## FIRST DRAFT LIST MADE BY WAR DEPT.

The list of 121 persons cleared for selective service released yesterday in the Topaz Times extra edition was prepared by the War Department in Washington, DC, according to authoritative sources today.

The list was originally sent to the state selective service board in Salt Lake City, Utah, before being forwarded to the Millard County Draft Board, it was indicated.

## 1000 ATTEND ROHO MAYEDA FUNERAL

More than a thousand persons paid final tribute to Roho Mayeda at funeral services held in the auditorium yesterday afternoon.

Mayeda, 56, who was a foreman of the poultry section, died in a fatal accident at the farm last Tuesday.

Wake services were held in the auditorium Sunday evening.

WEATHER	Max.	Min.
Saturday.....	20°	1°
Sunday.....	31°	3°
Monday.....	30°	14°

Persons on the project whose names were listed as cleared for selective service will be called in to fill out selective service questionnaire form 304A and several other necessary forms within the next few days, according to Corlies Carter, assistant relocation officer who is in charge of the selective service office here. Temporarily, the office will be established at dining hall 2.

Carter and Russell Bankson, reports officer, conferred with Hillman Davies, chairman of the Millard County Draft Board, yesterday afternoon for more detailed information concerning selective service procedures.

Bankson reported that regardless of whether a person has filled form 304A before, all those on the new cleared list will be required to fill them. The Millard county board will then send these completed forms to the respective draft boards of the various individuals on the Pacific coast.

Those who registered after January 1, 1944, at Topaz will be processed by the Millard county board, whereas those who registered in Topaz before December 31, 1943, are referred to the coast boards.

The coast boards will notify the Millard county board of an individual's reclassification from 4C to 1A, 3A or any other group after processing the questionnaires which they will receive, it was stated.

The group receiving 1A classifications will be sent to Fort Douglas for physical examinations. Persons accepted will be told to await their calls by their original boards.

## IMPORTANT POINTS ON SELECTIVE SERVICE REGULATIONS INDICATED

The following points revealed by Russell Bankson, reports officer, will aid in clearing up many questions existing in the minds of the readers.

1. Seventeen year olds will not be inducted until they reach their eighteenth birthday. They will receive their physical examinations when they are 18 and if accepted will await call as any other registrant. 17 year olds wishing to enter the service immediately may do so by volunteering.

2. High school students 18 years old will not be deferred until graduation.

3. At the time of induction, all draftees will be given an opportunity to volunteer for training at Camp Savage.

4. All persons who have relocated will be processed by the draft board nearest their present residence. The local selective service board will handle cases of those in the center and those on seasonal leave.

## YOUTHS CAUTIONED

In conformity with selective service rules, all draft age males are again cautioned to notify their boards of their address changes.

## NO MORE NAMES ADDED TO LIST

According to Project Director Charles F. Ernst no more names have been received from the Millard County Draft Board. He further stated that he did not know when the next list of names would arrive here.

# PLANS FOR HOT HOUSES NEAR HOSPITAL MADE

Plans for the construction of several hot houses with Cello-Glass near the hospital laundry have been completed, it was announced yesterday by the design unit. The application for approval to build these houses has been sent to the War Production Board in Washington, DC.

Tender crop plants for the farm section were purchased from the outside previously, but with the hot houses, plant propagation will be possible on the project.

The steam from the hospital boiler will be used to heat the houses.

## CORNWALL TO BE TRANSFERRED EAST

Claude C. Cornwall, relocation officer, will be transferred this month to a field relocation office in the east, according to word received from the Washington WRA.

One of the first appointed staff members to arrive here, Cornwall has been in charge of employment and relocation work.

## DESERT Echoes

DRAFT COMES TO TOPAZ

Hoping that the following salient facts concerning the first 121 Topaz youths named in yesterday's Topaz Times extra edition will be of interest to some of the readers, we present, without comment and without ceremony, these items.

1. One youngster registered at the local board #30 Monday....after discovering that his name was included in the list.

2. Two of the persons named are girls.

3. It is believed that a number of those mentioned have not yet registered since they have yet to reach their 18th birthdays. Incidentally, one of them is a soph in the local high school.

4. Fifty-six of the youths listed graduated in the class of June 1943 from the local high school, while eight received their diplomas 10 days ago. Two of them are brothers, one graduating last June and the other in January.

GOD BE WITH YOU

Especially touching was Mrs. Isao Tanaka's departure last week for Chicago. Madame Tanaka led her Protestant Church women's choir in "God Be With You Till We Meet Again" while the singers were standing in the severe snowstorm. Rev. I. Tanaka will work for a Methodist book store.

MUCH ADO ABOUT NOTHING

"The difference between Sally Rand and myself," said the go-gettingest female reporter of the Topaz Times in one of her weak moments, "is that Sally has nothing on me period."

CIRCULATION HEADACHE

The reason why some of the blocks didn't receive the Topaz Times Saturday afternoon was that there weren't enough cars to deliver the paper. As it was, 3 huge trucks were employed. The first went for 5 blocks before the radiator froze. The 2nd failed after going two blocks and the 3rd ran out of gas at block 28.

Henri Takahashi

## TOPAZ VARSITY QUINT CRUSHES DELTA RABBITS

Barle-eyed Tom Tomioka and Hank Hidekawa paced the powerful Topaz Rams to a 35 to 21 victory over the fast breaking Delta Rabbits last Saturday night on the local courts.

Delta gave the Rams a bad time in the opening few minutes but only for a few minutes. With Tomioka and Hidekawa alternately scoring, the Rams led at the half, 21-7.

In the 2nd half, coach Koba's Rams kept up with the desperate Rabbits who managed to make 14 points.

Varsity players who participated were Tom Tomioka 15, Ossie Tanaka, Mike Mareda 4, Stan Tanaka, Hank Hidekawa 12, Vince Mami 4, and Yosh Fujita 6.

### A FREE THROW

## BLOCK 1 TAKES CLOSE FRACAS

A missed free throw which could have tied the score in the closing seconds of the game was responsible for block 19's loss to the block 1 contingent last Saturday afternoon, 20-19, in an American league clash.

Scoring in the first spasm was rather even with block 1 leading by virtue of 2 charity tosses, 7-5. Both teams missed continually, passed wildly. In the 2nd quarter block 1 made 4 tallies while block 19 was held scoreless.

In the last frame, 8 points behind, #19 slowly chiseled away at the score. With the score at 20-19 and 45 seconds to go, Geo. Kawano missed a free throw that would have knotted the count. The final score, 20-19.

### THE LINEUPS

**BLOCK 1:** Ernie Kikuchi 5, Iggy Yoshimura 3, Terry Watanabe 8, Taxi Hironaka 2, Randy Sasaki 2, and Min Shimada.

**BLOCK 19:** Frank Sasagawa 3, George Kawano 4, Sam Yamamoto 5, Kunio Ishii 4, Mike Yoshimine 3, Ken Kiwata, Mike Hata, Iako Takahashi, and Yosh Sakumura.

After getting off to a late start in the first quarter, the block 20 cagers pulled ahead and maintained their lead until the final whistle to

dump the block 9 casabans by a 15 to 24 score last Sunday afternoon.

The three-man scoring team composed of Akira Nakata, George Yonekura and Ted Iida paced the winners throughout the fracas with 14, 6 and 4 points respectively.

The victors faltered in the 3rd stanza and allowed #9 to come within 3 markers of tying the score but #20 pushed in 8 successive points to ice the game.

### THE LINEUPS

In a hotly contested fracas, the Co-op casabans copped the first overtime tilt played in the new gym from the fighting Commissary quint, 28-27, Saturday night.

Co-op's diminutive Tad Horita broke the deadlock in the 2-minute extra by making good a free toss

followed by George Yonekura's bucket putting the storekeepers in the lead, 28-25. With 45 seconds to go, Tachi Tanaka sank a field goal for Commissary but the game ended before another basket could be made.

The game was tied 11 times, both fives fighting for the lead throughout. No team was more than 3 points ahead at any time. Min Kinemoto of Commissary was high point man with 15 digits, while Co-op's Ishii sank 10 points.

# NISEI DRAFT ANSWERS GIVEN

With selective service now foremost in the minds of American Japanese and their parents, the following questions and answers prepared by the Washington, DC, WRA reports division are published to clarify some of the doubts that may still be in the minds of center evacuees.

Q. To what age group will induction for military service apply?

A. To males 18 to 37 years of age inclusive.

Q. Will kibel be inducted.

A. Yes, if otherwise qualified.

Q. Will issei be inducted?

A. No.

Q. Will a man who has left the relocation center be inducted?

A. Yes, if qualified. Induction does not depend on residence in a center.

Q. Will an individual of Japanese ancestry who has applied for expatriation be inducted?

A. Generally speaking, no.

Q. Can a man avoid induction by changing his answer on the loyalty question or by asking for expatriation at this time?

A. No. A change in his answer or a request for expatriation will not effect his liability for training and service. The Selective Service Law carries penalties for false statements made for the purpose of avoiding induction.

Q. At what rate will men be called for induction?

A. The rate of call will depend on the local Selective Service Board quota.

## ACCEPTABILITY FOR SERVICE

Q. On what basis does the Army determine "acceptability for service"?

A. "Acceptability for service" is determined by checking individual records.

Q. Is there any way for a man not considered "acceptable for service" to change his status?

A. Not at present.

Q. How soon will inductees be called?

A. It is impossible to indicate the exact time when a registrant will be called. An individual considered "acceptable for service" will be reclassified by the local Selective Service Board. He will undergo a pre-induction physical examination when his order number is reached, or sooner if he waives this requirement and volunteers. If he is physically qualified, he will generally be called not less than 10 or more than 90 days thereafter.

Q. Where will physical examinations be given?

A. At the Armed Forces Induction Station designated by Selective Service, usually the nearest station.

Q. If a man originally registered with a Selective Service Board on the Pacific Coast will he go back to that point to be inducted?

A. No. He will be inducted at the nearest Armed Forces Induction Station or Reception Center.

Q. How will an "acceptable" nisei be notified to report for induction?

A. He will receive an order to report for induction from the appropriate local board. The order will be on DSS Form 150.

Q. Is there an opportunity to get into the Navy? The Marines? The Army Air Forces? The Armored Force?

A. Inductions are authorized only for the Army. Inductees will not be assigned to duty with the Air Forces or the Armored Forces.

## WHERE NISEI WILL SERVE

Q. Where in the Army will the Japanese Americans serve?

A. They will serve wherever the United States sends them; however it is anticipated that after basic training the majority of inductees will be assigned for service with the 100th Battalion or the 442nd Combat Team.

Q. Are there penalties for failure to notify a local Board of a change of address?

A. Yes. An eligible male who fails to keep his local board notified of his address will be reported as a delinquent to a US District Attorney, and will be subject to penalties provided in the Selective Service and Training Act.

Q. Are nisei soldiers in uniform permitted to go into the evacuated zone?

A. Yes, when on active duty and on leave, or furlough.

Q. What assistance from the government does the family of a soldier receive?

A. The system of benefits and allotments available from the government to families of soldiers is too complicated to explain briefly. In a relocation center the welfare section has full information; outside a relocation center the local headquarters of the American Red Cross has such information; soldiers may receive complete information at Army Posts.

## ABOUT DEPENDENTS

Q. What arrangements will WRA make for dependents of a nisei in a relocation center who is inducted into the Army?

A. Policies of WRA which apply to any persons in relocation centers also apply to dependents of soldiers.

Q. Will dependents of a nisei who is inducted after leaving a relocation center be eligible to return to a center.

A. Policies of WRA governing the return of any relocated person or family will apply to the family of a soldier. Briefly, the relocation supervisor in the area must give his approval before the project director is authorized to grant readmittance to a person who has been relocated.
