## PFC NOBORI WINS BRONZE STAR FOR VALOROUS DEED

WITH THE FIFTH ARMY, ITALY--Pfc. Teruo Nobori of Berkeley, California, was recently awarded the Bronze Star for valorous conduct in action with the 442nd Japanese combat team.

Nobori received his award from the 92nd division's commanding general, Major General M. Almond, at a special Fifth Army parade and awards ceremony at Novi, Italy. He also wears the Distinguished Unit Badge as a member of the task force that aided in the rescue of the 141st Infantry's "Lost Battalion" in France, the Combat Infantryman Badge, the Good Conduct Medal and the European Theater ribbon with four battle stars.

Nobori, a former market operator in Berkeley, volunteered for the army from Topaz. His wife, Mrs. Kiyo Nobori, now lives in Berkeley.

## FIREWORKS BANNED

No fireworks will be allowed here on the Fourth of July because of the fire hazard, Project Director L.T. Hoffman announced.

## COMMUNITY COUNCIL ELECTION REVEALS TWELVE NEW MEMBERS

The result of the council election revealed twelve new members and nineteen re-elected members, according to a report made by the general election board. Block 6, 26, and 28 did not hold a nomination meeting; therefore no election was held.

The new community council will elect their chairman in the next meeting.

The councilmen of the blocks are as follows:

- Block 1, \*Hideo Yamada;
- 3, \*Hiroshi Takayama;
- 4, Ichiji Sagiyama;
- 5, \*Masajiro Hirota;
- 6, no candidate;
- 7, \*Jiro Arita;
- 8, Tadashi Hashiguchi;

## MYER GIVES REASONS FOR SETTING CLOSING DATES

WRA Director Dillon S. Myer, in a letter to Project Director L.T. Hoffman, sets forth the reasons why he has asked all centers to set closing dates prior to January 1. Topaz officials and evacuee leaders are preparing such a recommendation now.

## NO HOLIDAY ON JULY 4

Fourth of July will not be a holiday for WRA employees. However, residents may take the day off with the approval of their section head and have it charged against their accumulated vacation leave.

"First of all", Myer writes, "I believe everyone will agree that conditions will be much more favorable to relocation during July, August and September than during October, November and December."

## HOUSING BEST NOW

"Housing is a problem in virtually every relocation district. The housing problem can be met better during the summer months than during the fall and winter months."

"The transportation problem will be more acute in the last three months of this year than during the rest of the summer. Transportation will become increasingly difficult as each month passes. In addition to the needs created by the military situation, there will be additional demands on the transportation system by Christmas mail and holiday traffic during the last two months of the year."

## JOB OPPORTUNITIES

"Further, while I do not expect that the evacuees will experience any serious difficulties in obtaining jobs during the last three months of the year, it is true that normally jobs are more plentiful. (Continued on page 5)"

## FOUR YOUTHS CALLED FOR PHYSICAL JULY 5

Notices for four boys to report for their pre-induction physicals at Ft. Douglas on July 5 have been received here, according to Paul McConnell, acting for local board #30.

The list includes: Yasumitsu Furuya, 30-4-B; Akio Tony Takai, 4-2-B; Fred Kiotaka Moritomo, 30-9-B; and Tatsuo Nakamoto, 5-8-F.

## ARMY BOARD TO HEAR APPEALS

A three-man army hearing board composed of Col. R.W. Hooker, president of the hearing board, Lt. Col. RC. Febigor, and Lt. George A. Meigs arrived here Tuesday from the Western Defense Command headquarters in San Francisco to hear 10 appeals from segregation seeking revocation of their individual exclusion orders.

The number of Topaz segregation now is down to 28 from a high of 89.

# A YANK BACKS NISEI

A soldier who fought with the nisei in Italy, Private First Class Philip E. Lerman, 87th Mountain Infantry, APO 345, 2/o Postmaster, New York, urged, in a letter received by the San Francisco Chronicle, Stockton longshoremen to work with Americans of Japanese ancestry. His letter read in part:

"I want to take the privilege as an American trade-unionist, and a soldier to excoriate the type of worker that refuses to work with a nisei.

"Just a short month and a half ago my company pushed off on the offensive that saw the complete defeat of Nazism at its end. We had fought in the mountains and finally broke through to the Po valley.

"All this was made possible because a regiment of Japanese Americans had a few days previous started a diversionary attack on the Ligurian coast.

"Those of us who have had the privilege to fight alongside the nisei look upon him as a brother, a comrade who has fought and suffered with us as Americans. We do not ask you to let them work with you, WE DEMAND IT.

"We have not left our homes, our wives and children, our future to allow men like you to start another holocaust in 10 years. Yours is the mentality that breeds Fascism. Too many Americans of Japanese, Irish, Slavic, Jewish, Negro and other descents have died to give you the privilege to live in our midsts.

"To the union trial committee I say 'Hats Off!' make our homes worth coming back to. Down with bigotry and ignorance."

Fifty councilmen, 16 in Canal and 33 in Butte, were elected on June 12 to serve for the center's final six month term.

Gila News-Courier

The population of the center on June 15 was approximately 4,600, the all-time high was on Dec. 31, 1942, when there were approximately 7,600 evacuee residents.

# COLD FIGURES TALK

(Following editorial is from the SF Chronicle.)

The current news brings an eloquent reminder that Japanese American boys have not confined their Americanism to mere heroics; there has been heroism as well.

American soldiers of Japanese ancestry have suffered 2111 casualties in the European war; 361 killed in action, 49 dead of wounds, 1651 wounded, 34 missing and 6 captured. The last figure is interesting; not only the indoctrinated, fanatical island Japanese is hard to capture, but his "decadent" Americanized cousin as well.

Nor do casualty figures, possibly suggesting blind courage, tell the whole story: as early as June of last year, nine out of ten men in the nisei 100th battalion had received Purple Hearts which, with 60 other decoration in the battalion, bespoke the capacity to risk life intelligently and to military advantage.

All of these are cold figures recommended to the reflection of armchair hot spurs who would deprive all Japanese Americans of their constitutional rights.

## GIS DECRY NISEI RIPT SAYS JOE E

SAN FRANCISCO--The boys at the Pacific fighting fronts don't hate the Japanese like the people do here, said Joe E. Brown.

Brown, who has just returned from a tour of the Pacific fronts, paused briefly in San Francisco on his way to Los Angeles.

"As for persecution of the nisei here," he said, "they think it's terrible. They think it's horrible. I've had a number of round-table discussions with them on that subject alone."

He went on to explain that a loyal Japanese American was just as liable to be killed by his buddies as by his enemy, since many Japanese had been found dressed in American uniforms.

ITALY—A replacement plan for nisei soldiers returning home after fighting in Europe has been organized by the officers of the 442nd infantry regiment.

A committee of three officers gives every nisei soldier's names of men already contacted in America and will help the returning nisei locate in the place and industry or profession he wants.

Along with that he will have letters of reference from his company, battalion, and regimental commanders, attesting to his membership "in one of the most decorated outfits in the army."

# PROJECT FARM ACTIVITIES TO CEASE IN OCTOBER

The poultry and cattle sections as well as all the other agricultural activities on the project farm will cease operations about October 1, Wendell Palmer, chief of agriculture, stated.

A survey of the hog and beef cattle situation indicates that there is enough meat for residents until September. At present there are about 268 hogs and 178 head of beef cattle on the farm.

Some of the unproductive poultry flocks are now being killed and others will be supplied to the center in August and September.

The only crops that are now being harvested are alfalfa for the poultry flock and some hay for beef cattle.

## SHORT TERM TO UTAH, IDA, NEV NEEDS APPROVAL

Starting July 1, all persons going to points in Utah, Idaho, and parts of Nevada on a short term leave must first have the approval of their district workers before applying for leave.

All persons are asked to make their application at least three days in advance on short term and at least four days on terminals in order to have ample time to make necessary arrangements, the leave office stated.

Residents relocating to points not easily accessible to WRA offices may receive their cash grants before leaving the center. This is also true in cases where the relocater is in immediate need of the cash grant.

## RELOCATION PROGRESSING ON SCHEDULE SAYS MYER

Relocation is going just about on schedule, WRA Director Dillon S. Myer states in a progress report.

"The estimates we made for the Bureau of the Budget some months ago were that on July 1 there would be about 44,000 evacuees still residing in the centers exclusive of approximately 20,000 persons at Tule Lake or on segregated lists," Myer said. "As of June 9, there were actually 48,762 center residents excluding Tule Lake, with three weeks to go to reach our July 1 goal of 44,000."

### WARNING

Persons found working while on short term leaves will automatically be converted into terminals, lose grants and all WRA assistance, the leave office warned.

\*--newly elected members

"We had also anticipated that by June, evacuees would be relocating from the centers at the rate of 1,000 each week, and that this rate would increase toward the end of June and July. During the week ending June 8, 1945, persons left the centers, and this was increased to 1,315 during the week ending June 9."

## MORE ON MYER'S MESSAGE

(Continued from page 1)

ful during the summer than during the winter months. Also, war cut-backs are beginning to be made which will progressively make the employment situation less favorable for evacuees, although it seems clear that the employment situation will be favorable for quite some time to come.

"Still further, the business of moving and making an adjustment in a new locality is more difficult in the winter months than it will be during the next three or four months.

### PERSONNEL PROBLEM AHEAD

"There are other factors which favor early relocation. At the present, we have an adequate staff to handle several times the present weekly and monthly volume of relocation. But as we come closer to the end of the year, we shall lose additional staff members, some of them key personnel. Consequently, the amount of assistance we shall be able to offer evacuees in the field and at the centers will diminish as time goes by.

"Recently we have been offered many fine group relocation opportunities both on the Pacific coast and in other areas. These group opportunities are available only if we can get a sufficiently large group relocation in a short period of time to make the employers feel justified in making such opportunities available. I feel certain that the early acceptance by relatively large groups of evacuees of such group relocation opportunities is the most effective means of

dissolving local anti-Japanese American activities.

### WRA BUDGET CUT

"The final consideration, and the most important one, is the fact that Congress is now considering the last appropriation it will make to the WRA.... Those of you who have followed the progress of our appropriation bill.... know that there was a good deal of opposition to our continuing our operations after July 1 of this year.... I am hopeful that the Senate will pass our bill in the form in which it was passed by the House. Assuming that we get this appropriation, we shall have a very tight schedule to meet because the budget bureau reduced by \$5,000,000 the sum we asked for and which we believed necessary to operate all centers until December 31.

"The larger the number of people who delay their departure from relocation centers, the tighter our budget situation will be. If there should be a sizable group within the relocation centers during the last two months, some of them may be almost stranded by lack of adequate transportation or by their failure to make adequate relocation plans earlier. I am sure that you can appreciate the additional difficulties which will face such evacuees at that time. A large scale movement during the winter season will place the late leavers among the evacuees in a very disadvantageous position in comparison to those who made earlier plans."

# GIRLS' ACTIVITIES PROGRAM SIGN-UP SET FOR MONDAY

Registration for an activity program for all girls 13 and over who are not working, will be held Monday, July 2, it was stated by Mrs. C. Ostlund.

A team from each ward will participate in archery, badminton, softball, and volleyball. Inter-ward competition will be held each Friday.

For girls who are working, an evening softball league is under anticipation.

Ward managers have been selected for each ward. Those not registered should contact Mrs. C. Ostlund, girls' sports supervisor, at the CAS office, or the ward managers.

Managers for the respective wards are as follows: ward 1, Amy Hironeka; ward 2, Grace Matsumoto; wards 3 and 4 will be chosen at a later date.

## OLD MENS' LEAGUE TO BE ORGANIZED

Sign-ups for an old men's softball team, 40 years of age and up, will be taken at the new CAS office in the west wing of the auditorium, announced Hideji Hideshima.

In the initial frame, neither team scored. Each squad pushed across a run in the next inning to tie up the game, 1-1. The Blue's batting power broke loose in the third inning when three successive hits, Shig Akagi's double, Sus Iwasa's single, George Yano's triple, and four errors gave the Blues a 7-1 lead.

# PROGRAM FOR JULY 4TH ANNOUNCED BY CAS

The 4th of July program sponsored by the CAS section will begin with a flag raising ceremony by the local Boy Scouts at 9 AM at the high school field north-east of the auditorium. A PeeWee softball game under the supervision of George Matsuura, PeeWee softball commissioner, will follow at diamond 26.

## AUDITORIUM OPEN FOR BADMINTON

Boys and girls are encouraged to participate in this program.

Among the players who participated this week were: K. Kumekawa, S. Miyagawa, B. Maggoria, T. Koba, S. Sato, Dr. Collier, E. Sekerak and M. Nakamura.

## TOPAZ TENNIS CLUB GIVES FUNDS TO CAS

A total of \$67.29 and one dozen tennis balls were contributed to the athletic fund of the CAS by the Topaz tennis club which was disbanded recently, according to Miss Toshi Koba, head of the CAS.

A children's sport program will be provided for boys and girls of all ages to end the morning program. Participants will be divided according to their age and all contestants will receive a prize, stated Parlell Peterson, CAS supervisor.

The sport program will be as follows:

Free for all--girls 50 yard dash

Free for all--mixed 50 yard dash

Three legged race for boys

Sack race--mixed

Flag relay--4 girls from each ward--90 yards

# 徴兵別四C

## 變更の件

徴兵分類四Cを得再考査を得ることが確定分類變更の急速のからであるといふや局長再考査を欲する人より通告があつた。

不學生は三郡  
學校に入學不可能

陸軍省より通告があつた。九月秋學期の始に猶センターに留まる學生は、このラド郡内公立學校に通學する資格がない。

司令部に送る書簡には原本三、四Aの質といふハンマン所長が発表された。答へて所長は、住民の間に答へて所長變更の要請に利用するは、ユタ州の検査部長軍項及理由を記入するは、トマス撤退住民はベキである。

今一般に四C分類のことに載せられてない。再考査が行はれた。随つてこのラド郡學校つある際なれば、申請に入學する資格がない。

局に諸願書を差出し、せば司令部に傳達せらる。木人自身直接に司令部に交渉すれば、迅速なる。
