

REGISTRATION PROCEEDS

Registration, covering leave clearances for all Topaz residents and military service for all male citizens 17 years of age and over, is advancing according to the schedule published in the Friday issue of the Topaz Times, it was announced today.

Residents of blocks 8 and 11, who began registration Saturday, were accommodated in today's registration with blocks 3 and 26, so that the schedule could be brought up to date, according to Claude C. Cornwall, chief of employment.

All persons should adhere strictly to the day of registration scheduled for their block, Cornwall said. However, residents desiring to expedite their own registration may do so by securing the proper form from the registration hall in advance, filling it out at home and returning it on the scheduled day.

According to the schedule, blocks 4 and 19 are expected to register tomorrow.

RESIDENT COMMITTEE FORWARDS RESOLUTION TO WASHINGTON

In accordance with plans, all citizens of each block held a meeting Saturday night to discuss matters dealing with the registration and to select 4 representatives from each block to attend a city-wide assembly on Sunday.

One of the specific purposes of the discussion was to bring out the feeling of the residents with respect to making a declaration to the U.S. government which would indicate the desires of the residents regarding their civil rights.

At the meeting Sunday, a report was received from the representatives of each block. Upon agreement of those in attendance, one representative from each block was selected to form a committee of 33 members who convened immediately.

diately.

At this committee meeting, the following delegates were appointed to form a sub-committee: Victor Abe, Shig Eimoto, Frank Fukuda, K. Nishida, George Ochikubo, S. Take-shita, Shozo Tsuchida, Rev. Joseph Tsukamoto and Sus Yamashita.

The sub-committee prepared a resolution which was teletyped this morning to the Secretary of War Henry L. Stimson and to Dillon S. Myer, national director of the WRA.

TEXT OF RESOLUTION

We, the citizens of the United States of America, residents of the Central Utah Relocation Project, Topaz, Utah, in order to perform our duties as loyal citizens of the United States and in order to uphold the principles of democracy as established in the Constitution of the United States do hereby state that:

Whereas, we the citizens of the United States have been asked by our Government to pledge our unqualified allegiance to this country.

Whereas, we have accepted in good faith and in full cooperation the extraordinary orders of the United States Army.

Whereas, we feel that we have given our fullest cooperation to this program of evacuation.

Whereas, we have temporarily surrendered many of the rights and privileges of citizenship which we have heretofore enjoyed.

Whereas, the Government through the Federal Reserve Bank has promised us full protection from unscrupulous people at the time of evacuation.

Whereas, we believe the Federal Reserve Bank has failed to protect the people.

Whereas, we suffered losses of homes, properties, work, freedom of movement, separation from friends, and all things we felt dear to us without protest.

Whereas, we wish to prevent in the future, the mass evacuation or confining of citizens without trial.

Whereas, we feel that there is only one class of citizenship in this country and a loyal citizen of one race should not be treated any different from another.

Whereas, we believe that some of these things mentioned above constitute

a violation of our civil rights.

And whereas, we believe sincerely and honestly in the principles of freedom of Speech, freedom of Worship, freedom of the Press and freedom of Assemblage as embodied in the Constitution and its amendments.

Therefore, be it resolved:

(1) That we ask Secretary of War Henry L. Stimson that after a thorough investigation by the military Intelligence and the Federal Bureau of Investigation and other Federal authorities that persons that are cleared should have absolute freedom of movement and the choice of returning to their homes.

(2) That we request President Roosevelt to give us assurance that he will use his good office in an endeavor to secure all constitutional and civil rights as American citizens.

(3) That the security for the issei be assured.

(4) That we ask President Roosevelt to use his good office to bring favorable impression to the public regarding the loyal citizens.

(5) That we ask that those issei considered by the Government as being

not disloyal to this Government be classified as friendly aliens.

(6) That we have the Government note the advantages of the good publicity to be gained by disbursing nisei soldiers into the Army at large rather than by forming a separate combat team; and that the Government further note that the education of Caucasian soldiers can be made through deep comradeship that grows between soldiers facing a common task and thereby educate the American public.

(7) That the Government recognizing that we are fighting for the Four Freedoms as embodied in the Atlantic Charter should apply these democratic principles to us here at home.

(8) That we believe that if satisfactory answers can be given by a Government spokesman, preferably the President of the United States, to these questions we can go and fight for this our country without fear or qualms concerning the security of our future rights.

And be it further resolved, that we respectfully ask for immediate answers to the questions in this resolution.

RELOCATION NOT COMPULSORY, WRA SAYS TO QUERY

Q. If issei fill out WRA form 126 (revised), do they have the privilege of refusing the outside work offered if they feel that the money received for services will not be sufficient for their living needs?

A. The answer is yes. The further answer is, "The WRA is not going to force people to relocate when they do not want to be relocated." This would cover cases of insufficient wages as mentioned in the above question and also cases in which relocation was considered undesirable for any reason.
