COOP'S JOURNAL COMPLETED DISTRIBUTIONS BEING MADE.

The Co-op's Two Year Anniversary Journals has been completed and now being distributed to the residents. These journals will be first delivered to all the families listed in the journals and for those who are not listed in the journals, books will be given out to them later. Anybody who was out on seasonal or short term leave and absent from this camp during the time the blanks were passed out a new set of blanks will be made and given out to them. They are asked to fill these out and return them to the Co-op Office or to the Block Congressmen. The reason for this, after those new names are handed in, a new page for the journal will be made and passed out to each block congressman who in turn will distribute them to the people that were out. Then, they could enclose this new page in the journal. Full details on this matter will be given by the Congressman.

There are altogether 1,548 journals being distributed at this time.
