## 40 PERCENT OF FAMILIES SAY NO RELOCATION

Of the first 495 families with whom family discussions were held, 130 or 26% indicated a desire to relocate; 199 or 40% had no desire to relocate; 127 or 25% were undecided and 39 or 9% were contingent.

The most frequent reason given by those who do not contemplate relocation is that there is poor health within the family. Other reasons given in order of their frequency are fear of economic insecurity, poor knowledge of English, and fear of discrimination. Fear of housing difficulty was given only 61 times out of the 495 interviews. Insufficient WRA assistance was given as a reason 74 times. Ninety-two said they wanted to leave their families in the center during their army service.

Although 144 families indicated fear of discrimination, 238 families stated that they had no such fear. More than half of the family heads interviewed spoke good English. Almost one half had special skills or training.

## "TENNESSEE JOHNSON" SLATED BY JOURNAL

The high school journal staff will present a feature length movie, "Tennessee Johnson", Thursday and Friday night at the high school auditorium. The movie stars Van Heflin, and Ruth Hussey.

## SPANISH CONSUL

## MANPOWER COMMISSION STUDIES LABOR PROBLEM

To meet the critical labor situation created in the center by the advanced pace of relocation in recent months, a manpower commission, composed of key appointed personnel heads and leading resident groups, has been organized.

The group will study the manpower problem in an effort to make the best use of the available personnel so that adjustments may be made between sections in order to maintain services that are essential for the health and welfare of the residents.

As of July 29, there were 2529 full time resident employees on the project. 90 workers were lost during one week prior

to this date owing to seasonal and indefinite leave departures.

"The solution of the problem of labor shortage will have to be found within the resources which we now have," stated Dillon Myer, national WRA director, in a letter here discussing the situation. "There needs to be an immediate reevaluation of all our activities with the end in view of elimination, curtailment or consolidation. There will need to be an evaluation of the efficiency with which current manpower resources are utilized and steps taken to eliminate overstaffing and inefficient use. It will be impossible, both from the standpoint of personnel available and from budget limitations, to expect to meet these needs through the recruitment of additional appointed personnel."

The commission which meets every Tuesday, yesterday decided to set up an information committee and a group to study local manpower resources.

Members of the commission are L.T. Hoffman, project director; Roscoe Bell, Raymond Sanford, and Gilbert Niesse, assistant directors; Walter Honderich, acting supplies officer; Brandon Watson, mess management head; Henry Watson, senior engineer; Wandell Palmer, farm section chief; George Lafabrogue, personnel officer; Dr. Oscar Hoffman, community analyst; Leah Dickinson, relocation program officer; Mas Narahara, council chairman; Henry Fujita, council vice chairman; and Rev. J. Tsukamoto, Inter-Faith representative. Representatives of the block managers and the Co-op are expected to be added to the commission for the next meeting.

## SEN. THOMAS COUNCIL TO BE INDUCTED AUG. 4

Senator Elbert D. Thomas, US Senator from Utah, will arrive on August 4 to induct the fourth term councilmen to office at a ceremony to be held in the auditorium, according to Masuji Fujii, council office manager.

The formal induction ceremony will be preceded by a banquet at dining hall 16.

## New Orleans Offers Varied Types Of Resettlement Opportunities

The largest city in the Deep South, New Orleans, offers a variety of relocation possibilities for evacuees in skilled and semi-skilled occupational fields, according to a report from R. E. Arne, area relocation officer.

New Orleans with a population of six hundred thousand is the third largest city in the US. The average temperature from October through March is 60.7 degrees. During the summer, the average is 78.3.

Nearby localities offer plenty of opportunities for truck farming in nearly every month of the year. Crops that are raised are cabbage, beans, tomatoes; peas, broccoli, lettuce; eggplant, carrots, celery, and beets. The orange groves in Plaquemine Parish, south of New Orleans, fur-

nish fine quality citrus fruits. Productive soils of varied textures suited to all crops of the temperate zone, a warm climate with a long growing season, abundant rainfall and good transportation facilities favor the enterprise of the planter.

Other job openings in New Orleans include automobile mechanics, photographer, truck drivers, watch repairman, office clerical workers, hospital workers, caretaker and gardener, warehousemen and stock clerk, laundrymen, fisherman, dairymen and poultrymen.

Housing in New Orleans is difficult but not impossible, Arne stated. Evacuees should be prepared to pay hotel rates for at least three or four days. Rates at the better hotels are from \$2.50 up.

## HOSPITAL GETS NEW DIETITIAN FROM LOS ANGELES

Mrs. Rhetta J. Mitchell, a native of Los Angeles, arrived Saturday morning to be the head dietitian at the local hospital. She succeeds Dr. Grace Lawson who returned to the Gila relocation center.

Mrs. Mitchell stated that this is her first position with the War Relocation Authority. She received her Bachelor of Science degree from Ohio State University and interned one year at the city hospital in St. Louis, Missouri.

The new dietitian has worked in several hospitals and schools in the east. Prior to her position here, she was working as dietitian in a Los Angeles school cafeteria.

## RATIONED FOOD QUOTA FOR RESIDENTS CHANGED

### AUDITORIUM CIGARETTE CAUSES SMALL FIRE

Last Saturday night at 7:40 a small fire was started by a carelessly discarded cigarette, on the south-west corner of the community auditorium. It was first sighted by one of the boys participating in the sumo tournament.

The damages were very slight, according to C. Roraback, new fire protection officer.

### ODORI PRACTICE SET FOR TONIGHT

The first Bon Odori practice will be held tonight from 7:30 in the auditorium. Madame Tachibana will be the instructress.

All persons who wish to participate in the Bon Odori next month are urged to turn out for the practice.

### BROWNIES TO SPEND SUNDAY AT SWAZEY

Approximately 30 Brownies will leave for Mt. Swazey this Sunday July 30. They will meet in front of the CAS at 8 AM, according to Miss Toshi Koba. Accompanying the Brownies will be 10 older girls to act as chaperons.

Revision of WRA distribution regulations on rationed foods, as indicated in instructions received this week from Washington, are expected to provide additional benefits to center residents.

Hereafter the quotas which are allotted for rationed foods during specific periods, but not actually used during those periods, may be carried over and used at a later time, as consumption of rationed foods drops off considerably during summer and fall months when center-produced vegetables and fresh fruits are available, ration points accumulated during this time will be of substantial assistance in less productive months.

Per capita quotas have been reduced for processed foods from 48 points per month to 10 points per week; and for meat, fats, fish, dairy products and evaporated milk from 16 points per week to one point per day. Sugar rations have been raised fractionally from two pounds per month to one-half pound per week.

## REJUVENATED 37 BEATS BLK. 29-30 IN FINAL FRAME

## PO TEAM BLOWS BIG LEAD, BOWS TO BLK. 20 CHAMPS

The championship block 20 team accepting the challenge of the vastly improved Post Office team received a scare that might have mired their undefeated record Monday night at field 30.

With the aid of Paul Hayashi's mighty circuit clout the PO boys forged ahead to a 6-run lead holding the mighty block 20 to only 3 runs while they pushed 9 across the plate.

It was the effective pitching of Hid Kashima for the Post Office that kept the block 20 aggregation down until the fatal last half of the sixth inning when by countless, costly errors the Post Office team collapsed. Block 20 capitalizing on these errors bunched 8 runs, passing the PO squad and making the count 11 to 9 in their favor.

### DOUBLE PLAY

Fighting till the last, the PO boys, after one out in the last inning, put a man on first bringing to bat T. Toyota who flied out to second baseman Sam Yamamoto who intentionally dropped the ball, threw to 2nd and from 2nd to first causing a double play.

The pop-out was supposed to have been an automatic out but was called legal at that time. It was later found out that the rule was misinterpreted thus this hotly disputed ball game is called an unfinished one.

### THE PITCHING

"Fireball" Sus Ota was touched for 11 hits while young Kashima allowed 7 hits.

Big sticks for both sides were: Kashima, K. Hitomi, and Hayashi, each collecting 2 hits for PO, while Sus Iwasa, stepping to the plate 3 times connected for 2 hits, double and single.

Having recuperated from the upset handed by blk. 28-31, the blk. 37 squad squeezed through a victory over the undefeated blk. 29-30 outfit in the final inning 17 to 16.

Going into the final half of the last inning, lacking 5 runs to tally up, the victors shoved across the plate 6 runners on 4 hits, 2 walks, and 2 errors defeating the once versatile blk. 29-30 squad.

### GOOD PITCHING, HITTING

Aside from pitching his team to victory, R. Masuda showed a superb hitting power by getting 4 for 4. His teammate S. Tsutsui also clouted a thousand percentage getting 3 for 3. For the losers the honor goes to G. Tsurui hitting a 3 run circuit clout.

## EITO COLLECTS 3 FOUR-BAGGERS

The combined forces of blks. 3-10 literally slaughtered the hapless blk. 16 team to the one-sided score of 23 to 4.

Pitcher Kiyoshi Akita from blk. 10, held the opposing batters to only 4 hits.

Top batting honors went to Ernie Ito with 3 hits for 4 trips to the plate. All 3 hits being circuit clouts.

### OTANI HURLS TEAM TO LEAGUE LEAD

Going down for the fifth straight time, once again the block 16 ten was trimmed by the league leading blocks 7-13 by 1 to 7 under the effective hurling of Y. Otani's two hit game.

Launching their 6 run lead in the first frame the block 38 outfit came through with another win at the expense of blocks 28-31. The final score was 9 to 5.

## 40 PARTICIPATE IN GOLF TOURNEY

The result of the election held last week voted N. Takakuwa as president and Brandon Watson the advisor. It was also decided to reduce the initiation fee of \$2.50 to \$1.

# 東部沿岸地方に 日系人轉住者を歓迎。

紐育州ブルタクリン市代表委員會の副長ドクターヘンリー、カヘンターが去り木曜金曜の両日に亘つて當所を訪向されたが當所轉住事務所員ジッキンソン嬢の誘ふ処に依れば同委員會は同地方には日系人が轉住するに都合の宜い様米人社会一般に日系人を正しく諒解させ彼らと快く受入れらるべき準備を調へなしたつたあるのとである。

望する旨速べら北且同地帯社会一般の日本人轉住者に対する感情の頗る良好なる事を語られた。其他同氏は先年印度から支那方面に渉る東洋旅行談をなし且一九二六年から一九四一年の尚有名なる日本ウクリスヤン賀川豊彦氏と同伴米大陸及び欧州諸國に傳述旅行を試みたる経験談なども話された由である。

而して同氏は去り金曜日當所出發西部沿岸から加奈陀に渉る旅行に向はれた。カール・ボーン氏の二世奨學基金寄贈を以てウイスコンシンマイン紙が、私たち二人の心

キヤピトルタイムスの報ずるところでは有名なるレチオ放逐家H.V.カルテンボーン氏は二世奨學基金として金百佛をビルヴァアードムのウエイランド、アカデミーに寄贈せりと。

カ氏はマディソンの法曹家で二世擁護者なるベンジミン・H.ブル氏に書を送つて充の如くいつてゐる。

に在り、日系友僚米人に對する公正待遇を助長するに役立つと考へなざるならばこれらの二つを公せられても差支へありませぬ。
