TO PLAN FOR SALE OF FARM EQUIPMENT

In order to help alleviate the shortage of farm equipment and to assist the residents in the sale of farm equipment and trucks that are now in storage, all relocation centers, in conjunction with the Evacuee Property office in San Francisco, are preparing forms to make a survey of all such available equipment. The Evacuee Property office will endeavor to find buyers for the farm equipment for all those who desire to dispose of it. There will be no compulsion requiring anyone to sell.

These forms will be available Tuesday, Wednesday, and Thursday at the block manager's office. They will also be available at the Agricultural Office, where questions will be answered by Elwood Mortensen who will be stationed at the Agricultural Building during Tuesday, Wednesday and Thursday.

50 Leave For Farm Work

Fifty workers left the Center last week for agricultural labor in the cultivation and harvesting of "Food for Victory" crops, it was reported today by Claude C. Cornwall, chief of the employment division.

The largest group of 25 departed March 18 on a contract submitted by the I.K. I. Farms for carrot harvesting in Logandale, Nevada. Fifteen left to be employed for various types of agricultural work March 16 at a farm operated by B. H. Hartman of Midvale, Utah.

Other Utah farmers who employed Topazans last week are Roy Tachiki of Spanish Fork, 5 workers, and Fred Nakamura of Provo, 7 workers.

500 ATTEND FIRST TOPAZ YBA MEET

The first semi-annual YBA Conference for Topaz held Saturday and Sunday was acclaimed a success with the attendance close to 500.

The initial service and ceremony was opened by Chairman Mike Maruyama, followed with the Boy Scout drum and bugle corps and following a vocal solo by Margaret Kitashima, concluded with greetings from Project Director Charles E. Ernst, Tsune Baba, Rev. Taro Goto, and D. Yamate. In addition, two interesting talks were made by Bishop and Mrs. A.O. Gardner of the Mormon Church to the Busseis.
