GILA BOARD CREATED**12,000 SHOE STAMPS HERE
DISTRIBUTION NEXT WEEK****Minority Aid
Group Formed
FAIR PLAY GOAL**

Being formed now to carry on the fight for the preservation of the democratic rights of nisei and all minority groups is a Committee on American Principles and Fair Play, according to a letter received by the NEWS-COURIER from Galen M. Fisher, executive secretary of the Northern California Committee for Fair Play.

SUPPORTERS

Notable supporters of the Committee are Honorary Chairman Robert Sproul, President of U. of Calif., Maurice Harrison, Dr. A.C. McGiffert, Mrs. Harry Kingman, General Barrows, Dr. Henry Grady, Dr. Robert Millikan of Cal Tech, Dr. Roy Lyman Wilbur of Stanford and others.

COOPERATION

Fisher urged the evacuees to cooperate with the government in the military registration. He wrote, "Knowing your tragedies, my heart bleeds for you. But all this makes us more anxious that you cooperate with the War Department and the WRA in the forming of the combat unit and in applying for resettlement."

POSTON**THREE RECEIVE
JAIL TERMS**

Three Poston evacuees, born in Hawaii, were detained in Phoenix county jail for action in the federal grand jury after being accused Thursday of stealing \$30 worth of government property from that center, according to the Arizona Republic. Eggs, bacon, sugar beef were some of the stolen property.

MOVIE TONIGHT AT BUTTE

Relief for the acute shoe situation in the center was in sight as John Landward, administrative assistant, announced that 12,000 shoe stamps had been received and will be distributed to the residents next week.

He said that a special ration board had been created for Gila, of which James Sholly, superintendent of Community Enterprises, and a Coolidge man and himself were members.

The arrival of the stamps heralded the success of the WRA in coping with a ration problem that promised to become a source of gripe with the center residents with the cry of "red-tapo."

BAGGAGE**TRANSPORT
GI EXPENSE**

Five hundred pounds of personal effects will be shipped free for residents going on indefinite leave in addition to the baggage transportation to which each person is entitled in connection with the purchase of railroad tickets, revealed Mich Yamamoto, supervisor of evacuee property.

In order to qualify for this additional freight shipping service, it is necessary that the evacuee going on indefinite leave take full advantage of the baggage shipping privileges it was pointed out.

2,071 LEAVES

A total of 2,071 indefinite leaves plus 2,430 leave clearances have been granted to evacuees in the ten relocation centers by the WRA Washington office, according to the Pacific Citizen. Six hundred seventy-five were for students.

**Travel Leaves
To Free Areas****ONLY LEGITIMATE
BUSINESS REASONS**

Through mutual agreements reached by the Gila and Poston project offices, it was announced that more than 20 persons per week or more than 5 at one time will leave one center for the other.

Leaves for Phoenix are based on legitimate business reasons or in regards to project operations.

John Landward, leave officer, stated that leave grants will be based on (1) medical reasons; (2) legitimate business reasons; (3) visits to see members of immediate families or life-long friends.

For transportation, a Project bus leaves for Phoenix on Tuesdays and on Thursdays for Sacaton. Coolidge may be used as a take-off place it was also indicated.

**Director Bennett
To San Francisco**

Project Director Leroy Bennett left for San Francisco Thursday to confer with R. B. Cozzens, Chief of the San Francisco field office of the WRA. Deputy Director Firman Brown will be Acting Project Director.

**SNAG LULL
COTTON WORK**

Cotton harvesting work on the outside for Gilans hit a snag this week as an employment deal with the Indian Service fell through stated William Huso, employment supervisor.

Huso said that he is now working through the United States Employment Division to obtain work for approximately 150 men who have been signed. With a great need for more pickers existing, he said the men will probably be out in the fields early next week.

The approach of warm weather and not too chilly evenings, produces a desirable yen for outdoor picnics, barbecues and weiner bakes. Especially do we crave to go wild flower hunting. We don't mean that kind of "wild flower," rather the more delicate inflorescences--such as "poppies, golden poppies" of California, fairy's lanterns, Indian paintbrushes, forget-me-nots and touch-me-nots.

Wonder if we can go a-pickin' when the bloom is on the sage? Fine.

What with the meat shortage prevalent here and there, and everywhere, "shooting the bull," still hasn't been listed on the rationed list. Amazing, don't you agree? With all this ululation about vegetable scantiness too, "slinging corn" (in the GI manner) is still on the rampage! What patriotism! (Pass the salt, please.)

Guess that toilet paper shortage (which Santa Anians always racked their upper stories over) finally hit Gila. Something resembling stacks of this tissue were delivered to our apartment and we almost used them for napkins.--Well, that's what they are!

Wish something could be done about transportation to and from the office--or hurry that shoe ration coupon. Typist, Miss AM comes to work with only the top part of her shoe, nearly. And she's threatening to quit on us. Won't somebody, anybody, answer our flag for SOS?

There's a new volleyball court in our block, so the other day we tried our hand at it. Oh! What a stiff lot we were the next couple of days. Looks as though old age is beginning to tell on us. Oh, woe is me.

Luau, Mess 45, 7 p.m.

LEADERS IN TOLERANCE

After a full month of registration, the Army recruiting team will be gone in a few days.

Following them a few days will be the men--volunteers for the AJ combat unit--who believed in the cause that the team had come to help us fight.

Of the sincerity and friendship of the four men who came, we have no doubt. They are the Army, yet they have shown us that the Army, even in times of war, can be considerate of human feelings. We, in the center, inclined to be so impatient with many things, have been amazed also be the patience of these men.

We regret that all the people in the center have not been able to talk with each of these men--Captain Thompson, whose spirit of tolerance and friendliness was the guiding light of the team; Sgt. Gilloti, deeply understanding because of a natural leaning toward minority causes; Sgt. Aburamen, very convinced that the combat unit will help the nisei cause; Cpl. Wellington, a regular guy interested in sports, dates, who might have been voted the most popular boy in high school.

Ours is a strange station in life. If these men, have understood some of the feeling, the bewilderment, the hurt, that exists here, they can do us and the world a great service.

(WE WISH THEM GOOD LUCK.)

Firemen Seek Second Win; Blk 66 Tussles

With two of their crack teams traveling to Canal, Butte baseball fans will contend themselves with two rather unknown squads, Arroyo Grande and Block 66, when they make their season's first appearance tomorrow afternoon at 2 p.m. In tomorrow's only other game, L. A. Bulldogs are pitted against the Firemen at 9:30 in the morning.

Arroyo Grande's manager Kaz Ikeda will probably start chucker Joe Koyanagi and himself as catcher. Also on hand will be hurlers Bud Asakura and John Tachihara.

Block 66 led by player-coach Mike Nakano will start pitcher George Kanagaki with Munimitsu receiving.

In the morning contest, Firemen's Kumi Hisatomi will be the starting moundman with John Shinsaki, Julius Sakuma and Fumio Itow standing by. Probable receiver is Tad Nakamura.

BASEBALL COMPETITION

Solons In Block 30 Clash; Vikings Host To Guadalupe

A huge and enthusiastic throng is expected to witness Canal City's inaugural opening of the baseball season tomorrow afternoon on the newly constructed CAS diamond.

Harry Kono, chairman of the 2CAC Baseball Commission, definitely stated that, in the first game of the doubleheader set at 1 p.m. sharp, an invading Guadalupe YMBA nine of Butch Tanura will run into the avenging Viking hardballers, coached by little but dynamic Irving Morishita.

Hurler Jim Nishino and catcher Tom Murata are the probable starters for the visiting team which nipped the Canal Cards last weekend.

Moundsmen Hank Okni and Ken Hamaguchi with catcher Jucie Ikeda will carry the burden for the hosts.

The Solon aggregation, capturers of Turlock Assembly Center's National League pennant last year, will encounter Ted Iwasaki's Block 30 outfit at 3:30 p.m.

Although Kaz Hatanaka

will labor behind the plate, Butch Oto is uncertain as to the Solons' starter on the mound with regular twirler John Muranishi still hampered by an untimely injury.

For Block 30, Mas Okuhara will probably throw them across in response to the signals of Tonky Takekida.

CARDINALS DROP GREMLINS

Cardinals maintain their hold on league leadership as they stampeded to a convincing 58 to 35 win over the rapidly skidding Gremlins last Wednesday night.

Mas Tsuda kept pace in individual scoring race by whipping through 15 baskets, 12 of which were in the second half.

Led by the great defensive play of Genichi Shimada, Zephyrs thumped the Medics 51-21 in a long echoing victory.

Thursday night saw the Dukes grabbing their season's two win by squeezing out the Poop-Outs 26 to 25.

Maeda, Roughriders-Ben Matsuiura, Block 6-Bill Furuta, and Rio Vista-Tod Takoda.

ROCKETS TRIM CANAL CARDS

The Rocket cagers are suspected as possessors of "senin bari" or other charms as they squeezed out another close over the powerful Cards last Wednesday evening in a nip and tuck thriller.

This seeking 35-36 victory boosted the Rockets total win to seven straight. They are slated to play the Golden Bears tomorrow night at 7 on court 25, a postponed tilt.

Behind at half time, the Vikings snooked by and plastered a 30-35 loss on the Roughriders to maintain their slim chance for the crown.

The Cyclones and Raiders wore goggles at their own foats as they hung up their initial wins in seven

games over the favored Blockheads and Solons with a 33-36 and 41-42 count respectively.

Grizzlies Meet Rajahs for Title

Canal's Boco League championship will be at stake Monday evening when the Canal Hi Grizzlies. Western Division champs and the Eastern loop winner, Maharajahs clash in a one game play-off on court 25 at 7:30 p.m.
