Michigan Seamless Tube Company in South Lyon has an immediate need for 15 - 20 nisei to work in the rolling mill of the plant which manufactures cold drawn seamless stool tubing, stated Wilson Hart, relocation advisor.

Starting rate of pay is 80 cents per hour. Top rate in the rolling mill department is \$1.15. Time

GILA LICENSES INVALID MONDAY

Drivers' licenses issued in Rivers become invalid on Monday, June 26, stated John W. Nichol, acting chief of police.

Applications for new licenses should be made as soon as possible at the Butte administration building or at the Canal police station in block 16, Nichol stated.

Co-op Delegates Schedule Meet

Declaration of the patronage refunds for this fiscal year will be discussed at a regular meeting of the Gila River Co-op Congress of Delegates 1:30 this Saturday afternoon, June 24, at the Canal administration building.

Former Co-op delegates of Jerome are especially welcome to attend the meeting, stated Masato W. Kato executive secretary. Busses will take the Butte delegates to Canal from Co-op stores #2 and #3 at 1 p. m. sharp.

One hundred per cent attendance is requested, states Kato. If a delegate is not able to attend, an alternate should be sent in his place.

JOURNALISM

Quill & Scroll Inducts Five

Quill and Scroll, International Honorary Journalists Society, will induct five students of Butte High School with a candlelight service to night at 8:00 at Chapel 40.

Speakers for the evening will be Ethel Fleming, reports officer, and Wataru Takeshita, editor of the NEWS-COURIER.

The four to be initiated tomorrow evening will be Fumi Anraku, Miyeko Omura, George Shingu, and Sachi Wada.

Tommy Uejima will receive his pin through the mail.

The public is cordially invited to attend the ceremonies.

and a half will be paid for all time over 40 hours per week.

SPEECH TOPS CANAL CLASSES

Summer school registration at Canal revealed dramatics and public speaking as the most popular subjects among the students, stated J.P. McVey, principal.

Dramatics will be under the direction of Maxine Hagan and Warron Higgins. Miss Erwin will take over the debate classes.

Posted on the bulletin board is a list of students who received low ratings in the recent Standard Tests. Said McVey, "those whose names are listed are advised to take the review courses offered."

Pearl Jackson, recently added to the Canal High faculty, is also planning to organize the Girl Scouts. Girls interested should contact her personally.

'NISEI SPEAK' IN LIBRARY

The Summer issue of "Common Ground" and a Public Affairs Committee pamphlet now found on the magazine rack in the Butte community library contain articles on the nisei by Carey McWilliams.

The "Common Ground" carries an article "The Nisei Speak," a condensation of a chapter in McWilliams' forthcoming book on evacuation and relocation of Japanese Americans.

The pamphlet, also by McWilliams, is entitled "What About Our Japanese Americans?"

HEMP MILLS TO OFFER EMPLOYMENT, SAYS KENNEDY

There is no lack of opportunity for employment in the Chicago, Illinois, area, stated Vernon Kennedy, Chicago relocation supervisor. These opportunities exist for both men and women, and for issei and nisei.

An increasing number of nisei are going into war plants. Military and naval authorities have demonstrated their increased confidence in resettlers by approving their employment in a wide variety of war industries prior to individual clearance.

Said Kennedy, "Employers almost daily call in to sing the praises of their nisei and issei employees who have stepped into the manpower shortage gap to help turn out war goods."

In the near future a new field of work--the War Hemp Industries--will be open to the evacuees. Workers will be needed to work in the hemp mills. The mills will employ both men and women, and old people as well as young people.

The mills will not be operated permanently but there will be work for about a year and a half.

This should enable a family to support itself

comfortably in a rich agricultural area over a period long enough to become acquainted with the people, climate, soil condition, and markets, said Kennedy.

NEW RELOCATION POSTS IN SOUTH

The first relocation offices to be opened in the South are now in operation. One, at Savannah, Georgia, is headed by Charles Price of the Little Rock regional office, who is serving temporarily as relocation officer until a permanent appointment is made. The other office, located at New Orleans, is under the supervision of Runo E. ... formerly assistant project director at Jerome.

RELOCATION

Pamphlet To Be Made For Issei

Soon to be published is the first WRA pamphlet to be written exclusively in Japanese and prepared particularly for issei residents of the centers. The new booklet will tell the picture story of evacuee families who have relocated in recent months, according to the information digest of last week.

Five typical families were chosen as the subject of the booklet. WRA photographers Charles Mace and Tom Parker visited these families in their homes where they took pictures of family members and secured data on their employment, home life and recreational activities. Included are one family each from Peoria, Illinois; Milwaukee, Wisconsin; Rockford, Illinois; McHenry, Illinois; and Moorestown, New Jersey.

The text was translated into Japanese by the Reports Division's new translator, Toshiro Hirai, formerly of Manzanar.

WADA WILL EDIT '45 YEARS FLIGHT'

Sachi Wada has been named editor for the 1945 "Year's Flight," Butte High School's annual publication.

Assisting her will be A rehibald Fukushima, Takao Shishino, Hidoki Yamanaka, Lawrence Yamamoto, Fumi Anraku, and George Kataoka.

Work on the annual will start this summer in order to incorporate a full year's activity within the covers.

A meeting of the staff has been called for Saturday, June 24, in the high school study hall at 1:15 p.m.

CANAL SPONSORS JEROME WELCOME

Registration for the Jerome Day Welcome Social to be held on July 3, 8 p.m., in the Canal High Auditorium began today at the Block Managers' offices.

This affair is free and open to those of high school age and up.

Jerome transferees need not register. Canal residents planning to attend must sign up before the deadline June 26.

Preparations for this celebration are being conducted under the advisership of Arthur L. Griswold, assisted by co-ordinators, Kengo Osuni and Maxine Hagan. The evening's entertainment will include films, community singing, dances, and stunts arranged by the YBA and CAS. The clubs of Canal are uniting their efforts to make this social a success.

Organization aiding are:

CAS and Lettermen decorations, Nurses' Aides- refreshments, welcome pins, Navy and White-Invitations, and YBA-personal contactors of Jerome transferees.

GROUP URGES DEPORTATION

Directors of the Tohama County Farm Bureau have adopted resolutions urging the removal of all disloyal Japanese from the Pacific Coast and the deportation of all Japanese at the end of the war who were not born here, the A.P. said.

MILLER VARIED SPEECH PROGRAM OFFERED

An extensive and varied speech activities program is being offered at the Butte High School during the summer, announced W.F. Miller, principal.

The program includes voice and speech improvement, debates, declamation contests, extemporaneous speaking, and drama. A debate and a panel discussion have been scheduled with Canal High School on June 30.

In-and out-of-school youth may participate in activities. Students may attend during their free hour or hours, even if they are working part time, said Miller.

If the number of requests justifies doing so, a separate division will be set up for late-comers, either boys or girls.

MCKIE PREPARES WRA HISTORY

Ruth K. McKee, WRA Historian, is preparing a special history of WRA from Pearl Harbor to June 1944, which will be made a part of the Department of Interior's permanent record of the wartime activities of its various bureaus.

This is a special assignment to be completed by August of this year and is not to be confused with the more comprehensive history of the agency which probably will not be published until after WRA has been dissolved.

TWO RESIGN FROM CANAL SCHOOL

Two resignations from the Canal teaching staff have been submitted, stated W.C. "Tom" Sawyer, supt. of education.

The resignation of Helen Yeaton, Spanish and English teacher, will be effective June 24. She has been teaching since November of 1942.

Dolores Shaw, third grade teacher, will resign effective June 30. She has been a member of the teaching staff since July of last year.

ROOSEVELT ON REFUGEE CAMP

More details on the proposed opening of refugee camp in New York under WRA administration is revealed in a cablegram sent by President Roosevelt to Ambassador Robert Murphy in Algiers.

President Roosevelt writes in part as follows:

"I feel that it is important that the United States indicate that it is ready to share the burden of caring for refugees during the war. Accordingly, I have decided that approximately 1,000 refugees should be immediately brought from Italy to this country to be placed in an Emergency Refugee Shelter to be established at Fort Ontario near Oswego, New York, where under appropriate security restrictions they will remain for the duration of the war. These refugees will be brought into this country outside of the regular immigration procedure just as civilian internees from Latin American countries and prisoners of war have been brought here. The Emergency Refugee Shelter will be well equipped to take good care of these people. It is contemplated that at the end of the war they will be returned to their homelands."

28 CAPTURES MAJOR LEAGUE CHAMPIONSHIP

AMERICAN LOOP COMPLETED

BEARS WIND UP UNDEFEATED

Golden Bears, who captured American League Championship recently ended the circuit's some 10-week-old schedule with a 9-7 conquest of Old Timers last Monday night.

Scattering 12 safties, Lefty Fujioka was the winning chucker, beating Ted Imura who yielded 14 bingles.

Hitting four for five, Joe Mori of the prop nine and Imura topped batters, the latter's including a homer and a triple.

It was the eighth triumph for the outfit of Coach Mason Davis, not including one forfeit.

In the eight tussles, Fujioka twirled in about every inning. His teammates, from the first, are

Gulliver Sano, Kenny Aoki, Harry Imura, Sat Tsufura, Handy Matsuda, Kiyo Kato, Norie Aoki, Haruo Hiromoto, Joe Mori, George Murakami, Frank Togami, Tak Hashimura, and Jacks on Totsubo.

Some of the champs are expected to have a chance to take part in with a Canal All-Star team against the Major League Champion Block 28 in two exhibition games this weekend. They play in Canal Saturday and in Butte Sunday.

Although another Cubs-Old Timers tilt was set for tonight, Cubs forfeited, closing the league.

The Cubs and Broncos combined will meet Old Timers in an exhibition game tonight.

Butte Racquet Club Meet

Butte High girls interested in a school Racquet Club should attend a meeting 7:30 tonight which will organize and elect officers, announced Jane Eckenstein, sponsor. It will be held at the girls' 42-8 gym room.

All interested should contact her, she said. All participating should also have tennis balls, shoes and rackets, added Miss Eckenstein.

NAT'L LOOP

Broncos tightened their strangle hold on National League leadership with a 5-3 triumph over 58 Skippers last Monday night.

Kaz Toyohara tossed for the winners.

Having but four games left, it put the loop pace setters two games ahead of second-place Dodgers.

Panthers and Block 30 are to meet tonight in an once-postponed tussle of last Friday.

65 DEFEATED IN 10TH I-O

Breaking a scoreless deadlock in the 10th, Block 28 captured the second game of a two-out-of-three Major League Championship Series last Monday evening over Block 65, 1-0. Min Kinoshita's last-inning single to center brought home pinch-runner Key Kobayashi with the tussle's only and winning run.

Ken Zenimura of the winners and Yosh Hirota of 65 hooked up in a tight pitchers duel up until the game-deciding run. Zenimura was touched for seven safties and Hirota eight.

The winning score came when pinch-hitter Masato Kinoshita singled to left; pinch-runner Kobayashi advanced to third on a fielder's choice and error, and jotted home on Min Kinoshita's line-drive bingle to right.

The 10-inning tussle was played in the remarkably short time of one hour and 12 minutes.

It was the tenth triumph in league play for the champs, including a game forfeited by White Sox. They suffered three set backs.

The pitching burdens of the Zenimura-coached titlist squad through the league's some 11-game campaign were borne mostly by Masato Kinoshita and George Matsuda.

Other members of the club are Kenso Zenimura, Bob Yoshimoto, Kenshi Zenimura, Tojo Sakamoto, Tosh Nishino, Goro Yamada, Min Kinoshita, and Key Kobayashi.

Poston Series

At least one pick-up Jerome All-Star team will be allowed to play during the series with Poston, announced Ken Zenimura, in charge.

A system will be worked out by he and Harry Kono in charge in Canal, to help raise funds for the series, according to Zenimura.

NET TOURNAY

A pair of Butte netsters advanced to the third round of a Butte-Canal Welcome Jerome Singles Tournament early this week.

Frank Susda defeated Takeshi Yamashita, 6-0, 6-2; and Kikuzo Hori downed T. Nozaka, 6-2, 6-4.

The remainder of the second-round matches are expected to be over by Sunday, no definite schedule presently being set.

市参事會

前半期最終の

一昨日の市會は幸実に於て前半期最終の議事會であつた。主なる決議はシエロムより代表者を市参事會に参考の爲めに列席せしむる件は来月の新参事會にするが合理的である事、医員に謝礼の件を区長代表から提出せしむる其議事は新議事會に要求せしむるが至當であるといふ事。市参事會議長としての重職に善處精勵せし安藤氏及び其他に感謝の贈呈の件。安藤氏が尽力した逆彩網基金管理委員は山の町は後藤氏、川の町は消費組合の佐々木氏を選ぶ件。

シエロム日の総委員長は東坪氏は既住し市水氏は入黨に付従に太田氏を推挙す。因て左々水氏は太田氏と共に次週の日長會に出席右經過を陳述し且つ区長の全面的援助を仰ぐ件。

第三回目的

仕行會

暑さと入日の爲めに八時半に漸く始め得た当町仕行會は十七名中外部に在る仁禁氏を除き十六名を送つた。兒野氏司式し先づ高橋隊の奏樂、入替者紹介所長及び市民代表佐々木氏送辭の後USO女

子團よりの贈物、市参事會の決議による在職中の功績に對する感謝状が右會議長と會議員横山氏に贈り礼最後を飾る、奏樂にて閉會、親族友人と名残を惜みつゝ九時フオートダグラス指して出發した。見送會約二千の多きに上り空前の盛仕行會であつた。因に入替者若名は前々号所報の如くであるが原野氏が遺漏して居つたので茲に補遺す。

日本語学校

に就て 所長ベオット氏から市参事員及び区長に宛て日本語教授に就き以下の通達があつた。日本語の教授は各館府に一樣に許可されるが其目的は唯語學としてであつて政治的意味

や或思想の宣傳であつてはならぬ。そして日本語學校を組織する場合には其目的組織等を書面にして所長の承認を経てワシントンのマイヤー氏に届け出る必要がある。

佛教親睦會

子報の如く月曜夜ベオット所長以下十余名の白人出席者を得て二百名に余る大親睦晚餐會が第四メスで佛青年會同主催の下に催された。主賓は二世開教使久保頼氏で其雄辯の眼目は當國での佛教は米國化されたもので無くしては教化の目的を達し得ないといふ事であつた。

昨朝安着

シエロムより二回目的の同胞

去る十五日第一回シエロムから我が川の町への移住者は七十三名、昨日が百十六名来る廿六日が九十名、昨日の廿七日が百廿八名で都合四百一一名と其筋へ通知があつた。昨日は七時半カサクランデ着の予定が午前六時に變更された爲め出迎者の安着を祝す。

正誤

と附け加へた。世に孝道の存在を疑はるゝ、現今の境遇に於て右の如き言行を受けた五区の親達の喜しさは譬ふるに物がなかつたと。

所長は何宗でも社會を利する宗教を歓迎すると示しウイグリー氏は當國の宗教の自由に就て説きヤング氏は此の如き會合の有益性を證據を加へて挨拶され主客共に藪々裡に十一時過ぎ散會した。蓋し日白親睦を目的とした佛教會の企は是れが始めてありう。因に当業者が第四メスの方々の容易ならぬ援助に感謝して居る。

鳴呼孝は

百行の基

第五区佛教青年團は平時懇細なる贈物を行つたる結果全区全部の母には母の日に、父には父の日に牛中一枚死を贈呈した。平素佛説から親の恩の如何に重く高きかを聞く團員は何がせずには居られぬ

寫眞

入替者の記念寫眞必要の方は事務録内グードマン氏から得られたし。小形五仙大形十仙迄の事。

六月十日の川の町記 市中小學校卒業式にマヤー氏の祝辭を讀誦した方を田中夫人とせしは誤りにて山の町小學校に教鞭を操りつゝある田中久子嬢であるから遅れ走せ乍ら茲に訂正す。尚田中嬢は日英兩語に堪能な稀に見る才媛である。
