MYER ADDRESSES SPECIAL COUNCIL SESSION TODAY

Dillon Myer, national WRA director, will meet with councilmen and other resident representatives at a special session this afternoon from 2:30 at the council chambers. Myer arrived in Topaz late Thursday evening for a 4-day visit before going to the Pacific Coast where he will fill several speaking engagements.

At today's meeting Myer is expected to answer many questions prepared by the residents.

In a brief interview yesterday, Myer stated that the relocation pace had been advancing since the beginning of the year with the present rate at about 300 to 400 per week from the nine centers. He expressed optimism in the relocation program for the coming spring and summer.

Questioned about such rumors about the closing of Topaz and possibilities of another registration, the director stated that the WRA was not anticipating such plans.

This morning Myer addressed the education staff in the auditorium and met with the administrative cabinet in Project Director Charles F. Ernst's office.

He will attend the fourth quarterly meeting of the appointed staff tonight at the administration rec hall. He will spend the day tomorrow as Project Director Ernst's guest.

REOPENING OF DRAFT IN HAWAII SET FOR APRIL 1

HONOLULU, TH--Reinstitution of selective service procedures for men of military age in the Territory of Hawaii on April 1 was announced here recently by Lt. Col. Emmett G. Solomon, acting director of selective service.

Selective service was frozen in Hawaii after Pearl Harbor. It was indicated here that the fact that a large percentage of the eligible men of military age in Hawaii were of Japanese ancestry may have influenced the decision to stop the draft at the time.

On January 21, 1944, however, the reinstitution of the draft for Japanese Americans on the mainland was announced. Reopening of the draft in Hawaii will bring the territory in line with selective service policies on the mainland.

Approximately 10,000 Japanese Americans in Hawaii volunteered for combat service in the US army in February, 1943.

McWILLIAMS URGES NISEI TO FIGHT CALIFORNIA BAN

Stating that it is improbable that more than 25 or 30 per cent of California's population have been completely swayed by the hysterical agitation against evacuees, Carey McWilliams, Los Angeles lawyer-writer and former head of the California Department of Immigration and Housing, urged Japanese Americans to strive for the lifting of the ban which prohibits their return to the west coast. McWilliams spoke last week before a meeting sponsored by four Japanese American organizations in New York City.

McWilliams, whose currently popular book, "Brothers Under the Skin," told his audience that no less than 12 separate groups have been organized in California alone to "save" the Pacific coast from any possible return of the evacuees.

Despite the peak which hysterical race bigotry reached on the west coast during 1943, McWilliams pointed out that anti-Oriental agitation in general is leading into inevitable decline, the basic explanation being that agriculture is being replaced by industrial production as the chief economic enterprise in California. This development will make prejudice against Oriental people unprofitable, he said.

CAMP SAVAGE

NEW ENTRANCE POLICY REVEALED

Future applicants for the Camp Savage Military Language School will not be considered till they have been inducted into the army, according to Captain Paul F. Busch, director of personnel there.

Applicants cannot be considered until after induction as many volunteers have been rejected for physical reasons in the past.

A new class for linguistically qualified men will start in May.

Volunteers for the language school are now being examined for linguistic qualifications. This procedure is being carried on by mail upon receipt of a letter of application from individuals.

Nisei Heroism In Italy Has Good Effect On Public - Capt. Suzuki

CHICAGO--"Heroism of the nisei fighting in Italy is having a good effect upon public opinion, and the opening of the draft is giving them opportunities they never had before."

Capt. Taro Suzuki, a commanding officer in the famous 100th battalion and a participant in the landing at Salerno, made this statement in a press conference here last week. Capt. Suzuki is here on sick leave having been injured by shell fragments from a "screaming meemie" in an Italian engagement. A "screaming meemie" is a rocket gun.

The captain declared that blood plasma saved his life. "It's one of the greatest things in this war. I wouldn't be here today if it weren't for the transfusions I received. I wish everyone at home could realize the importance of blood plasma on the fighting fronts."

He emphasized that the loyalty of the Japanese Americans in battle cannot be questioned. "You have only to see them in action, as I have, to realize how anxious they are to make a good record."

He is Hawaiian-born as is most of the members of the 100th battalion. "We want to revenge for Pearl Harbor as much as anyone," he said. "Many nisei lives were lost on December 7. We lost friends and relatives who up till then had been living peaceful, normal lives like any American."

Capt. Suzuki led the unit which rescued 15 American paratroopers who had landed behind German lines and were holed up in a small village until the nisei soldiers arrived.

HEARINGS FOR TULEANS BEGIN

A special hearing board is now holding hearings at Tule Lake to determine the oligibility of certain residents of the center to transfer to other relocation camps.

Project Director Ray Best said evacuees found to be pro-Japan will be held at the center, while those whose records contain no evidence of pro-Japan sympathy will be eligible for relocation.

According to Best, the group being interviewed is made up of evacuees who were residents of the center prior to the major segregation made last fall and a group of young people who went to the center in the segregation program because of family ties.

WRA

歸米二世の分類法發表さる

華府通信に依れば中央轉住局長デロンメイヤー氏は最近社會分析調査係に依て作製されたる日系歸米市民に關する報告を發表するに當り「この歸米市民の問題はWRAが當面したる最も錯綜した危險な問題の一つである」と語られた。

而して此度發表された詳細なる報告書には歸米と云ふ語の定義が明細に解釋されてあり又歸米二世等が日本へ行て教育を受け又米國へ歸て來た理由も吟味してある。尚ほこの報告書は只に今日表面に現はれたる歸米青年等の境遇を詳述してあるのみならず彼等がその教養や習慣の相違したる爲め歸米等が此國に於て社會的調節を計らんとし餘儀なくされたる事情なども明確に描寫してある。

尚ほ統計表の示す處に依れば日系米國市民の約二割強位は日本の學校教育を受けてゐる。而して此等が米國に歸つて來た者即ち歸米市民が概略八千乃至千の間であらうが彼等の大部分は今も轉住所が或は隔離所に在住してゐる筈である。

尚ほ轉住局に於ては彼等の問題に關して考慮するに當り結局彼等を「自覺せる米國市民」と「自覺せざる米國市民」との二組に分類してある。そしてその第一番の組は稍もすれば彼等は別に何等の問題を釀すこともなく大體に於て純二の組に違ふべきものではあるが然し幾分一種の異つた性癖があつてその爲め實際は歸米の組に入れられて居るそれで彼等に關する限りの問題は彼等の出所許可に關するものである。

又第二の部類は現に日系人社會の將來事や催し物杯の場合に世と純二世との間の聯絡係や仲介人として社會に缺くべからざる有用なる種類の二世であつて主なる彼等の兩親たち一世に近いものである。而して彼等が日本語を能く話しそして日本人に關する凡ての事に相當の理解を持つに由つて一世の日本人達が彼等に信用を置いてゐる結果と彼等に選擧されてゐる市の役員であるものが多いのである。

尚ほ第三及第四の部類の二世等はWRAの政策を遂行上或る種の問題を提供してゐるのである。即ち第三の部類は「温和謙遜的」の歸米達で彼等は將來發展の爲めに外部へ轉住しやうともせず又二世の人々とも餘り交際はせず只だ家居的に何時までもセンタ内の生活を續けて行かうとする連中である。

而して最後に第四番目の組は即ち非常な力的な歸米市民で彼等はその本心から好んでの反米的代物であるそして恐らく彼らの大部分が今はセールレキとの間の聯絡や仲介人として社會に缺くべからざる有用なる種類の二世であつて主なる彼等の兩親たち一世に近いものである。而して彼等が日本語を能く話しそして日本人に關する凡ての事に相當の理解を持つに由つて一世の日本人達が彼等に信用を置いてゐる結果と彼等に選擧されてゐる市の役員であるものが多いのである。

我が理想の人

光陰誠に矢の如く過ぎ去り、内村鑑三先生我はイエスを信ず、然りが逝きて、来る三月二十八日で満十四ヶ年になる。在りし日の先生に私は一度もお逢ひせしことは無いが、先生の命日が近づくにつれ、私が先生を思ひ慕ふことは切實になって来る。こゝに先生の短文を四つ載せて、先生の記念とする。(未廣生)

(一) 唯イエスを信ず

我は善人なる乎又悪人なる乎我は知らず。我は唯イエスを信ず。我は善事を為しつゝある乎又は悪事を為しつゝある乎我は知らず。我は唯イエスを信ず。小事に忠実なる人で我は天国に入り得る者ある。小事に忠実なる人で我は地獄に落つるが故に其小事が積りて、彼をして大ならしむるのである。小人他なし虚偽の人である。偽多くの善人を見たり。然れども、勇者は之を見ず、我が理想の人である。故に彼は生涯を費して一事をも成就し得ないのである。

偉人たらんと欲する者なり。

(二) 偉人たるの道

偉人とは大事を為す人であると思ふは大なる間違である。偉人とは真理と正義のために情と闘ひ、慾と闘ひ、友と闘ひ、家と闘ひ国と闘ひ、世と闘ふ者たるを要す。我は我眼を以て事を誤魔化す人である。偽多くの善人を見たり。然れども、勇者は之を見ず、我が理想の人である。故に彼は生涯を費して一事をも成就し得ないのである。

偉人たらんと欲する者なり。

(三) 我が理想の人

善人必ずしも我が理想の人に非ず。我が理想の人は勇者たるを要す。

悪に強き者は善にも強し。

(四) 聲と人

悲哀の聲を発せん乎、悲哀の人と成るべし。歓喜の聲を揚げん乎歓喜の人と成るべし。人は大方は共発する聲の如し。我等は努めて歓喜の聲を発して歓喜の人と成るべきなり。
