Coroner's Jury Says MP Acted "In Line Of Duty" In Shooting

The unidentified soldier, who fatally wounded Shoichi James Okamoto, American Japanese at the Tule Lake center, acted "in line of duty" a coroner's jury reported last Friday.

The verdict from 6 men and 2 women came after tes-

timony from 18 witnesses, including 17 internees and one WRA foreman, from which it appeared that Okamoto had refused to show proper passes at the gate, and was shot "after he suddenly made a move as if to grab the soldier's rifle."

An army board of investigation was inquiring into the case in the wake of the coroner's investigation, a news report indicated.

Several exhibits and a program showing the activities of the various classes under the adult education department will be presented this Saturday and Sunday, it was announced today by Dr. L.C. Bane.

All adult education classes are expected to participate in the program. Shellcraft, lapidary work, artificial flowers, women's dresses and suits, knitted wear, leathercraft, flower arrangements, and oil paintings will be exhibited. The display will be open from 2 to 10 PM on Saturday and from 9 AM to 10 PM on Sunday.

Sunday's program which will begin at 2 PM in the auditorium will include songs and recitations by the adult English class students, an oil painting demonstration, selections by the music school students, and a fashion show by the sewing school.

CHICAGO

JAPANESE HOME BUYING PROTESTED

Four residents of the Garfield Park area in Chicago last week protested to the WRA of the purchase and intended occupancy of a two-story frame flat building by a Japanese American family.

The objection came as the WRA estimated Chicago's Japanese population at 4000, with a total of 5000 for Illinois.

The building was bought by an American born Japanese evacuee, Harry Hosaka. A WRA spokesman in Chicago stated:

"We will notify Hosaka of the neighborhood's objection to his living there. At the same time, if he chooses to reside there, we will try to explain to and educate the neighbors to accepting this Japanese American family."

VOLUNTEERS HELP TSUGAWA LAY 535 FT. OF PIPELINE

535 feet of pipeline has been laid in the camp to Well #6 as an auxiliary line to alleviate the critical emergency condition caused by the deterioration of the main supply line from the water tanks to the camp. A blow off line has been installed in the southwest corner of the camp to get rid of sand which is in the water system. This work has been done by volunteer construction crews from the engineering section.

"These men have been directed in this work by Harry Tsugawa, 10-5-E, who has been in charge of all plumbing installations and maintenance in the camp," said Henry Watson, senior engineer. "The project has

been fortunate in that we have had a man of quality, energy, spirit and ability in Harry Tsugawa. He and his crew have installed all plumbing in new constructions, schools and other places and have performed a superior type of workmanship in carrying out this work. They have also been working tirelessly in an effort to maintain the plumbing in good operating condition. Tsugawa has now volunteered his services together with those of S. Handa, cabinet shop foreman, to assist in the direction of the pipeline installation.

TEMPORARY CREWS

"Because of the fact that crews for pipeline replacement have not been forthcoming in the camp, the construction crews in the engineering section have volunteered their services on a rotation basis to assist Tsugawa in the important task of replacing the pipelines until such time that a permanent crew can be made available for the completing of pipeline replacements. Due to the tireless efforts of these men in performing the service beyond the call of duty, there should be gratitude and thankfulness realized by everyone in the camp for their services; and crews should be organized immediately in the center to assist them in order to maintain present spirit and civic pride."

PRIORITY WORK

The project director has declared that the pipeline replacement is the most important task and rates the highest priority of any work on the project.

AGRICULTURE

100 ACRES OF CROPS PLANTED TO DATE

Approximately 100 acres of vegetable crops have been planted to date, according to Wendell Palmer, farm section chief. Crops already planted include onions, peas, sweet corn, turnip, radish and swiss chard.

Within the next 2 weeks the food crop unit will set out 100,000 cabbage plants, 98,000 tomato plants, 20,000 broccoli, 20,000 eggplants, 15,000 peper and 150,000 celery.

Palmer also reported that despite bad weather recently, about 575 acres of grain crops have been seeded. The last 200 acres of grain will be planted by the middle of June. Sweet clover and alfalfa has been planted as well as grain crops.

日系人寡少の有名な下院のダイス委員会は最も近その委員長ダイスを始めとして三人の棟梁株の委員等が次第に始まり逐鹿場裡に失脚されし政治界から埋もれたので今同委員会は殆んど消滅状態となり今後再興の見込みはさほどないと思ふ。其の三重に降り掛けた災難の第一はアラバマ出身の下院議員にしてダイス委員会の員たるダービー氏が先達で南州の選舉で見苦しい最期を遂げ其の次にテキサス州選出下院議員にも同本黨の要頭人たるダイス委員長が同州の豫備選舉に際し不對応の候神聖が名乗を挙げると早速先生を見越して再立候補を取り止め引退してしまひ

又その次には加州出身のノコスティリオ氏が先日同州下院議員として同委員会の副会長格で日系人攻撃の急先鋒たりしシドニー選舉に於て酷だうに敗北を喫した斯くて同委員会は既に最後の幕を開ぢる場面に立到了る事との事である。そもそもグレイス委員会なるものは今次の大戦勃発数年前グレイス議員筆頭とする数名の野心家連が當時共産主義挑撃せ説教潮流に棹として赤化の危険を誇張的忠誠不徳を調査の必要を有する爲めに組織され事になつたのであるが、それが年半の長い間後を議会に提出し遂に之を通過させるに成功したので同委員会が組織されるとの如きの事になつたのである。

活動の目標を失ひ從つてその存在の意義をも喪失せんとしたのであるが、茲に於て流石の策士博士は其の金山とも云ふべき委員会を繼續する爲め其の存在の主要目的を新たに見出さねばならなかつた。而して彼等は遂に自己系人の危険性を防ぐものにて、之を発見したので、彼等は大に天才創造力を發揮して、日々系人の不正陰謀事件等に關し實に震天動地的恐ろしい幽靈説を捏造し鮮やかに色附けて諷刺的に新聞雑誌やラジオ放送等の機関を通じて金到り處に宣傳し元来加州桃源の右腕とされる凡ての日本人を西部海岸から良友としてソシ
