AG CHIEF HERE TO DISCUSS 1944 FARM PROGRAM

E. H. Reed, head of the WRA agriculture section in Washington, is in Topaz to confer with the farm and mess management section on Topaz's 1944 agriculture program.

Expansion of the livestock program, particularly beef, reduction of truck crop acreage and concentration on the relatively few crops demonstrated this year as productive are contemplated, Reed declared. All crops subject to frost damage will be eliminated.

Such crops as cabbages, onions and daikon will be stored for consumption during the winter.

According to Roscoe E. Bell, assistant project director, fall preparations are already under way. Plowing is progressing satisfactorily, he said.

Reed is visiting all the centers to determine their needs for self sufficiency.

2 TRANSFEREES RELATE ACCOUNTS OF RECENT TULE OCCURRENCES

Arriving here Saturday afternoon with 55 other transferees from Tule Lake was Tom Nakao, 20, one of the victims of the recent truck accident at that center. Nakao is still recovering from the mishap at the local hospital.

When interviewed by a staff reporter, Nakao stated the accident which caused injuries to 32 persons occurred about 1 1/2 miles northwest of the project on October 15. The accident, considered as one of the factors which led up to the strike, hap-

THREE TOPAZ VOLUNTEERS TO BE CALLED THIS WEEK

ROSSI LOSES IN S.F. MAYORAL RACE

San Francisco voters last week ended the 13-year regime of Mayor Angelo J. Rossi and elected into office shipowner Roger D. Lapham. Board chairman of the American-Hawaiian Steamship Co. Lapham, despite opposition from the Hearst papers and organized labor, won by an appreciable plurality.

In nearby Salt Lake City, Mayor Ab Jenkins, famed speed record holder, lost out to Earl Glade, vice president of radio station KSL.

PARENTS SUBJECT OF STUDENT FORUM

"Why Don't Our Parents Relocate?" will be the topic of the current semester's first student forum, Thursday afternoon from 4 o'clock at 32-3-IF. The public is cordially invited to attend.

Three Topaz volunteers for the US. Army will be inducted this week, according to the Millard county draft board. Only one of the group, Kay Nakagiri, formerly of Tule Lake, is in the center. He will be inducted at Ft. Douglas.

Toshio Suzuki, now in Detroit, Michigan, and Masao Isobe, Madison, Wisconsin, will report to their nearest induction centers. Suzuki and Nakagiri will serve at Camp Savage, Minnesota. Isobe is a volunteer for the combat team now training at Camp Shelby, Mississippi.

According to the Millard county draft board, induction papers have been prepared for Yutaka Kagami, Layton; Paul Shiro Tomina, Chicago, Illinois, Ben Toha, 12-2-B; and George Yoshioka, 35-6-B.

FIRST STUDENT REPORTS ISSUED

Approximately 1200 hopeful students heralded the grand entrance of mid-semester report cards as poker faced teachers distributed the cards of doom yesterday.

Victor Goertzel, guidance director, pointed out that parents should give active, personal consideration to the progress reports. Parents are invited to view the advance of their children at the high school at any time, he said.

LEAVE OFFICE TO MANAGE GRANTS

Receiving of applications and certifying to the fiscal unit of the need for transfer of travel grants will be directed by the leave office hereafter, George Lafabregue, head of community welfare, announced today. Claude C. Cornwall, chief employment officer, is in charge.

WEATHER	Max.	Min.
Saturday.....	57°	21°
Sunday.....	57°	18°
Monday.....	61°	16°

Miss Narahara declared that many of the newspaper accounts of the Tule situation were exaggerated considerably.

Job Openings

MECHANICS: Boston, Mass., \$55 a week for 48 hours if experienced. (2153)

MINE WORKERS: Middletown, Conn. 70¢ per hour for first 40 hours and time and one-half up to 54 hours. (3154)

COOK: Ann Arbor, Mich. \$150 per month plus room and board. Male or female cook for sorority home of 30 girls. (3164)

TWO NEW INVESTIGATIONS AT TULE LAKE TO BE STARTED

Two new investigations of the Tule Lake situation were in the offing last week as the California state senate investigating committee completed hearings of testimony and advised that military control be continued at the center.

PROVO TENT CAMP CLOSED

With the closing of the Provo tent city last week, approximately 75 persons returned to the project Sunday, it was learned.

A small number are still remaining at the camp to clean up the area and check property. Many of the workers have transferred to the Spanish Fork FSA camp.

MAIL GIFTS EARLY, RESIDENTS URGED

Due to the heavy load on postal service during wartime, no assurance can be made that gifts and cards mailed in the weeks immediately preceding Christmas will be delivered on time, according to the post office. Such matter must not impede the movement of war materials and military mail.

The post office department stated that all Christmas packages should be marked "Do not open before Christmas" and mailed this month.

All Christmas packages should be in the mail by December 10.

UTAH EDUCATORS INTERESTED IN TOPAZ SCHOOL PROGRAM

State educators at the southern Utah conference of principals and superintendents, held Wednesday in Cedar City, are in sym-

3 CATTLE FEEDLOCKS TO BE CONSTRUCTED

Plans are being made to construct 3 feedlocks on the cattle ranch, according to the agricultural section.

About 500 head of cattle will feed in the new feedlocks during the winter when grazing in the fields becomes impossible, it was reported.

Under orders from Attorney General Francis Biddle the FBI is expected to begin an investigation of conditions at Tule prior to the disturbances. If the FBI probe should disclose any violation of federal law, "prompt prosecution action will be taken," Biddle stated.

Concurrently, Representative Clair Engle, whose district embraces Tule Lake, demanded a congressional investigation of the camp and its management by the WRA.

Testimony before the senate group by WRA employees included charges that the Japanese controlled the camp, intimidation of the appointed personnel, and wasted food and material.

DOMESTIC JOBS OPEN IN DELTA AND NEPHI

Two domestic jobs in Delta and another at Nephi are available for 3 girls.

Applicants for the Nephi position must be able to cook and do some laundry. Wages are \$50 per month.

Girls interested in the Delta openings should contact Mrs. Ella Black at 8-6-AB.

pathy with the Topaz education program, said Brayton B. Nuttall, high school principal, today.

"The school administrators manifested great interest in our community, and are willing to promote closer relationships with us," Nuttall asserted.

Whether Topaz high school will be permitted to enter regular league competition or not, was not determined at the conference, according to Nuttall. Topaz, however, will participate in interschool athletic contests.
